NEW DIRECTOR....The Board of Directors at its March 2 meeting elected **JOE SHIRLEY** to the Board to fill the position vacated by the resignation of **KEITH SHERMAN**.

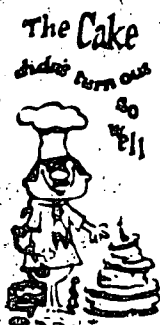

The exchange of international
thought is the only possible salvation
of the world.

—Thomas Hardy (1840-1928)

The trouble with being punctual is
that no one notices it when you are.

HAPPY BIRTHDAY

Happy Birthday, Gentlemen, and we wish you many, many more.....

QUIPS.....The income tax has made more liars out of the American people than golf has.... Success is a journey, not a destination..... When you drive, remember that anger is only one letter short of danger....You can't unscramble an egg, unless it's a nest egg....Looks like the sum total of our national debt is some total!!!!Children are natural mimics-they act like their parents in spite of every attempt to teach them good manners....A committee is a group who individually can do nothing, but collectively can meet and decide that nothing can be done....When God made man he didn't arrange the joints of his bones so he could pat himself on the back....

PAST PROGRAMS....On February 22nd, the Club was honored to host five visitors from Australia who were in the United States under a Rotary Exchange program. The visitors each described some aspect of life in Australia and compared this to similar conditions in the United States. Every member of Rotary really gained some insight into the country, social life and conditions of South Australia. If you missed the opportunity to meet and hear these gentlemen, you truly missed a chance to experience world brotherhood and fellowship as exemplified through Rotary. These gentlemen will be in our district for a few more weeks so if you missed them the first time, try to catch them at another club. Then on March 1st, The Space Center Rotary Club held a Club assembly to discuss future plans for the Club. The future role of the Shrimporee was presented and discussed by the membership. These proposals and discussions will be continued at the next Club Assembly to be held on April 5th.

DIRECTORY CHANGES....MIKE DUBOIS'S new business is Houston Community Newspapers, P. O. Box 280, Channelview, TX. 77280, Ph. 452-0530. DICK BROWN'S new residential address is 14620 Gallant Fox Way, Morgan Hill, CA 95037.

"SCOOTERVILLE" On March 22nd, NICK NIKSICH hit the jackpot as he had on his pin and badge and walked away with \$49.00. Then on March 1st BILL WEAVER missed out on \$5.00 by not being present when the award was announced.

VISITING ROTARIANS FROM FAR OFF.....On March 1st the following Rotarians visited our Space Center Club: JOHN CALKINS from the Plattsburgh, NY Rotary Club. TED FISHER from the Kelly, Lackland Rotary Club of San Antonio, and LEW WALLACE current President of the Estes Park, Colorado Rotary Club. How 'sweet it is' to have these dedicated Rotarians with us.

BOARD ACTION.....The Board at its March 2nd meeting appointed a Ad Hoc Committee composed of the past Presidents of Space Center Rotary and the present members of the Ad-Hoc Shrimporee Committee to study the proposed recommendations concerning the Shrimporee, receive recommendations from the membership at large, and present their findings and recommendations for discussion at the April 5th meeting.

Dear R. T.

World Peace and Understanding through Rotary
Is the theme for this week.
It is important to us all
And a solution we all seek.

When R.I. President Stanley presented it,
He did it with great feeling,
For he realized its importance
And a concern, with which we all should be dealing.

He called out to Rotary
Across many waters and much land.
"Rotarians," he said,
"You must each extend a helping hand."

Understanding between people
Can do so much to heal a sore
Each of you Rotarians
Must help kick down the misunderstanding door.

Yes we must open that door
And let understanding continue to flow
For this is the only way
Peace through understanding will begin to show.

So Rotary Clubs and Rotarians
President Stanley has lit this challenging candle
Because he knows Rotarians
They have the ability - its a job they can handle.
