MEETING OF MAY 6: Johnny Klevenhagen, Harris County Sheriff, served as our speaker. He brought along Lt. Jim White, whom Rotary is sending to Mexico as part of an exchange training program. Sheriff Klevenhagen described the aggressive programs being undertaken in the department to serve criminal warrants, stop hot check writers, provide mutual cooperation with constables, and attempts to satisfy conflicting court dictates about jail population and deputy requirements. (That's Klevenhagen on the right, White on the left.)

MEETING OF MAY 13: Rolland Storey, as part of his Free Enterprise sponsorship, brought along 5 high school students, each of whom gave a poised and convincing talk on one aspect of the Constitution. It all added up to a Mini-Seminar on a subject of real importance to us. The students are shown with Rolland.

DISTRICT 589 ASSEMBLY Report by Bill Weseman

Seven members from our club, led by President-Elect Bob Wren, attended the Rotary District 589 Assembly for incoming club officers and directors for the Rotary year 85/86, which was held Saturday May 11. It provided a great interchange of ideas and ways to successfully implement them in quest of our goals of community and international service. Rotary International President-Elect Ed Cadman has chosen as the theme for the coming Rotary year: "You Are the Key". This theme will be heard many times. It was repeated often by District Governor-Elect Ray Potter, who placed emphasis on working together and on renewal of an esprit de corps. He wants each club to establish a delegation to visit all 53 other clubs in our district this year. He challenges each club to start a new project in cooperation with another club, in this or another district, or in another country. He reminded us that club meeting attendance is a must.

District Chairmen told how they planned to implement ideas for the success of Rotary this next year. Our own Past President, Bill Webb, District Fellowship Chairman, spoke to the assembly with good ideas on fellowship. We should plan activities for fun in conjunction with our other functions. Bill suggested that we support all other nearby clubs with their fund raisers.

We urge more members to go to the District Assembly and/or District Conference next year. You will be inspired!
