District Conference Awards

District Governor Suzi Howe presented three major Rotary awards at the 2007 District 5890 Conference in Puerto Vallarta.

Jim Kite and PDG Andy Smallwood received the Rotary International Service Above Self Award and PDG D'Lisa Simmons received the Rotary Foundation Citation for Meritorious Service.

The Rotary International Service Above Self Award is an internationally competitive award granted to a maximum of 150 Rotarians per year who are examples of Service Above Self. The nominee must have demonstrated exemplary humanitarian service, in any form and at any level, with an emphasis on personal volunteer efforts and active involvement in helping others through Rotary. A district is limited to two such awards in a Rotary year, and District 5890 is one of only a few districts in the Rotary world to be awarded two recipients.

Jim Kite has, for many years, been heavily involved in our district project in Chinandega, Nicaragua, assisting the Children of the Dump, and attempting to break the cycle of poverty for their families and others. He has also participated in Group Study Exchange, as the team leader to Nicaragua, and has hosted several Youth Exchange students. He is the recipient of the Rotary Foundation District Service Award, serves on the Board of Directors, Executive Committee, and as Secretary of Hope and Relief International Foundation, Inc., is a Paul Harris Society member, and serves in many other civic activities outside of Rotary, including the Houston Livestock Show and Rodeo, the Southeast Harris County Economic

Development Council, and the San Jacinto College Foundation. Jim is a multiple Paul Harris Fellow and a Benefactor of The Rotary Foundation.

PDG Andy Smallwood has served as mentor and resource to District Governors inside and outside of our district since his term as District Governor in 1995-96. He has hosted several Youth Exchange Students, sponsored a number of matching grants, reviewed a literacy project in the Mexico City prison, participated in the Guerrero Eye Clinic, a National Immunization Day for polio in Nepal, and promoted a free enterprise seminar in Mexico City. Andy also created and conducted the first Zone 25/26 District Governor Nominee training, created the Rotary Multi-District leadership Institute, and has been an inspirational speaker in over 19 Rotary districts. He is a Major Donor and member of the Paul Harris Society. He has also been active in his community, serving on the board of the Living Bank, the University of Houston Educational Foundation and the City of Pasadena Housing Commission.

The Rotary Foundation Citation for Meritorious Service is awarded to one Rotarian from each district by the Rotary Foundation Trustees each year, to recognize Rotarians who have rendered significant service to The Rotary Foundation.

PDG D'Lisa Simmons began her relationship with the Rotary Foundation as an Ambassadorial Scholar to Singapore.

As a Rotarian, she has served as our Centennial District Governor in 2004-05, as the chair and a member of the District Rotary Foundation Committee, as the chair, member and host for Group Study Exchange, member

Guerrero Surgery & Education Center

Walter Branson reported to the 2007 District Conference on recent activities at the clinic. It has changed many lives, included the 40 who underwent eye surgery were this year and left being able to see again. His latest video of the clinic's activity is available for use by 5890 clubs.

Volunteers participating in the recent trip included 54 from 7 states in the USA and 65 from Mexico. Nineteen Rotarians were among the USA volunteers.

Activities included:

Activity	Patients	U. S. Value
Eye surgeries	222	\$1,110,000
Vision exams	1,125	90,000
Eyeglasses dispensed	635	38,000
General medicine	597	60,000
Pap smears	100	20,000
Minor surgeries	20	5,000
Facial surgeries	5	12,000
Dental patients	230	75,000
Grand Total	2,934	\$1,410,000

Here is a photo of Walter Branson at his best in Puerto Vallarta, Mexico at the Conference. I was writing him a check for the Guerrero Eye Clinic and Rhonda Walls Kerby, President of the Katy Rotary Club, was giving him cash. It just goes to show you, there aren't any lengths to which Walter won't go to get his much needed dollars for such a worthy cause.

Everyone can help by writing their check to the Crystal Foundation. They can email Walter at walter@bransonconstruction.com for further information.

Thanks Walter for all that you do for those folks. You truly do "Lead the Way" for so many that are so deserving.

Judy Lee Gardiner, AG 2006-2008
RI District 5890

Conference Newsletter Extracts

Friday

Partnering in Puerto Vallarta

Rotarian Ivan Applegate from the Puerto Vallarta Rotary Club provided an insight into his Club finding a true vocation of helping others – during the last seven years, his Rotary Club has accomplished 15 Service Projects providing assistance to local groups. Ivan stressed that Mexico is the Land of Opportunity for giving to others – after the 1st Plenary Session local PV groups were available to showcase their current Service Projects and to have an opportunity for District 5890 Clubs to participate in future projects.

Address by RI President's Aide – PDG John Smarge

PDG John Smarge emphasized the need for Rotary Clubs to promote recruitment and suggested a 3-step strategy. The first step is to identify a clear and achievable plan; second step is to review, evaluate and revise the plan; and the third step is to recognize those Club members who brought in new members. Equally important to recruiting new members is retention of current members. Even though net gain for new members is down, John emphasized that Rotary is not broken and it is not about the numbers; Rotary Clubs need to focus on the basics – helping others. John closed his remarks suggesting that Clubs commit to providing Service to not only Club members but to their communities as well.

Group Study Exchange – Italy

Buon Giorno – Hello to our friends from Italy! District 5890 welcomes GSE Team Members Anna Maria, Gian Paolo, Alberto and GSE Team Leader Vittorio to our 2007 District Conference. Each Team Member provided their personal background and expressed their appreciation to the District for our hospitality. Team Leader Vittorio emphasized Rotary's motto of Service Above Self and provided examples of such service throughout his distinguished career. District 5890 wishes our friends from Italy a great stay in Texas.

Water - El Salvador and Tampico

Bill Davis provided details on the water well project in El Salvador; the initial grant money was provided by the Highland Rotary Club with funding provided by three other organizations. Due to the expense of the project, an additional \$10,000 was raised in order to complete this very important water project. Jim Moers also provided details on the water project in Tampico.

– Casa de los Ninos Barbara Bush

This project was started three years ago with a Blane Grant with the coordination and direction of PDG D'Lisa Simmons. This project is a unique blend of partnerships with public health organizations and school projects which provide the opportunity for women to earn an income as well as providing pediatric exam room at the clinic

(Continued on page 3)

(Continued from page 2)

District Literacy Award

Lynn Miller announced the Club winners for the District Literacy Awards. Organizations which accomplished 5 out of 14 literacy activities included: Baytown, Bellaire SW, Interact Club 5690, Kingwood, West Columbia and West Houston. Four Clubs which accomplished 10 out of 14 literacy activities included: Brazosport, Seabrook, University Area and La Porte. CONGRATULATIONS!

Philippine Literacy Project

Lucy Pendon provided details on the Philippine Literacy Project and identified the sources of funding which ensured the successful completion of this project. Lucy expressed her heart-felt thanks for those directly involved in the project as well as to those who provided the necessary funding and support. Thank you Brazosport for Leading the Way!

Group Study Exchange – Turkey

Merhaba – Hello to our friends from Turkey! District 5890 welcomes GSE Team Members Ipek, Zeynep, Ozgur and Serkan and GSE Team Leader Asli to our 2007 District Conference. The Turkey GSE Team provided a unique presentation on Istanbul, Rotary District 2420. Information and beautiful pictures of Istanbul provided Conference attendees a first hand look at a very important city of cultural and historic significance. District 5890 also wishes our friends from Turkey a great stay in Texas.

The Impact of Literacy – World Peace Scholar

World Peace Scholar Francesca Giovannini was the keynote speaker at Friday's Conference Lunch. She currently attends the University of California, Berkley and is working towards a profession in crises intervention. She emphasized that Rotarians, through their involvement worldwide, are "giving peace a chance." Francesca noted that peace without understanding is not possible. However, Rotary programs are underscored by serving others and Rotary sets the example of what can be achieved. Supporting Peace Scholars is one example of Rotary that translates into furthering world peace. Thank you Francesca for sharing your story!

Saturday

Update on the Refugio Infantil Project

Thank you Rotarians for your generous support for this special project in Puerto Vallarta – home for abandoned children. Total contributions as of Saturday 12 Noon is \$1,100 – THANK YOU Conference Attendees.

Group Study Exchange – South Africa

Mike Denard, former Team Leader for the South Africa out-bound team provided an insight into the great advantages of becoming involved in either the outbound or inbound teams. Now is the time to get involved with these programs as there is a long lead time for these

experiences. Mike thanked Bill and Janie Danze and Lisa Bunse for their hard work as co-chairs for the District GSE Program.

Nicaragua Now

Jim Keit provided pictures of projects in Nicaragua and stressed the importance of Rotary getting involved with projects which assist those in Nicaragua to become self-sufficient. The reason Rotary is in Nicaragua is to break the cycle of poverty through education. The children involved with the educational programs attend school, are served hot meals and are provided uniforms; there are over 2,000 children benefiting from this program. Jim challenged the Clubs to get involved as an individual in Nicaragua has promised \$50,000 in matching funds for the school.

Rotary Works – Rotary Community Corps

Showcased at this year's Conference is Rotary Community Corps, an innovative micro enterprise project in a low-income neighborhood of Houston's Historic East End. Participants design and make jewelry in order to earn additional income for their families and raise funds for worthy projects in their community. They are mentored in best business practices and encouraged to adopt values that promote integrity and community service. Sponsored by the Rotary Club of Houston, partners include Amegy Bank and the Community Family Center in the East End. **For additional information, call 713.973.9936 or go to www.rotaryhouston.org.**

Inbound Ambassadorial Scholars

Ambassadorial Scholar, Andreia de Oliveira Mendes, provided great detail on her home country of Brazil. She is attending the University of Houston and is working towards a degree in Masters of Law. Based on this opportunity of being an Ambassadorial Scholar, Andreia has a first hand experience of what Rotary is about. She is thrilled to be part of this experience and expressed her appreciation for this opportunity to be in the U.S.

Veterans Projects

"Veterans are all heroes" quoted Robert Walters from the Sugar Land Rotary Club who provided insight into an annual program that commemorates these heroes. The first year the Sugar Land Club honored these veterans by hosting a veterans program was back in 1995 and 200 veterans attended. This special program has increased to 1,200 attendees in 2005. Thank you Sugar Land Rotary Club for honoring our Heroes every year! In addition, Ami Borovick from the Oyster Creek Rotary Club spoke on another Veterans program honoring Veterans. Not earmarked as a fundraiser but as a celebration to honor those Veterans, Ami provided heartwarming examples.

(Continued on page 4)

(Continued from page 3)

Distinguished Citizens Award

This Award, established by the Houston Rotary Club, raised more than \$500,000 this year which was earmarked for Veteran Programs. Merideth Iler and Michael Barnes provided details on the Home for a Vet Program. Thank you to our Veterans was the theme to the Veterans Home Project. Our Veterans need our help to transition back into our communities – give them the opportunity to serve and for Rotary to become their mentors. There are lots of needs and Rotarians need to embrace our Veteran Heroes.

New Multi-Club Rotary Project Established

District 5890 has established this new project called the Houston Wounded Veteran's Home Project with Mayor White in an effort to provide 15 homes in Houston for our severely wounded veterans from Iraq and Afghanistan. Meredith Iler, Chair of this Project, provided details of the program and had over 50 initial offers for volunteers for this unique and special project – for more information contact Meredith at 281.246.4323 or meredithiler@aol.com

Partnerships

Expanding Your Horizons in Math, Science & Technology is a partnership with Women Making a Difference. There are now 6,000 girls which have been impacted with this initiative – which is a day for girls devoted to fun-filled activities by women role models. This partnership was established to increase the number of women going into the fields of Math, Science & Technology as they are underrepresented in these fields.

Membership

Membership co-chair David Shaw, Sugar Land, provided the latest information on Membership results: Fifteen Clubs met the District Goal of 5 member net gain. The top Clubs with the highest percentage gain were:

1 st Place-Katy 39%	4 th Place-Bear Creek 29%
2 nd Place-West Houston 32%	5 th Place-Richmond 24%
3 rd Place-Palacios 31%	6 th Place- Seally 22%

Thank you Ann Wright, Galleria Area Rotary Club and David Shaw for your efforts in coordinating the District's Net Gain in membership!

Rotaract

Jack Hardin, River Oaks Rotary Club, emphasized that Rotaract is not just College Students! This program is geared towards attracting young people – community based clubs and not just at college campuses. The Rotaract Clubs are important to increase future membership in Rotary Clubs. Rotarians are encouraged to talk to their Club officers and board members to consider establishing a local Rotaract Club.

Success at Work (SAW)

Ronnie Hallenberger, West University Rotary Club, spoke on this literacy program geared to 8th graders. The program is a one-hour, five week course on developing business skills – topics include developing a budget, decide on what type of job is suited for them, interview skills, ethics, interactive sessions and learning about Uncle Sam – paying taxes! This is a great tool for new Rotarian members to get hands on experience on mentoring young students – call Ronnie for more information.

Interact

"If your Club wants to grow, invest in youth" quoted Frank Parilla, La Porte Rotary Club. Frank shared Interact experiences and stressed the need to get kids involved in the many opportunities that Interact offers. Interact kids are a great source for helping Rotary Clubs at their fundraisers – they would love it!

President's Representative – PDG John**Smarge**

John spoke on the relevance of Rotary today and the real reason for being a Rotarian - serving others. It is not the size of the Club that is important; rather it is the impact of each individual ordinary Rotarian that makes the difference. Service Projects in India involving water projects and immunizations were provided as examples of Rotarians serving others. Rotary is the single most charitable organization in the world and it is important that every Rotarian in every Club contribute to the Rotary Foundation in order to continue serving others where the need is the greatest.

Governor's Major District Awards

At the 2007 District Conference in Puerto Vallarta, District Governor recognized a number of clubs and individuals for outstanding achievement during this Rotary year. Chosen as Outstanding Clubs of the year and their Presidents were:

Small Club – Bay City (Janet Dahse)

Medium-Sized Club – West Houston (Joy Neidell)

Large Club – West U (Margit Winstrom-Riley)

Chosen as Outstanding Presidents of the Year were:

Small Club – Terrie Morgan (Pearland)

Medium-Sized Club – Rhonda Walls (Katy)

Large Club – Bill Davis (Humble Intercontinental)

Rotarian of the Year – Alan Wylie (Space Center)

Assistant Governor of the Year – Rebecca Maddux (Harrisburg)

The Governor's Cup (for outstanding service to the Governor and the district):

Club – Space Center

Individual – Bill Haglund (Memorial-Spring Branch)

Congratulations to each of these clubs and individuals for their recognition!!!

Let's Celebrate!

The Rotary Grove Centennial Project Committee is proud to announce that the Rotary Clubs of District 5890 have exceeded its goal of raising \$100,000 to fund Phase One of the Rotary Grove Project in Hermann Park.

Thanks to recent, generous donations from multiple donors and the family in memory of Arthur Schwarz, longtime Rotarian leader in the Houston club, we have exceeded our goal.

Twelve District 5890 Clubs were major financial contributors to this project as were a number of individual Rotarians. In addition, more than 100 Rotarians, their families, Interactors, Rotaractors, and Youth Exchange Students have joined together with their Family of Rotary in service and fellowship at one or more of the spring Family of Rotary/Rotary Grove Work Days.

Special thanks go to our Rotary Grove Centennial Project leaders: Bob Sides (River Oaks), Ann Wright (Galleria) & Steve Sucher (Houston).

District Membership Growth

District 5890 is indeed growing. As of April 10th, our district has netted 103 members.....and **it's not over yet.** We have the remainder of May and June to continue growing membership for this Rotary year. DG Suzi has two outstanding silver cup trophies that she is looking forward to presenting (based on net growth figures from July 1, 2006 through June 30, 2007).....one to the club with the **TOP % NET GROWTH** and the other to the club with the **TOP NET GROWTH.** There's more.....the individual Rotarian that sponsors the most new Rotarians (**TOP SPONSOR**) will be presented a trophy, as well as a Paul Harris Fellow.

Again, congratulations to the clubs and individuals recognized at District Conference for a job well done. The following recognitions were based on statistics from July 1, 2006, through April 10, 2007.

Top Percentage Net Growth Clubs

Katy	39%
West Houston	32%
Palacios	31%
Bear Crk-Coprld	29%
Richmond	24%
Sealy	22%

Top Net Growth Clubs (who attained the District Goal of 5 net new members)

Richmond	14
Humble Intercontinental	13
Katy	10
Brazosport	9
Harrisburg	7
Pasadena	7
Seabrook	7
Sealy	7
Tomball	7
West Houston	6
North Shore	6
Mem.-Spring Branch	5
Palacios	5
Washington County	5
West U	5

Top Sponsors, who recruited at least 3 members:

Vicki Brenton	Houston	10
Peter Maffit	Houston	5
Steve Thomas	Pasadena	5
Fred Draper	Pasadena South	5
Barbara Franklin	Brazosport	4
Kevin Baker	Brazosport	4
Andy Szabo	Humble Intercont.	4
Yeshim Youter	Houston	4
Brad Stavinoha	Rosenberg	3

THANK YOU DISTRICT 5890 CLUBS FOR GROWING MEMBERSHIP!

(Continued from page 1)

and host counselor for the Rotary Foundation Ambassadorial Scholarships Committee, as sponsor of numerous matching grants, and as the recipient of an Individual Grant to review Thailand's tsunami area for vocational and educational projects.

As District Governor, D'Lisa created the Paul Harris Society in our district and was a founding member, with over 50 members chartered during that year. She also created the SuperStar Committee, to encourage significant contributions to the Rotary Foundation and is a major Donor to the Foundation.

Sincere District 5890 congratulations to three dedicated Rotarians!!!

Kingwood Rotary Paints Pinkies Purple

For just one dollar, students and staff at Park Lakes Elementary joined the fight against polio as they got their pinkies finger-painted purple.

They joined the Purple Pinkie Project along with members of the Kingwood Rotary and Quest High School Interact Club by donating money to help children in other countries receive the oral polio vaccine.

The event took place inside of the school's cafeteria. "For every dollar that the children donated, it helped at least two other children in other countries. The students at Park Lakes Elementary did not receive the vaccine, they just had their pinkies painted purple or received a piece of purple yarn that was tied around their wrist by Quest High School students. The purple served as a reminder for them of their effort to help protect other children against the virus," said Tommie Buscemi with the Kingwood Rotary Club.

The color purple that was painted or tied on the students is very similar to what impoverished children receive after they get the polio vaccine.

Each year, millions of Rotary International members participate in the National Immunization Day in which they go into the villages where it is needed and distribute the oral vaccine. Once a child has received it, their pinkie is painted with a gentian violet dye that lasts for at least three days so a volunteer can recognize who received the medicine to prevent double dosage.

"Being involved in this effort gives our students an opportunity at an early age to help others in some way. It teaches them compassion for others and no matter what is going on at home there is always someone else who will need their help. We are just glad to be a part of this program," said Sarah Ballard, principal of Park Lakes Elementary.

This is not Kingwood Rotary's first time going into a school looking for donations. In the past, they have partnered with Bear Branch Elementary, Woodland Hills Elementary and other schools. Through the efforts of the students and staff at Park Lakes, they were able to raise \$255. All money raised will be donated to the Rotary International's PolioPlus program, in which \$600 million has been raised.

"It costs 60 cents for each child to receive the vaccine so with every dollar, they helped two children. When we started, polio existed in 125 countries but today it still exists in four of them," Buscemi said.

The virus is still affecting children's lives in Pakistan, Afghanistan, India and Nigeria. The goal in 1985 was to completely eliminate polio from the world by Rotary's 100th anniversary in 2005; however, it is two years past the goal date, but the end is in sight.
