

SPACE CENTER ROTARY -

MAKING A DIFFERENCE

by Tom Wier

TO EACH HIS OWN

We can't all be a Floyd Boze in our service to Rotary. After all he got a forty year perfect attendance jump on most of us--past District Governor and all that. We can't all attend Rotary meetings somewhere every day of the week. But there is still a lot of room for us to make a difference to our club and our community. Each of us can use what we're good at for the benefit of others. Let me illustrate with a few examples. (Lord knows there are lots more!)

Bob Wren, a past president of our club, has applied his skill at organizing and planning to a whole host of the projects of the club and the district and he is currently heading the long range planning committee for the club. For Bob the various 7 AM meetings come around with great frequency.

Al Ligrani, a past president and past director, is our "Mr. Gentle Touch" personified. He somehow adds an intelligent soothing action to projects that he participates in.

Vic Maria is our "Mr. I Care", bringing compassion and leadership to projects involving feeding the hungry, helping the homeless, battling drug use and crime.

John Francis, that tower of communicating skill and analytical ability, has brought those skills and abilities to so many projects that we owe him a special thanks.

Steve Waldner has a special ability to understand the needs of the elderly and the poor and he constantly involves himself in such projects.

THINK OF WHAT YOU HAVE TO GIVE TO SOMEONE ELSE. THERE IS SURELY AN ACTIVITY IN SPACE CENTER ROTARY TO APPLY IT. PLEASE SEEK IT.

The "Make-A Difference Hot Line" is ringing! Will You answer it? --
