

LETTER I

ROTARY CLUB of RIVER OAKS

BRIAR CLUB BUILDING • 3637 WESTHEIMER

HOUSTON, TEXAS 77027

September 1, 1971

Dear Fellow Rotarians:

Here is the first letter from our Group Study Exchange Team in Australia's District 275. You may want to use it to make a spot announcement at your next club meeting, as was suggested at the District Assembly.

This exchange is a wonderful project, and I am sure we all feel proud and a bit jealous of those who went to Australia.

You will note that the Rotary Foundation Committee and the World Community Service Committee have pooled their resources in distributing the six reports for the exchange team. This time, only the Club Presidents were on the list; but we would like to add your International Service Directors and/or Chairmen as well. Would you please mail their addresses and telephone numbers, if you have not already done so.

Yours Sincerely,

Joost Hudig
