

November 15, 1971

Mr. David R. Sincox
2207 Monterrey
League City, Texas 77573

Dear David:

Congratulations to you on becoming a Rotarian!

As mentioned, you will be temporarily assigned to the Fellowship Committee which is under the chairmanship of General Hoff. Serving on this committee will give you the opportunity to meet many of your fellow Rotarians. After you receive your permanent Rotary badge, you will be assigned to another committee on a permanent basis for the remainder of the year 1971-72.

David, we are very pleased to have you in the Space Center Rotary Club. In order that you may receive the maximum benefits from Rotary, it is extremely important that you become involved in Rotary work. Enclosed is a copy of the various committees which are functioning. Please indicate to me any two of the committees which particularly interest you.

All of us in the club anticipate working with you in Space Center Rotary.

Best regards,

Robert K. Scott
President
