**Dear Bob:**

We really did have a wonderful District Assembly. I sure hate that you couldn't make it. As incoming President I know you would have gotten a lot out of it, and would have enjoyed it also.

I believe all but nine of the Presidents were there. Maybe we can get together and go over some of the things you missed.

I am enclosing a schedule of my club visits. I hope this will be satisfactory to you and your club as I am getting out a district roster, that will show the official visits, along with your officers and their addresses. I want it correct.

I look forward to my club visit with you. I am planning my visits to meet with the secretary and president the night before your club meeting, and then meet with the club the next day at your regular meeting. I feel this way I can be of more service to you and your club.

I plan to bring my Rotary Ann Grace with me.

I would also like to be put on your bulletin mailing list, and would like your bulletin editors name and address, so I can put him on my Governors letter mailing list.
