

## SPACE CENTER ROTARY CLUB

POST OFFICE BOX 58862  
HOUSTON, TEXAS 77058

January 18, 1972

Fellow Rotarian:

Here is your opportunity to bring Rotary and Rotarians into your home during the 1972 Rotary International Convention. Entertain foreign and U. S. Rotarians for dinner and an evening of Rotary Fellowship on Monday, June 12, 1972. This will be your party and your night to shine as genial hosts.

The Host Committee for the Rotary International Convention wants to provide each Rotarian and his wife the opportunity of being entertained in the home of a Houston Area Rotarian. All Clubs in District 589 are participating in this effort, but our Club must come through to help assure its success.

"Home Hospitality Night" has been the highlight of past conventions. It is truly Rotary in action, a ready-made opportunity for international fellowship. Friendships made on these occasions have often resulted in continuing contacts and rewarding visits. You, yourselves, may have been guests on one of these memorable occasions. Now you can be the hosts.

You can choose the number of guests you wish to entertain. A committee plans to assign that number to you from the list of Convention Registrants and to notify you of their names and addresses. You may choose to send them a note of welcome prior to their departure for Houston. You will be responsible for transporting your guests to your home, providing the meal, and returning them to their hotel or motel. The committee will attempt to simplify this problem by selecting all your guests from the same hotel or motel.

We need your response now to get a head start on the volume of clerical work that HOME HOSPITALITY NIGHT entails. Please fill out the enclosed form and return it to Martin Gracey or Bill Petynia as soon as possible. Our forms must be forwarded to the Home Hospitality Chairman in Houston by February 1, 1972.

Let's show how hospitable Space Center Rotarians really are.

Sincerely,

A handwritten signature in cursive script that reads "Bill Petynia".
