Dear Ellis:

I truly appreciate your nice letter of November 30, and those very nice comments about our Rotary bulletin which you receive each week. You state in your third paragraph that you gather I am on very good terms with our District Governor Ernest Upham. You gather right! Until such time I hear from him to the contrary, you had better believe I am going to do everything possible to stay on his good and right side.

I am taking the liberty of sending Gov. Upham a copy of your letter so that he might follow through on your request. I am also sending Al Busse in Houston a copy of your letter for any action he might like to take. Al is the Executive Chairman of the Convention Committee and is ramroding the whole thing. I highly recommend you attempt to have Al visit your Club in the very near future and give his 20-minute convention talk. You will not be disappointed, believe me.

It was good hearing from you and I do hope you will get down this way some time soon and visit with me. Last week one of your members visited our Rotary Club — Paul Strader. I am sure the Blastoff will indicate this when it comes out tomorrow.

Sincerely yours,

Gene Lindquist
