January 20, 1972

Mr. Bob Scott  
Space City Rotary Club  
Houston, Texas 77058

Dear Bob:

With the increased cost of food today and the increased cost of labor involved for service, we find that a minimum cost of \$3.00 including tax and gratuity is necessary revenue for the hotel to serve Rotary. This will go in effect at your first February meeting, which will be February 7, 1972. Right now you're paying \$2.50 and our regular buffet is \$3.00. As of February 1, our regular buffet price will be \$3.50, so you're still getting yours at a lower price.

If you have any questions, please call me.

Sincerely,

Clementine Reel  
Sales Director
