The Space Center Rotary Club annually sponsors a Shrimporee and Auction. Our objective is to raise funds to support local area activities, charities and youth programs. Our Third Annual Shrimporee will be held this year on September 18, from 3 to 8 P.M. at the Galveston County Park, Highway 3, in League City.

Each year a principal beneficiary is designated by our Club. This year's beneficiary will be the Ed White Memorial Youth Center in Seabrook. Attached is a list of all the activities currently being sponsored by the Space Center Rotary Club. Organizations that have been principal beneficiaries in past years are also indicated. As will be noted, our support goes to a variety of local activities with emphasis placed on the youth of the area.

The Space Center Rotary Club, in sponsoring these activities, underwrites the entire affair, does all the planning - and all the work. with a tremendous assist from the wives of Club members. Rotarians contact local merchants and other civic-minded individuals who contribute hundreds of valuable items which are auctioned off. We also prepare and serve enough shrimp, fish, and all the fixin's to satisfy the hungry mobs who attend these events.

The residents of the Clear Lake area, both adults and teen-agers, trade with the many merchants of the Alameda Mall complex. They will join with Rotarians in saying thanks if you, as one of their merchants, would contribute an AUCTION ITEM for this year's Shrimporee. Your Firm would be recognized and credited in the three local newspapers and would be mentioned numerous times by the auctioneers.

We seek your support for the first time.

Most sincerely,
