Dear Ellis,

Glad to get your letter and to know we will be seeing you and Janette in Houston on October 5th. I do not know at which hotel we will be quartered but will certainly be looking for you.

Yes I was retired from both the banks in Houston and after a few months of loafing we moved back to Tennessee. Our daughter lives here but it was a little late for us to enjoy the childhood of our grandchildren as they were about grown. Her youngest is a senior in high school this year. We have enjoyed living here however as we are active in our church, Rotary, Chamber of Commerce and a social club and community concerts. We purchased a four unit apartment and I worked on it for about two years the this Credit Union offered me a part time job with easy hours and satisfactory pay and here I am working 5 days per week. It gets me out from under Eleanor's nose and she is free to dig in the flowers or gossip and she enjoys both.

Your address sounds wonderful. I have never heard anyone say they did not enjoy Austin. We always enjoyed visiting there while our son was a student at U of T. Hope we have a chance to visit and catch up on Rotary doings.

Sincerely,

Ivan Ellis Brown
