

2 June 1975

Mr. Roy Pezoldt
President, Space Center Rotary
Nassau Bay Motor Inn
1600 Nasa Blvd 1
Houston, Texas 77058

Dear Mr. Pezoldt and Members:

On behalf of Clear Lake High School and the American Legion Auxiliary, I wish to express a thank you to your organization for sponsoring Miss Prissy Smith to Texas Girls State. It is through organizations like Space Center Rotary that future citizens of our state can participate in citizenship training programs. The Girls State program is a laboratory in Texas government with emphasis on community participation and involvement in local government. Because of your interest in the youth of our community, we are able to send more young ladies to the Texas Girls State Session, which is held in Seguin, at Texas Lutheran College. This program provides an immeasurable amount of knowledge and appreciation of the country in which we live.

It is my hope that upon her return at the end of June, Prissy and I might visit you and report back to you on the Girls State Session. Again, may I express my deepest appreciation for your interest in the Girls State program.

Sincerely,

Mary Ellen Trahan
