On behalf of the Board of Directors, I would like to express my appreciation to all the members of Space Center Rotary for your recent contribution and for your continuing interest in and support of the Center.

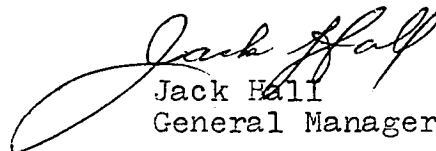

Your check has been deposited in our account for general operating expenses and has provided a much-needed boost to that account. We hope, however, to divert the bulk of your donation to the athletic program during the coming year.

**EX-OFFICIO**

Ralph Freidmann

Please accept our sincere thanks for your generosity and our best wishes for the holiday season.

Most cordially yours,
