December 11, 1981

Manseur A. Jowid, President
Space Center Rotary Club
10623 Diana
Houston, Texas 77062

Dear President Al,

There is no way I can ever express my appreciation to you and to the Space Center Rotary Club for all the wonderful things you have done to support the Governor this year. Your warm reception for Nancy and me at the golf tournament and at the official visit was more than any Governor could expect. Nancy and I will forever be grateful for the help and assistance you have given us.

It was climactic to finish all the official visits to the clubs in the District at my home club. You guys are simply the best!

Again, many thanks for adding an additional meaning to December 7 for us. I would be less than honest if I did not say that truly, December 7, 1981, will be a day we shall never forget.

Thanks a million,

Floyd Boze

Please do not use this space to order materials for the club. Clubs should be encouraged to use the regular order blank. (Note: The thousands of Rotary clubs in the world preclude the possibility of the secretariat writing letters of commendation to club committee chairmen.)

Not at this time - The Club is very supportive of the Governor and I could not ask for more.
