Dear President and Fellow Rotarians,

It is our wish as a newly established Club to establish a link with your Club through an exchange of news and ideas.

We have enclosed a special envelope commemorating our Charter to the body of Rotary International. We hope that you may use this cover in some way to stimulate interest in our Club and also to generate club funds for yourselves.

In return, we would appreciate a gift of a doll (poup  t) dressed in your area, provincial or national costume. We then intend holding an exhibition of dolls to help promote the aims and objects of Rotary in the world community.

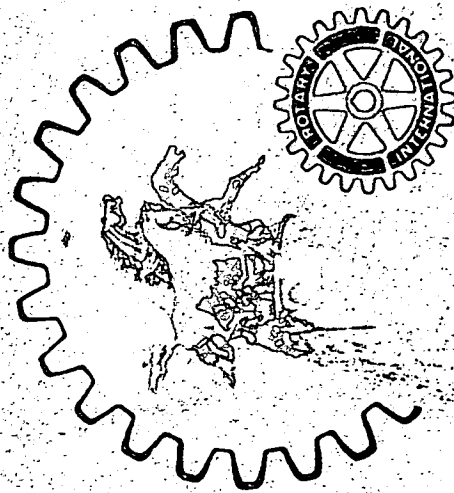

We would also like to correspond with your Club to stimulate an exchange of news and ideas. For your information we have over 90 members who can collectively communicate in ENGLISH, AFRIKAANS, URDU, ZULU, SOTHO, XHOSA, GERMAN, ITALIAN, FRENCH, GREEK, SPANISH, PORTUGUESE, HEBREW and CHINESE.

Yours sincerely in Rotary
