Dear Chuck:

Sue and I thoroughly enjoyed our visit to the Space Center club. The involvement of your committee chairmen and other members of the club will without doubt make your club one of the best in the District again this year. The projects you have planned are excellent, and I'm sure through them, the club will good fellowship.

Perhaps the thing that the club needs is a major project that is identifiable in the community, and it looks as though you may have several things going that will succeed in bringing that about.

I want to compliment you and Charles, and the other directors and chairman on the fine presentations at the assembly and on the fine organization. We sincerely want to thank you and Marge for all you did to make our stay such a pleasure, and thanks again for the beautiful model of the Columbia.

Best of luck to you for a banner year as President. Let me know if I am able to help in any way during the year.

Yours in Rotary Service
