

FINAL REPORT
SPACE CENTER ROTARY CLUB
NINTH ANNUAL BENEFIT AUCTION AND SHRIMPOREE
HELD
SEPTEMBER 18, 1982 AT GALVESTON COUNTY PARK
LEAGUE CITY, TEXAS

Prepared by

Jack Eggleston
General Chairman

43-50 Cant-Tall

December 14, 1982

1.0 SUMMARY

The 1982 Shrimporee and Benefit Auction was held at Galveston County Park at League City on Saturday September 18. (Backup date was Oct 2). The weather was clear and hot. Very hot. Fried fish, boiled shrimp, cole slaw and beans were served with the meal ticket. Cakes, cookies, soft drinks, beer, wine and ice cream were sold a-la-carte.

For the first time we used (1) self service food lines which were (2) outside of the cook shed (3) with no refills. A Rotarian collected food tickets at the head of each line. This arrangement provided an accurate count of plates served:

Adults 2180

Children 337 (including scouts from HCYV)

Total 2517

This was not the largest turn out but profits from the auction were the largest ever and the net profits from all activities was the second largest of the nine events held to date. Over \$18,000 was turned over to the Treasurer as net profit.

An additional \$1300 of profit was spent on "new" items: 2 used fish fryers for \$750, a liability insurance policy for \$192 and a storage shed rented for one year (until September 23, 1983) for \$360. In subsequent sections these items will be discussed in more detail.

The principle beneficiary of this years proceeds was "Meals on Wheels" In November, a check for \$5,000.00 was presented to them.

All of the committee chairmen did an excellent job and their final reports are presented in subsequent sections of this report.

2.0 CORRESPONDENCE AND SCHEDULES

A copy of my correspondence and schedules is attached as an appendix to this report.

This park should be reserved on the first working day in January by calling the Parks Board at 762-8621, X-412 and ask for Linda. That is a Galveston number. You can also reach that extension by a local call to the North Annex: 337-2575, or 534-2531..

3.0 FOOD COST ANALYSIS

Since this year we allowed only one serving per ticket and collected tickets at the head of the food line, we know exactly (for the first time) how many people were served. We can divide this number into the cost of each item and determine the per person cost of that item.

The results are shown below. It may be seen that shrimp was the most expensive item, costing us \$4.36 per serving and beans were the cheapest at 0.10 per person served.

The total direct expense of the food service was \$6.62 per person. If we calculate the income from only the tickets used and subtract the total food cost from the ticket income, we show a net profit of \$254. If we charge food service with the cost of the tickets we show a small net loss.

FOOD COSTS (FOR 2517 SERVINGS)

Fish	1500 lbs fish @ 2.12	= 3180	
	Fish frying expense	= 757	
		<u>\$ 3937</u>	$\div 2517 = 1.56$
Shrimp	3000 lbs @ 3.50	= 10,500	
	100 lbs @ 3.85	= 385	
	Shrimp boil expense	= 89	
		<u>\$10,974</u>	$\div 2517 = 4.56$
Beans	Sysco	250	
	Bean prep expense	7	
		<u>\$ 257</u>	$\div 2517 = 0.10$
Cole Slaw		\$ 544	$\div 2517 = 0.22$
Condiments		\$ 428	$\div 2517 = 0.17$
Food Service		525	$\div 2517 = 0.21$
Total direct expense		<u>\$16,665</u>	$\div 2517 = 6.62$ per person
<hr/>			
Ticket income	2180 @ \$7	= \$ 15,260	
	337 @ \$4	= 1,348	
+ gate sales (387 - 76) @ \$1		= 311	
		<u>\$ 16,919</u>	
- Total direct expense of food		(16,665)	
	Profit:	\$ 254	
- Cost of tickets		(291)	
	Loss	<u>(37)</u>	

Why then do we show a food service profit of over \$3,000 in the treasurer's report? The profit comes from tickets sold but not used.

The data comes from the reports of the treasurer, Aaron Schein and the ticket sales chairman, Bob Mitchell. If you examine these reports you will find that we really cut down in costs this year in the ticket and food service expenses. Even so we only broke even on food. No profit. The cost and consumption of shrimp was a big factor.

4.0. OBSERVATIONS AND RECOMMENDATIONS

- 4.1 Clean up: Every year we schedule members for cleanup and every year only one out of three are there when we need them. Too much beer is one of the reasons. Those who are left to clean up are usually committee chairmen who are so tired they can hardly walk. This year, in the food shed, the Shrimp Committee cleaned up their end. Everyone else left their mess and unused supplies and went home. We were able to persuade the Boy Scouts to sweep and hose down but it was still marginal. Eagle Stores had the food pavillion reserved for the next day (Sunday). They came in at 7:00 a.m. and again swept and hosed down. We didn't lose our deposit but it was close.

Many members believe the site prep and parking committee are responsible for all clean-up. We doubled the size of that committee this year. At 7:00 a.m. only the chairman was there. In short this assumption doesn't work. The only system that has ever worked is that each committee clean up it's own area. I did not emphasize that point in 1982 and it was a mistake.

The same thing happened on Logistics. At 7:00 p.m. only 2 people on that committee were left. No one was there to help load the vans with the unused supplies, fish thawing racks, the dirty utensils, and the 101 item to go back to storage. We had to leave all of the Rotary chairs and all the food service lumber. The lumber was stolen over night. (the food service committee did disassemble the food service rain cover and clean up that area).

The logistics committee is responsible for transporting the equipment to be stored to the shed and unloading it. They also must return all of the utensils and equipment borrowed from the school district. This process doesn't start until about an hour after food service ends - that means 7:00 p.m. It is unrealistic to expect 2 people who have been working since 6 a.m. to assemble everyone's leftover supplies and equipment and then do their assigned task. Furthermore, cleanup can't start until all of the supplies are out of the cook shack.

In summary, getting their left-over equipment to the logistics van and cleaning up their area is the responsibility of each committee and arrangements for doing this must be the responsibility of each committee chairman.

The shrimp prep committee does this task very well. So does the cake/cookie committee and drink committee and the drink committee (however, only the chairman was left to store the soft drink trailer). Next year it should be planned function of every committee.

- 4.2 Access to the Reserved Parking Area: Due to a misunderstanding there was no control to parking around the food service area until after 11:00 a.m. Then it was too late. Most workers were too busy to move their cars.

In 1983, access control should start by 7:30 a.m. In the morning Rotary Members who need to unload equipment should be allowed to enter the area long enough to do so but then move their car out to the road. After noon, only those with parking passes are allowed into the area (and handicapped into special areas). This control is needed.

- 4.3 Controlling the Rate of Fish Cooking: I have been told that four and five years ago we could start at 10:00 a.m. cooking fish as fast as possible and still almost run out of cooked fish by 3:00 p.m. The records support this statement, but also point out that only four (4) fish fryers were used at any one time due to power limitations. However we fixed the power limitations and for the past 3 years the reverse has happened. Before food service starts, the oven is half full and by mid-afternoon that oven is completely full and cooked fish is being stored in the second oven. By the time it is served, it tastes like smoked rubber. There has to be a better way to control the cooking rate of fish so that supply equals demand. Maybe going back to four cookers should be considered.

- 4.4 Shrimp Serving: This year we tried a self service food line. It worked fine except with shrimp. Too many people abused the privilege by piling the plate with shrimp. (We can quantify this observation. We bought 2400 pounds of headed shrimp and served 2517 people. Some people did not get shrimp because we ran out at 5:15 p.m. Even so, the average consumption was about a pound per person. Cost of shrimp was \$10,885., that works out to \$4.32 per person served). If we continue self service in 1983, we can prevent this abuse by having a Rotarian serve the shrimp. I would suggest a water tumbler or serving cup for uniformity.

- 4.5 Signs: After the Auction and Shrimporee most of the signs are stored in the storage shed and forgotten until a week before (or the day of) the next Shrimporee. Then we discover they are faded, lost, or broken. Next year I suggest we appoint one person to start preparing all the signs a month or two before the Shrimporee/Auction. For example:

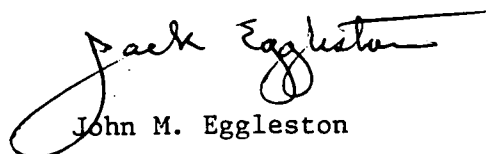

Large sign in front of park - Larry Rowe stores this one
Sign for ticket sales - Bill Webb has it
2 signs for cars to be auctioned - Bill Webb
Food Service Signs
Drink Signs
Cake and cookie Signs
Condiment Signs

- 4.6 Car roof racks for signs: We have only one roof rack that Joe Shirley donated. It did not fit either car this year but it may fit one next year. This year Bill Webb loaned us his rack for one car and built a wooden rack for the other car. If we plan to auction cars in 1983, preparation for mounting signs on the roof of the cars should be made before the cars are donated.
- 4.7 Motor Scooters: For several years now we have auctioned motor scooters on consignment. The profit spread between the consignment price and the sales price has been negligible (consistently). Consideration should be given to discontinuing this item.
- 4.8 Fish Frying Oil: This year it cost us \$413 for peanut oil to fry fish. We threw away good oil because it was filled with bread crumbs. Next year we should buy strainers which fit over a bucket and strain the oil. A plan and equipment for doing this should be developed before hand.
- 4.9 Borrowing Equipment from C.C.I.S.D.: After 9 years we may have worn out our welcome at C.C.I.S.D. Most of the equipment we borrow each year can be bought; some disposable, some reusable. The 1982 Logistics committee has some good recommendations in their report on this subject. In 1982 (as in prior years) we paid employees at C.C.I.S.D. to work on Sunday and wash our dirty utensils. (The Logistics chairman delivers the utensils at 9:00 a.m. on Sunday and delivers a check to them after Rotary on Monday. If you want to use their utensils, you play the game by their rules)!. If we buy our own utensils, who will wash them? when? Also the two big racks for trays for fish thawing is also a problem here. Needs our attention.
- 4.10 Garbage Dumpsters: The one free dumpster from DisposeAll was a disaster (see site prep report). If we can do it, I recommend dealing with another source or buy a service. Try Bob Drenth at Best Waste Systems (337-2513). They gave excellent service in past years.
- 4.11 Fish and Shrimp Procurement: These were two committees in 1982. Previously they had been 2 functions under one committee. I recommend we return to one committee. Storage of the frozen fish and frozen shrimp have become a significant problem. It should be addressed early in 1983 and a plan developed.
- 4.12 Ice Cream: This year we sold ice cream a-la-carte. It went well with the kids. No big profit maker at 12.5 cents profit per item. However, after the event we had to store the freezer and unsold ice cream until it could be picked up on Monday. We lost most of our ice cream and profit to thieves on Saturday night after we locked up. Unless we can prevent this condition in 1983, I suggest we discontinue ice-cream.

- 4.13 Accident Liability Insurance: We bought a one-day personal liability policy for just under \$200. It does not cover Rotarians, product liability (e.g. food poisoning) or liquor liability (e.g. accidents due to excessive drinking) Graydon Strickland (Hall's insurance) handled the policy. This is the first year we have purchased any insurance. We could spend \$500 on insurance if we wanted to. I'm not sure it is worth it. I suggest we ask one of the Rotary Members of the legal profession to research it and make recommendations. As a non-profit corporation are we, as Rotary members, liable beyond the net worth of the corporation? What is that net worth? Should we continue some insurance for "good will"? If you want it, Aaren Schein has the copy of this year's policy.
- 4.14 Rented Storage Shed: For years we have stored our equipment in Ken Kaye's shed. Each year the stock grew in size. In 1978 we acquired 200 chairs from the C.C.I.S.D. which we have stored year round in Billy Wiseman's storage shed. Each year both Billy and Ken suggest we might like to find another place to store our equipment after the Shrimporee. In my opinion we have imposed on them too long. So this year, after the Shrimporee I located a dry and relatively inexpensive storage shed and we moved everything into it. It is located west of the Baybrook Mall at 2015 Bay Area Blvd. A copy of the lease agreement is attached. The rent is paid until September 23, 1983. However, the last month's rent is also the deposit.
- 4.15 Fish Fryers: Just prior to the Shrimporee and Auction, I requested and received Board approval to purchase two used fish fryers for \$750.00. Al Jawid made the arrangements and picked up the fryers. At the Shrimporee only one of them worked, so Al returned them for warranty repair and then delivered them to Jim Wyatt (H.L. & P) for check-out. In November, Jim stored all of the fryers(now 3) and the transformer board in our storage shed on Bay Area. A copy of the sales invoice is attached.

5.0 CONCLUSION

I appreciate the hard work put in by many members and their wives. I was fortunate in having many excellent committee chairmen and excellent (if you like it hot) weather. I have stored this event in my memory along with the memory of my two years in the U.S. Marine Corp.

John M. Eggleston

HOUSTON, TEXAS 77058

24 September 1982

TO: Each Committee Chairman

FROM: Jack Eggleston, General Chairman

SUBJECT: Final Report (Written) and Debrief (With beer)

1. While it is fresh in your mind, please submit to me a written report (preferably typed) on the following:
 - a. What we did this year that worked well.
 - b. What we did this year that should be done differently next year.
 - c. How you did your job (so next year's Chairman of your committee will have a roadmap on how to do the job).
 - d. Any statistics that will help us evaluate the results.
 - e. A financial statement listing all expenses incurred by your committee.
 - f. A list of non-Rotary contacts, by name and telephone number. By "contact", I mean those non-Rotary people who provided goods or services to your committee.
 - g. A copy of your schedule for things that had to be done before and after the Shrimporee/Auction.

I would like this report by October 15, 1982.

2. To each and every one of you, I want to convey how much I appreciate all the support you gave me. It was YOU that made this year's Shrimporee a financial and social success. You did a great job!
3. On Tuesday, October 5, 1982, we will have a little party at the Budweiser Hospitality Room in Galveston, 6702 Broadway, from 6:00 P.M. to 9:00 P.M. We will meet to carpool from the King's Inn at 5:30 P.M. Jim Shows will provide the maps. The Long Range Planning Group will join us for a discussion of future plans.

Dear Ken

For at least five years ~~now~~ you have graciously allowed the Space Center Rotary Club to use your storage shed. I know that, on many occasions, this consideration must have been an inconvenience to you. Your kindness has not gone unnoticed. Each year, our supplies have grown, rather than diminish, and we became more concerned with this growth. This year we finally rented a storage shed and moved out all (I hope) ^{of} the Shrimporee equipment. On behalf of the Space Center Rotary, I want you to know how much we have appreciated your kindness and patience. If your schedule allows, we would ^{like} ~~like~~ to have you join us for lunch, as our guest, so that we can publically acknowledge this contribution. I will call you and arrange a date at your convenience.

Sincerely,

CAJ

Houston, Texas 77002

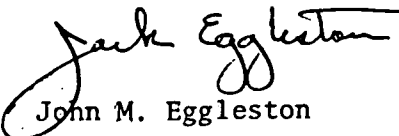

Dear Jim:

As a Rotarian and Chairman of this year's Shrimporee, I appreciate the time and effort you devoted to our Charity Auction. Never have I seen a man work so hard on so hot a day, and with such great success!

This year the Auction provided gross receipts of about \$23,000.00, of which we will have available for local charity about \$17,000.00. From the overall Shrimporee we will net something close to \$20,000.00.

We owe you and your two assistants a debt of gratitude for a superb job. Please convey to Steve Phelps and Jack Rodriguez our special thanks for contributing their Saturday afternoon and evening to help us raise money for "Meals On Wheels" and the many other activities we support in the Clear Lake Area.

Best Wishes,

John M. Eggleston

SERVICE ABOVE SELF

SPACE CENTER ROTARY CLUB

POST OFFICE BOX 58862
HOUSTON, TEXAS 77058

September 27, 1982

Dr. Rex. M. Strader, M.D.,
18100 Nassau Bay Dr. Apt 135
Houston, Texas 77058

Dear Honorary Member, Dr. Strader:

I take special note of a very substantial cash contribution you recently made to our Rotary Club to be used for the club's charity programs. As you requested of Gene Lindquist, your contribution was to be directed toward giving the youth of our local Village Youth Center a 'Shrimporee Holiday' and also toward helping out with the "Meals on Wheels" program for the handicapped and elderly.

When final results of our 9th annual SHRIMPOREE/BENEFIT AUCTION are released, you will learn of same when you receive your regular issue of our club bulletin - The Blastoff.

In behalf of the club's membership, I send you this letter expressing our sincerest THANKS.

Sincerely yours

AS/ms

Aaron Schein,
Shrimporee Treasurer

PS: Do try to pay us a luncheon-meeting visit real soon.

September 27, 1982

Mr. Alvin Deas, Project Manager,
Omega Services, Inc.,
P. O. Box 58422,
Houston, Texas 77058

Dear Mr. Deas:

I take special note of your firm's most outstanding financial support of our Rotary Club's 9th annual SHRIMPOREE-BENEFIT AUCTION held this past September 18th.

Your purchase of tickets in the amount of \$266.00 is a most significant contribution. We do hope your employees and staff members used such a fine firm gift by being on hand and enjoying the great event with us.

In behalf of our club's membership, I send this letter to you to let you know how very much we appreciate your support and consideration. THANKS so very very much.

Sincerely yours

AS/ms

Aaron Schein,
Shrimporee Treasurer

PS: Gene Lindquist tells me that he has extended you an invitation to be a guest at some early date - a Monday luncheon meeting. Please do come and be with us.

Dear Dr. Kennedy:

I take note of your most outstanding financial support of our Rotary's 9th annual SHRIMPOREE/BENEFIT AUCTION held this past September 18th.

Your purchase of tickets in the amount of \$190.00 is truly a most significant contribution. We truly hope that the recipients of the tickets were on hand for the event and enjoyed the days outing with us.

Gene Lindquist informs me that your contribution is one of continuing support year after year, and that you were a long time member of our club. In behalf of our club's membership, I send you this letter expressing our sincerest thanks, and an invite to visit with us as a guest come a Monday noon in the very near future.

Sincerely yours,

Aaron Schein,

Bay Area Boat & R.V. Storage, 2015 Bay Area Blvd

RENTAL AGREEMENT

Boat Name none Make _____
Motor Number none Make _____
Boat Number none Stall No. 4A

1224

I, John M. Eggleston, hereinafter called tenant, have this date rented the above storage space for the above item(s) from Harold E. Benson hereinafter called landlord. The rental period is for an indefinite term with the rent to be paid monthly in advance. The rental agreement may be terminated by two weeks written notice.

A security deposit equal to one month's rent is required for each stall. This deposit will be returned upon termination if proper notification has been given (two weeks) and the stall is left in good and clean condition.

It is agreed that the landlord, his heirs or assigns is not liable for theft, collision, fire, or damage of any kind which may occur to the above designated boat or any other type of personal property or other boat left on the premise. It is understood between the parties hereto that this transaction and rental agreement does not constitute a bailment.

The landlord is not liable for any bodily injuries, accidents or deaths on said property.

Tenant shall have the use of, and access to the above designated storage space at any time during the period for which his rent has been paid.

As consideration for the use of said storage space, the tenant hereby agrees to pay the sum of \$ 30.00 per month in advance to the landlord, and does hereby grant a special contract lien upon said boat or any other stored property which is hereby given to secure all rentals to become due on said stall.

All rentals shall be payable to: Harold E. Benson
305 N. Shadowbend
Friendswood, Texas 77546

Rent is due on the anniversary date of this lease.

Mr Jack Eggleston, General Chairman
1982 Charity Auction & Shrimporee
c/o SPACE CENTER ROTARY CLUB
P.O. Box 58862
Houston, Texas 77058

Dear Jack:

September 29, 1982

First, may I take this opportunity to thank you for the privilege of allowing me to serve as Chairman of the Publicity Committee for the 1982 Charity Auction & Shrimporee.

I would like to express my personal thanks to my fellow committeemen who did an outstanding job in promoting this years successful event:

Lonnie Clements (Co-Chairman): Lonnie was responsible for the paid advertisements... production and placement with the Daily Citizen, The Exchange News, The League City News, The Pearland Journal..The Friendswood Journal. In addition, Lonnie co-ordinated the placement of the news releases and the local picture taking assignments.

Gene Lindquist: Gene's assignments were the printing and distribution of the bank stuffers and large posters plus obtaining the portable signs for highway use as well as requesting the local banks to "highlight" the Shrimporee on their marquees.

Jerry Pennington: Jerry's prime responsibility was the care and stuffing of "Shrimpee". It was decided by the Publicity Committee to "stuff" Shrimpee and place him (or her) on display at local banks prior to the annual event.

A copy of all correspondence, newspaper advertisements, bank stuffers, posters, marketing plan & proposed budget, public service radio announcements, a list of Houston area radio and television stations who received press releases & public service announcements, is attached for reference and is self-explanatory.

PLANNING: All advertising plans and budgets were adopted approximately 5 weeks prior to the Shrimporee.

PRESS RELEASES: All press releases were distributed, on a once-a-week basis, for approximately 4 weeks up to the Shrimporee date.

PUBLIC SERVICE ANNOUNCEMENTS: PSA's were sent to most Houston Radio and

Television stations to "air" the week of September 12th. Excellent radio response!

Note: Cecil Palmer, a Space Center Rotarian and U.S. Weather Bureau Chief, was asked to notify the Television Weatherman "personalities" in Houston to "plug" the Shrimporee.

NEWS COVERAGE: Our sincerest thanks to the staff of the Lake Publishing Company (Daily Citizen and The Exchange News) and especially Ms. Sarah Hickey for an outstanding job of placing the prepared news releases in their company-owned newspapers as well as covering all aspects of the Shrimporee.

SUPPLEMENT: I had suggested, at the initial meeting of our Committee that a special "supplement" be prepared to be released the week of the Shrimporee. The 1st supplement (we expect this to be an annual part of the publicity program for Shrimporee) was issued with The Exchange News on Thursday September 16th. The supplement was advertiser-supported... covered 8 pages and included articles on Rotary goals (by C. Jacobsen) as well as Shrimporee information and news.

DISCOUNT COUPONS: This year, the Publicity Committee decided to "test" the discount coupon concept... to see if this would attract attention and business. The overall results were somewhat disappointing... with only 26 newspaper coupons redeemed and only 52 bank stuffer notices/discount coupons redeemed. It is recommended that the discount coupon program be continued for 1983.

BUDGET: The Publicity Committee was given a budget of \$3,000.00. The breakdown, is as follows:

<u>ADVERTISING MEDIUM</u>	<u>PROPOSED</u>	<u>ACTUAL</u>
Clear Lake Daily Citizen	\$ 700.70	\$ 700.70
The Exchange News	\$ 617.40	\$ 617.40
Homebuyers Guide	\$ 617.40	\$ 617.40
League City News	\$ 117.00	\$ 143.00
Friendswood Journal	\$ 222.69	\$ 222.69
Pearland Journal	incl.	incl.
<u>SUB-TOTAL</u>	<u>\$2,275.19</u>	<u>\$2,301.19</u>
Bank Stuffers (65,000)	\$ 300.00	\$ 368.45
Posters & Handouts (1,000)	300.00	\$ 243.40
Portable Signs (5)	100.00	\$ 150.00
Contingency	\$ 24.81	
<u>TOTAL</u>	<u>\$3,000.00</u>	<u>\$3,063.04</u>
Credit for Tickets (The Daily Citizen)		-240.00
<u>TOTAL AMOUNT SPENT:</u>		<u>\$2,823.04</u>

Once again, my thanks to all of my committee workers for their outstanding cooperation and to Jack Eggleston, General Chairman, for a great Shrimporee!

Sincerely;

Robert A. Soltys

Fr: Robert A. Soltys, Chairman-Publicity Committee
Re: Publicity Activities

Personnel

Robert A. Soltys, Chairman
Lonnie Clements, Co-Chairman
Gene Lindquist
Jerry Pennington

The first meeting of the Publicity Committee was held on Tuesday June 29, 1982 at the offices of The Exchange/Daily Citizen. In attendance were: Robert A. Soltys; Lonnie Clements; Gene Lindquist and Jerry Pennington.

Assignments:

Robert A. Soltys: Co-ordinate all Publicity Committee activities and maintain active liaison with General Chairman of the 1982 Shrimporee. Establish working assignment and budget. Prepare and mail letter to all 1981 area merchants telling them about the 1982 Shrimporee and plans to include 1982 donors in advertising programs.

Lonnie Clements: Prepare all paid media advertisements for local newspapers (Clear Lake City, League City, Friendswood, Dickinson & Alvin) and radio stations. Forward ads to all media.

Arrange for printing of bank "stuffers" and co-ordinate quantities with Gene Lindquist.

Arrange for Exchange News & Daily Citizen to run a special "Shrimporee" 4 page (minimum) special section during the week of September 12th. Special section will be advertiser-sponsored (at no cost to Rotary) and will include stories on Rotary, Space Center Rotary and will "highlight" the 1982 Charity Auction & Shrimporee.

Gene Lindquist: Make arrangements with local area banks to display Shrimporee date on bank marquees... along with bank "stuffers" in the August, 1982 bank statements.

Will contact local area churches to see if they will include mention of the 1982 Shrimporee in their July, August & September church bulletins

METRO AIRLINES

Page Two

Jerry Pennington: Will check with Baybrook Mall and selected area banks on placing a STUFFED "Shrimpee" on display along with window card announcing date and time of 1982 Shrimporee.

Prepare press releases for local newspapers (submit to Lonnie Clements who will distribute) along with one news article each month for the Rotary "Blast-Off"... deadline dates:

	<u>Issue</u>	<u>Deadline Date</u>
#1	July 26th	July 20th
"	August 9th	August 3rd
#2	August 23rd	August 17th
#3	September 13th	September 7th

Forward releases to: Walt Wicker @ UH/CLC

.....

Summary of Important Dates

<u>L. Clements</u>	<u>Bank Stuffers</u>	To Gene Lindquist no later than July 20th.
<u>G. Lindquist</u>	"	To banks no later than July 25th.
<u>L. Clements</u>	<u>Posters/Handouts</u>	To members at Rotary Meeting of July 19th.
<u>J. Pennington</u>	<u>Press Releases:</u>	One release weekly for distribution (by L. Clements) to area newspapers & radio stations. Begin August 15th thru September 17th.
<u>R. Soltys</u>	<u>Supplement:</u>	Assist staff writer of Exchange News/Daily Citizen in preparation of news stories on Rotary/Space Center Rotary and 1982 Auction/Shrimporee (emphasis on Meals on Meals). Deadline date: September 8th.
<u>L. Clements</u>	<u>Advertising:</u>	Paid ads begin August 12th with large "Thank You" ad for 1981 donors... soliciting their support for 1982 Auction. (Note: Auction collections <u>begin</u> Monday August 16th)

INTER OFFICE MEMORANDUM

TO: Jack Eggleston, Chairman-Shrimporee
FROM: Bob Soltys-Chairman-Publicity
SUBJECT: Advertising & Publicity Progress

DATE: August 12, 1982

A meeting of the Shrimporee Publicity Committee was held on Wednesday August 11, 1982.

The following is the finalized advertising schedule:

August 18th	Large "Thank You" ad showing many of the 1981 donors Clear Lake Citizen... Exchange News... Homebuyers Guide
August 25th	Clear Lake Citizen
26th	Exchange News
28th	Homebuyers Guide
September 1	Clear Lake Citizen & League City News
2	Exchange News
4	Homebuyers Guide
September 8	Clear Lake Citizen & Friendswood Journal
9	Exchange News
11	Homebuyers Guide
12	Clear Lake Citizen (ticket inserts only with news story)
September 15	Clear Lake Citizen (special 4, 8 or 12 page supplement) & Friendswood J
16	Exchange News
18	Homebuyers Guide

Total Budget breakdown:

Clear Lake Citizen:	\$ 700.70	
Exchange News:	617.40	
Homebuyers Guide:	617.40	
League City News:	117.00	
Friendswood Journal:	222.69	Total: \$2,275.19

PUBLICITY

At the next meeting of Rotary (Monday August 16th), Lonnie Clements will prepare

a short "questionnaire" that will be passed out to all attending Rotarians... "What Shrimporee Means To Me". Rotarians will be asked to put down, in just a couple of sentences, their personal thoughts on this fund-raiser and what it means to them as members of the community. Their responses will be used in a series of promotional spots placed throughout the Clear Lake Citizen/Exchange News/Homebuyers Guide/Friendswood & Pearland Journals throughout September.

A special 4, 8 or 12 page Rotary Section Supplement is being planned for the September 15th Clear Lake Citizen. The supplement will be advertiser supported. The advertising solicitation and the news copy is being handled by Lake Publishing (Lonnie Clements). The supplement will feature the 1982 Shrimporee & Charity Auction... the history of Rotary... history of the Space Center Rotary Club... Rotary's civic involvements over the years... and other information that will promote the aims of Rotary. It should be a tremendous boost to the Shrimporee & Charity Auction.

Shrimpee is currently being "stuffed", according to Jerry Pennington, and will begin a "tour" of the Bay Area bank lobbies within the next two weeks... leading up to September 18th.

Bank stuffers have been printed and have been distributed to the area banks.

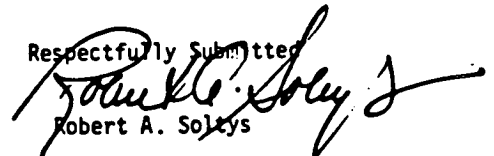

Posters have been printed and are being distributed to members of the Space Center Rotary Club and will be distributed to local food stores and other establishments after Labor Day.

Letters will be sent out to Houston Television "Weathermen" asking them to help us "announce" the Shrimporee & Charity Auction on their TV Weathercasts the week of September 12th.

Public Service Announcements (30 seconds in length) will be prepared and mailed-out to all Houston, Galveston & Friendswood radio stations the week of September 5th. The announcements will be run the week of September 12th.

Marcy Fryday of the Clear Lake Area of Commerce will mention the Charity Auction & Shrimporee in each of her weekly columns beginning the week of August 22nd and continuing thru September 18th. Her column is "Coffee With The Chamber" which appears in many of the Bay Area newspapers.

Respectfully Submitted

Robert A. Soltys

Dear Community Affairs Director;

September 9, 1982

On Saturday September 18, 1982, the Space Center Rotary Club of Clear Lake City will host it's 9th Annual Charity Auction and Shrimporee at the Galveston County Park in League City.

For many years, the "Shrimporee" has been the only major area-wide fund-raising event to support local charitable organizations funded annually by the Space Center Rotary Club. In addition, proceeds from the "Shrimporee" are also made available in the form of scholarships to deserving Bay Area youths continuing their education at home and abroad as well as numerous other civic projects.

This year, the Space Center Rotary Club has selected, as the primary beneficiary... the newly established Bay Area "Meals On Wheels" program... which provides hot, nutritious meals to the homes of the handicapped and house-bound Senior Citizens.

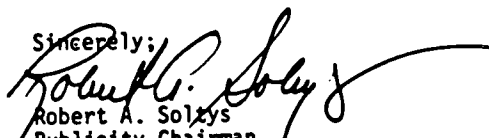

Attached is a "Public Service Announcement" to acquaint your listeners/viewers with the 1982 "Charity Auction & Shrimporee".

We would sincerely appreciate it very much if your station would run this Public Service Announcement during the week of September 13th thru September 18th.

If you have any questions regarding this announcement or our "Shrimporee", please call me at 488-2900 (office).

On behalf of the Space Center Rotary Club, please accept our thanks for your support of this annual event.

Sincerely;

Robert A. Solzys
Publicity Chairman
1982 Charity Auction & Shrimporee

PUBLIC SERVICE ANNOUNCEMENT FOR THE 1982 SPACE CENTER ROTARY CLUB
CHARITY AUCTION & SHRIMPOREE

ANNCR: The Space Center Rotary Club of Clear Lake City will host it's 9th Annual "Charity Auction & Shrimporee" on Saturday September 18th at the Galveston County Park located on Highway 3 in League City. The Shrimporee begins at 1:00pm with delicious fried fish, boiled shrimp with red sauce, beans, slaw and all the trimmin's. Advance purchase meal tickets, which can be obtained from local Bay Area banks or from any Space Center Rotarian are only \$7.00 for adults and \$4.00 for children. Meal tickets purchased at the gate will be \$8.00 for adults and \$5.00 for children. The Charity Auction, which begins at 2:00pm, will feature hundred's of items and services donated by Bay Area Merchants. The primary beneficiary of this years Shrimporee will be the Bay Area "Meals On Wheels" program along with other charitable organizations supported annually by the Space Center Rotary Club. For an afternoon of good food and money saving bargains, plan on attending the Annual Space Center Rotary Club's Charity Auction & Shrimporee on Saturday September 18th at the Galveston County Park... located on Highway 3 in League City.

THE SHRIMPOREE... IT'S A LOT OF WORK... BUT IT'S WORTH IT!

August 23, 1982

From time to time, many Bay Area residents invite a few friends over to the house for a small barbeque... fish fry and good fellowship. Imagine if you will, the hundred's of manhours that are spent each year by members of the Space Center Rotary Club to put on the Annual Charity Auction and Shrimporee. Feeding over 5,000 area residents is not quite as easy as a backyard barbeque or fish fry. But each year, the 130 plus members of the Space Center Rotary Club roll up their sleeves to undertake what has been the Bay Area's major fund-raising event to help establish and support area charitable and civic organizations as well as providing deserving Bay Area high school students with scholarships to continue their education.

This year's Annual Charity Auction & Shrimporee will be held on Saturday September 18th from 1:00pm to 7:00pm at the Galveston County Park located on Highway 3 in League City.

The "highlight" of the annual fund-raising event will be the Charity Auction which will begin at 2:00pm. Hundred's of items donated by Bay Area merchants and businesses will be auctioned off to help support this year's primary beneficiary... the recently established "Meals On Wheels" service which provides area handicapped and elderly persons with "hot meals" brought to their homes. In addition, proceeds from the Charity Auction & Shrimporee will be used to support Bay Area charitable and civic organizations as well as providing scholarships for Bay Area youth.

BAY AREA MERCHANTS SUPPORT THE ANNUAL CHARITY AUCTION & SHRIMPOREE

August 23, 1982

Bill Webb, Auction Committee Chairman of the 1982 Charity Auction & Shrimporee being held at the Galveston County Park on Saturday September 18th, has announced that members of the Space Center Rotary Club are now beginning to contact Bay Area businesses to seek merchandise support for the Charity Auction which is being held in conjunction with the annual Shrimporee.

Now in its 9th year, the Annual Shrimporee & Auction sponsored by the Space Center Rotary Club, has been the Bay Area's largest annual major fund raising event with the proceeds being used to help establish and support Bay Area civic and charitable organizations. The primary beneficiary of the 1982 Charity Auction and Shrimporee will be the recently established Bay Area Meals On Wheels program along with contributions to other area charitable and civic organizations and scholarships to area high school students.

All Bay Area merchants are asked to select an item to give to what has proven to be a most worthwhile cause. Area merchants desiring to donate an item for this worthy local fund-raising event are asked to contact Bill Webb at 474-2391 or any member of the Space Center Rotary Club.

BAY AREA MERCHANTS & BUSINESSES SUPPORT THE 9th ANNUAL CHARITY AUCTION & SHRIMPOREE

September 8, 1982

Each year, Bay Area residents find that one of the best ways to save money in acquiring household items... automotive accessories... lawn and garden equipment... recreational and leisure goods... professional services, to name just a few of the hundred's of items available, is at the Annual Space Center Rotary Club Charity Auction & Shrimporee which will be held on Saturday September 18th at the Galveston County Park located on Highway 3 in League City.

Each year, as they have done for the past 9 years, hundred's of Bay Area Merchants, businessmen and professional service companies, donate hundreds of name brand, top quality "off the shelve" merchandise and services to be auctioned by the Space Center Rotary Club during the Annual Charity Auction & Shrimporee. This year's proceeds from the Charity Auction & Shrimporee will be used to help support the recently established Bay Area "Wheels On Meals" program which provides hot, nutritious meals to handicapped persons and house-bound Senior Citizens throughout the Bay Area. The Charity Auction and Shrimporee also provides funds for many area charitable and civic organizations as well as providing scholarships to deserving area youths.

The 1982 Charity Auction and Shrimporee being held on September 18th looks like it will be one of the best ever Charity Auctions sponsored by the Space Center Rotary Club. Among the early items being donated by Bay Area businesses and merchants are valuable, money-saving gift certificates for goods and services, 2 roundtrip 1st Class airline tickets, courtesy of PAN AM, to either New Orleans

or Las Vegas (accomodations not included), household plants, battery charger, weekend for two at Holiday Inn, "Weedeater", quartz car clock, a beautiful wall mirror, suede jacket, fireplace set, original oil paintings, extend-a=phone, office supplies, hunting rifles, automotive accessories and auto care services, to name just a few of the 53 items donated by Bay Area merchants in the first week of the merchandise "round-up".

For an afternoon of good eating and excellent bargains, you and the entire family won't want to miss the 9th Annual Space Center Rotary Club Charity Auction and Shrimporee being held at the Galveston County Park located on Hwy 3 in League City... Saturday September 18th. The delicious food (boiled shrimp, fish, slaw and beans) will be served between 1:00pm and 7:00pm. ADVANCE MEAL TICKETS for the Shrimporee are only \$7.00 for adults and \$4.00 for children and can be purchased at local banks or from any member of the Space Center Rotary Club... as well as with the Discount Coupons that are appearing in the Exchange News, the Daily Citizen and other area newspapers. Shrimporee Meal Tickets purchased at the gate (without the Discount Coupon) on Saturday September 18th will be \$8.00 for adults and \$5.00 for children. There is no admission charge to attend the Charity Auction. The Charity Auction begins at 2:00pm with hundred's of top quality name brand items being auctioned to support the Bay Area "Meals on Wheels" program, other civic and charitable functions and to provide scholarships for deserving Bay Area youths. Come early... stay late... enjoy an afternoon of good food... money-saving bargains to support worthwhile Bay Area community activities.

- end -

Robert A. Soltys, Publicity Chairman-Shrimporee & Charity Auction
Ph: 488-2900

July 16, 1982

The Mayor, and or
City Administrator
City of Webster, Texas.

Dear friends of Rotary:

Our Rotary club is soon approaching the 9th annual SHRIMPOREE and CHARITY AUCTION. Attached is a 'flyer' giving some particulars for your review.

As in the past we again seek your consideration in authorizing our use of "trailer signs" announcing this event to the passing motorists on NASA Road 1 and Highway 3 for a period of 16 days commencing September 3rd and ending late the evening of September 18.

We would like to have a representative appear before the City Council at its regular Monday night council meeting, August 16, 1982, in order to explain our request for such a sign permit, and of course without our paying the usual sign permit fee because of benefits which ^{many} Webster citizens receive. Will you kindly put our request on the August 16th Agenda? We thank you very much.

Sincerely

OGL:ms

Coffee with the Chamber

By Marcy Fryday

Talk about a successful first fund-raising event for Crime Stoppers! Congratulations to chairman John Lyle of Bay Area Bank and Trust who coordinated the board's efforts for their auction held at Louie's Le Club on Aug. 16.

With over 200 patrons for the evening and over 140 items donated by local merchants for the auction, more than \$15,000 was raised to help support Crime Stoppers of the Bay Area, Inc. Harris County Commissioner Jim Fonteno was the super auctioneer for the evening. Many thanks to the hard working committee: Mayor Beverly Helrich of Webster, Seabrook Police Chief Bill Kerber, Lonnie Clement of Lake Publishing, Lora Westfall with Haldor Topsoe, Bill Lages of Computer Sciences, Rex Whaley with United Rent-All, and especially to Dick Phelps with General Telephone who hand-carried the auction items around through the audience during the evening for individual viewing. One tired, but happy committee at the end of the auction, I'll tell you! Incidentally, Fonteno's aide and Chamber Ambassador Steve Phelps is a darn good auctioneer, too!

An active month of September, in addition to the starting of school, is upon us! The Space Center Rotary Club's 8th Annual Shrimporree and Auction is slated for Sept. 18 at Galveston County Park in League City. Last year's primary beneficiary was Crime Stoppers of the Bay Area, and this year it's the Bay Area "Meals on Wheels" which helps the handicapped and elderly residents in our area.

According to Shrimporree publicity chairman Bob Seltys of Metro Airlines, advance tickets for the boiled shrimp and fried fish dinner are \$7 for adults, \$4 for children. Tickets at the gate are \$8 for adults, \$5 for children, or \$1 off with a coupon which will be available for clipping in local newspapers. Advance tickets are available at area

...physiologist will give each person a cardiovascular evaluation to establish a target heart rate. Pauline's Jazz Studio in Seabrook is hosting an Open House on Sept. 9, with free classes every half hour from 4:30 p.m. to 7:30 p.m. on ballet, jazz, tap, gymnastics and dance. There will be free entertainment and refreshments. Sounds like a very informative and fun afternoon! To get to Pauline's Jazz Studio, turn left at Tookie's on Highway 148, going south, and spot the first white brick building on the right. This is the Ed White Youth Center where the Open House will be held.

The first Annual Southwestern Directory Regatta sponsored by Southwestern Directory Company will be held on Sept. 15, at Louie's on the Lake. To begin at 7 p.m. on their sailboat course, those who would like to enter should contact Texas Gulf Yacht Sales at 334-SAIL. There will be live music and entertainment on the lawn for spectators, courtesy of Irwin Yachts.

We'll see you at Rotary's 9th annual Shrimporree and Auction this Saturday. Tickets have a \$1 discount for advance purchase or bring the \$1 off coupon from the newspaper. Food will be served from 1 to 6 p.m. and the auction begins at 2 p.m.

The Space Center Rotary Club is planning a big wing-ding this Sept. 18, — 9th Annual "Charity Auction and Shrimporée" at Galveston County Park. Bob Seltys, publicity chairman for the fun feast says fresh fried fish, tasty shrimp complete with hot sauce, beans and all the trimmings will be available to the 5,000 area residents expected to show up for the event.

The beneficiary of this year's extravaganza will be the Bay Area Meals on Wheels. Mac McCollum, president of the "Wheels" says he is delighted that the Rotary Club chose this organization for its main beneficiary, because "we feel Meals on Wheels provides a needed service to the community."

Bay Area Meals on Wheels is a service that prepares and delivers meals to the elderly and handicapped in the community. Receiving no support from the state, it survives by the donations from private individuals and businesses and service organizations such as the Rotary Club. St. John Hospital prepares the meals. So come and enjoy this worthwhile benefit. Just think, the dollars you're spending on this meal help provide meals for someone not as advantaged as you.

Crime Stoppers, the beneficiary of last year's Shrimporée did quite well for itself at its first annual fund raiser. The final tally from the Crime Stoppers Auction held at Louie's Le Club Aug. 16 netted \$20,324.50. John Lyle, Crime Stoppers chairman said the organization is very appreciative of the response they had from its first fundraising auction. The money will be used for the reward fund.

Harris County Commissioner Jim Fonteno and his assistant Steve Phelps really added spirit to the crowd with their excellent auctioning talents. In about four hours almost 100 items, donated by local businessmen and individuals, were auctioned off. Again, at the Clear Lake Area Chamber of Commerce monthly meeting Wednesday, Fonteno and Phelps were at it, auctioning the remainder of the donations. The results have not been tallied.

Theater, 301 Hwy. 3 So., League City. Tickets are \$5 for adults and \$3 for students and senior citizens. Call 333-0007 for reservations.

SATURDAY, Sept. 18

The Methodist Hospital announces the beginning of its "Stop Smoking Program." Meeting weekly at 9 a.m., the program will run for eight consecutive sessions. For information call 790-4450.

The Clear Lake Saturday Afternoon Chapter of Overeaters Anonymous meets every Saturday at the Lutheran House of Prayer Church (OA is not church affiliated), 1514 Bay Area Blvd., at 3 p.m. For more information call 474-8391 or 486-5713.

A Fall Festival of Arts and Crafts sponsored by Alascocita Lutheran Church, will be held on Oct. 16 from 10 a.m. to 6 p.m. on the church grounds. The main emphasis of the fair will be on Christmas items along with other Arts and crafts. Individuals and groups wishing to display their art work for sale are invited to register for booth space by calling: 863-2987. Registration closes Oct. 1.

The Space Center Rotary Club will host the 9th Annual "Charity Auction and Shrimporee" being held at the Galveston County Park, located on Highway 3 in League City beginning at 1 p.m. lasting till 7 p.m. The primary beneficiary of the 1982 "Shrimporee" is the recently established Bay Area "Meals on Wheels" program and other area charitable and civic organizations as well as providing scholarships for deserving youths in the area. The "Shrimporee" will feature fried fish, shrimp, beans and all the trimmings.

9th annual shrimporee slated

On Sept. 18, the Space Center Rotary Club will host the 9th Annual "Charity Auction and Shrimporee" at the Galveston County Park, located on Highway 3 in League City. It will begin at 1 and last until 7 p.m. The primary beneficiary of the 1982 "Shrimporee" is the recently established Bay Area "Meals on Wheels" program and other area charitable and civic organizations. Additionally, the "Shrimporee" benefit provides scholarships for deserving youth in the area.

The "Shrimporee" will feature delicious fried fish, tasty fresh boiled shrimp complete with red sauce, beans and all the trimmings.

The "Charity Auction," which begins at 2 p.m. features hundreds of merchandise and services donated by Bay Area merchants and businesses.

For an afternoon of good food, and money saving bargains, plan on attending the 9th Annual Charity Auction and Shrimporee sponsored by the Space Center Rotary Club.

Calendar

Advance meal tickets for the Shrimporee are \$7 for adults and \$4 for children and may be purchased at local banks or from any member of the Space Center Rotary Club, as well as with the discount coupons that are appearing in the Exchange News, the Daily Citizen and other area newspapers. Shrimporee meal tickets purchased at the gate without the discount coupon on the day of the festival will be \$8 for adults and \$5 for children.

NORMAN FREDE CHEVYPORT'S used car manager, Dan Greenfield, is pictured handing the keys to the 1976 Volare to Bill Webb of the Space Center Rotary Club. This vehicle, valued at \$1,995, is a donation to the Rotary's Ninth Annual Shrimporree and Auction slated for Sept. 18 at Galveston County Park on Hwy 2. According to the Rotary club, Norman Frede has donated a car to the auction every year since the

Space Center Rotary Club had its first auction and shrimporree nine years ago. Candy's Western Art, pictured below, donated an original oil painting by Bud Brown to the Rotary Shrimporree and Auction. According to Bill Webb, (right), the Rotary receives quite a lot of original art work for auctioning. This particular piece is valued at \$1,995.

CHUCK MILLER OF Chuck Miller Ford is pictured handing over the keys of a 1974 Pinto valued at \$1,695 to Aaron Schein. The car will be auctioned at the Space Center Rotary Club's Ninth Annual Shrimporree and Auction on Sept. 18. As the Rotary's treasurer and auction solicitor, Schein said that he was pleased to have received such a generous donation for the auction. Miller has traditionally been an active supporter of Bay Area charities. Pictured left to right are Jack Eggleston, chairman of the Shrimporree, Chuck Miller, Aaron Schein, and Chuck Jacobson, president of the Space Center Rotary. (Citizen Photo by Sarah Ritch)

Familiar Faces and Interesting Places with Sarah Hickory

Start starving yourself now so you'll have plenty of room to fill up on delicious boiled shrimp, tasty fried fish and beans at the Space Center Rotary Club's Ninth Annual Shrimporree and Auction this Saturday at Galveston County Park.

The Rotarians have worked hard this year planning and mapping out every detail to insure that this shrimporree and auction will be perfect down to the last bite of shrimp. And a hand shake (and a kiss from the ladies) goes to Jack Eggleston, chairman of the shrimporree, who spent many, many hours laboring over the points which coordinated the whole affair.

Also, to please your palates, the wives of the Rotarians (Rotary Anna, as they're called by Rotarians) will be serving up some scrumptious homemade desserts — pies, cookies, cakes, and cupcakes. They've worked really hard preparing these delights so stop counting calories and indulge yourself. You can work it off on Sunday or you can work it off bidding at the auction slated for 3 p.m.

Harris County Commissioner Jim Fontino has donated his services as auctioneer to the Rotary Club's auction which means this will be one exciting time. According to Bob Seltys, publicity chairman for the Shrimporree and Auction, Fontino is "one of the best (auctioneers) in the county!"

The beneficiary of this year's auction will be the newly established Bay Area Meals on Wheels. This worthy volunteer organization provides hot, nutritious meals to the handicapped and house bound persons throughout the Bay Area. Mac McCallum, director of the "Wheels," says that with help of the Rotarians and community participating in this fund raising festival the "Wheels" program will be able to operate right through until next year. Last year the main beneficiary of the shrimporree and auction was the Bay Area Crime Stoppers and look how successful this program has been with a little help.

There are a lot of exciting things to be auctioned this year, especially some good buys on art work, says the Rotary Club. One such item is a painting by Bud Breen donated by Candy's Western Art valued at \$1,000.

Two local car dealers, Norman Frede, owner of Norman Frede Chevypport and Chuck Miller, owner of Chuck Miller Ford, have each donated a car to the auction.

The event promises to be a great auction and fun afternoon for the whole family so be sure not to miss it.

9th ANNUAL SPACE CENTER ROTARY CHARITY AUCTION AND SHRIMPOREE

AUCTION STARTS AT 2 P.M.

SATURDAY SEPT. 18th 1 P.M. — 7 P.M.

**AT THE GALVESTON COUNTY PARK
LEAGUE CITY, TX.**

Rotarians predict Shrimporee net as the best ever

A record may have been broken by the Space Center Rotarians at its Ninth Annual Space Center Rotary Club Shrimporee and Auction on Saturday. Rotarians raised an estimated gross total of \$44,000 at this annual benefit at Galveston County Park.

Not yet determined is the net total to be disclosed next week after all the ticket sales have been tallied and the bills for food, beverages, and other miscellaneous costs have been paid.

Every year for the past nine years the Space Center Rotary club has held this fund-raising event to benefit a local charity organization and to accumulate scholarship funds for deserving youths.

This year's primary beneficiary of the auction is the recently-established Bay Area Meals on Wheels, an organization that provides hot, nutritious meals to handicapped home-bound persons throughout the Bay Area.

The net total from the auction yielded \$17,000 and \$300 was raised from the bake sale. Last year's auction netted \$14,000. Auction money is used exclusively for charities and donations. All items auctioned were donated by local businesses and individuals. According to the Rotarians, the money raised from the ticket sales usually breaks even with the cost of the food for the event.

"We are deeply indebted to Jim Fonteno for lending his services," said Rotarian Bill Webb. Fonteno, Harris County Commissioner, donated his auctioning skills to the charity auction. Bob Soltyz, publicity chairman of this fund raising event, said that Fonteno is one of the best auctioneers in the county.

"There is a possibility that we set a record over our 1979 total of \$22,500 net," said Chuck Jacobson, president of the Space Center Rotary.

Factors contributing to its success are the good weather and proper scheduling. At last year's Shrimporee, a cold front accompanied by rain blew in resulting in poor turnout.

At least 2,500 people bought dinner tickets for Saturday's affair and approximately 150 were at the auction at all times.

\$ CRIME STOPPERS \$

480-TIPS

REWARDS FOR INFO. NO NAMES.

Editor's note: The Crime Stoppers of the Bay Area Inc. will pay a reward for a tip (which may be anonymous) which leads to the arrest and indictment of felony suspects. Call 480-TIPS.

On the weekend of Aug. 28 and 29, several businesses at the Park Plaza center in the 17000 block of N. Hwy. 3, Webster, were forcibly entered by person, or persons unknown, by prying the rear doors open with unknown instrument.

Items stolen were small amounts of cash, Sony 19 TV, Pioneer dual turntable, camera and tripod, Panasonic video recorder. These items are engraved with a social security number with the prefix 464. Also missing was a 5 gram gold ingot.

On the night of Sept. 1, businesses at Village Real center in the 900 block of East Nasa Road 1, were burglarized, and the rear doors were also pried open to gain entry. A cigarette machine was pried open at one location, but nothing was gained. Items taken from other sources include: men and women's T-shirts, sweat shirts, jerseys and windbreakers of all sizes and colors a small amount of cash and a pair of pants.

Bay Area YMCA news

Over 200 YMCA Indian Princesses invaded the Fun Time Roller Rink for an evening of Father and Daughter skating. It's quite a sight to see, six and seven year old girls teaching their fathers to skate. Three new tribes were formed this year which makes the Princess Nation 16 tribes strong. Volunteers, Tom Clunie, Jack Garman and Hank Hess, are helping the three new groups get organized.

The 'Y' has also added a Mother-Son and Daughter group to its program. Mike Weston, assistant Nation Chief is sponsoring this new group.

YMCA Soccer has started practicing. Two teams of first and second graders are participating with the Pearland YMCA program. The two eleven man teams are coached by volunteers, Richard Buff and Roy Leckonby. The league features participation guidelines which require all players to play at least one half every game.

Karen Lambert, the new teen director at the 'Y' is looking for a few teenagers interested in an outdoor adventure program. Backpacking, canoeing, skiing, outdoor cooking and special weekend trips are some of the activities the group will participate in. Karen will give the program a solid background as she spends several years working in a

camp setting in the Colorado Rockies.

The 'Y' is starting a monthly activity for YMCA members only. Planned now are a Halloween Party, Pot Luck Supper and a Christmas Party. Requests from several members for family activities has brought this about. The standard comment is that people enjoy the 'Y' because it is a friendly place. The staff intends to keep it this way.

The YMCA staffed the Ice Cream booth at the Space Center Rotary Club Shrimporee. A big thanks goes out to Jeri Retzlaff, Ora Mae Retzlaff, Dianne Germain and Beth Stas for spending their time helping the Rotary Club.

Clear Lake People

SPACE CENTER ROTARIANS Charles Hartman (left), Chuck Jacobson (center), and Grady Strickland (right), take a break from disassembling the wood cover under which food was served at the Ninth annual Rotary Shrimporee and Benefit Auction at Galveston County Park Sept.

18. The Rotarians participating in the fund-raising event worked all day, from dawn to dusk, to provide a successful and fun day for all the people attending the benefit. The primary beneficiary of this year's Shrimporee is the Bay Area Meals on Wheels. (Exchange Photo by Sarah Ritchie)

1982 "Bank Stuffers". Given to local Bay Area Banks and included in August (82) Bank Statements.

December 7, 1982

TO: Chairman, 1982 Shrimporee, Jack Eggleston

From: Chairman, Ticket Committee, Bob Mitchell

Subject: Final Report

The Ticket Committee consisted of:

Bob Mitchell	Chairman
Maury Fitch	Collector of money and tickets
Dave Sincox	Shrimporee Day sales
Joe Hang	Shrimporee Day sales
Steve Austin	Institutional sales, Chairman
Floyd Boze	Institutional sales
Gene Lindquist	Honorary member

1. Tickets were patterned after last year's tickets, but were not numbered. Approximately 7000 adult and 4000 child tickets were printed. This was about 2000 too many adults and about 1500 too many child's tickets. Bids were taken from three club members who have printing businesses and Joe Hang was the low bidder. As I recall the tickets cost about \$200 which was about \$300 less than the year before. A copy of the tickets is attached.
2. I counted out the tickets into packages of 30 adults and 10 child's and handed the packages out at the regular club meetings. The first packages were handed out about six weeks before the Shrimporee. Five packets had to be mailed because the members didn't show up at the meetings.
3. Some difficulty was experienced in getting the packets out to the banks. Finally Gene Lindquist made the distribution to nine area banks. A list of the banks and the contacts is attached.
4. Money from ticket sales was collected at each Monday club meeting. One man is needed for this task. After collecting, the money was given to the treasurer. Some members gave their money directly to the treasurer, others gave it to other members and as a consequence it was not always possible to tell who had turned in their money and who hadn't. I don't see any way to avoid this situation in the future unless one were to be more strict with the members than I think we ought to be in a service club, where we assume everyone is honest. I suggest we just live with the situation and do the best we can. Returns from the tickets were \$1230 the first week, \$576 the second week, \$820 the third week and \$2478 on the fourth week. These figures are included to help the treasurer estimate cash flow next year.

5. On the day of the Shrimporee ticket sales were begun about 11:30 at a table set up at the entrance near the serving lines. Two people are needed to man the table, and a third is needed at times to get change and beer etc. Two shifts were run, one from 11:00 to 2:30 and the other from 2:30 to 6:00 when the serving ended. The treasurer came by several times to pick up extra money. Near the end of the serving period when the shrimp ran out we reduced the price to half and let people look over the food before they bought a ticket. During the last 15 or 20 minutes of serving, after 6:00, we refused to sell any more tickets and the remaining food was given away.

RESULTS

The following figures are only approximate since some funds were turned in directly to the treasurer. His records should be considered the authority.

Total ticket sales	\$20,288
Gate sales	2,712
Bank sales	1,966
Members sales	15,610

My records show that Gene Lindquist sold tickets worth \$2,299, but I think that he sold more than this.

OBSERVATIONS AND RECOMMENDATIONS

1. We did not use ticket teams and team leaders this year. I don't think it had an adverse effect on sales or on collections. And didn't effect the timeliness of the ticket distribution.
2. Only one person is needed to handle bank sales, but the job must be done ^{during} the day and probably takes about 10-12 hours to make the distribution and collection. The effort seems worth it though. We considered selling tickets at other business locations, but didn't think it worthwhile.
3. The coupons sent out as bank stuffers and those printed in the Exchange were helpful. We collected 51 bank coupons and 25 cut from the paper. I think the effect of the coupon was to be a reminder to a number of people of the Shrimporee. I recommend that the coupons be used again next year.
4. Some trouble was experienced in getting a few members to turn in their ticket money. Chuck Jacobson made a number of calls to members to remind them. This was much appreciated. Some of the trouble came from the practice of some members giving tickets and money to other members to turn in or by sharing tickets with one another because one member had run out. After a little of this, there was no way to keep track of things. I don't have any recommendation on how to correct this, and since it occurs only among a few I'd accept it as a part of the job.

5. Gene Lindquist is to be complimented for his ticket sales and for helping out in the bank sales. I would have have been hard put to get the tickets out without Gene's help. Joe Hang was very helpful in printing the tickets (doing the layout for free) and manning the sales table and in collecting, as were Dave Sincox and Maury Fitch.

SEPT. 29, 1982

JACK EGGLESTON
GENERAL SHRIMPOREE CHAIRMAN
1006 FALLING LEAF DRIVE
FRIENDSWOOD, TEX., 77546

DEAR JACK,

THIS REPORT ON OUR 1982 SHRIMPOREE IS WRITTEN IN THE SINCERE HOPE THAT IT WILL BE OF HELP TO THE AUCTION COMMITTEE CHAIRMAN FOR OUR 1983 SHRIMPOREE.

WE HAD 234 ITEMS TO BE SOLD AT AUCTION DURING THE 1982 EVENT. FROM THE NET RESULT, IT WAS A HIGHLY SUCCESSFUL AUCTION.

I AM ATTACHING A LIST OF RECCOMENDED ACTIONS TO BE TAKEN BY THE 1983 AUCTION CHAIRMAN THAT COULD BE IMPORTANT TO THE SUCCESS OF THE 1983 SHRIMPOREE.

SINCERELY,

Bill Webb

AUCTION COMMITTEE

RECOMMENDED ACTIONS

- MAY 1 REVIEW 1982 AUCTION COMMITTEE FILE. SET UP TIME SCHEDULE.
- MAY 15 MEET WITH GENERAL SHRIMPOREE CHAIRMAN. SET UP OBJECTIVES, ESTABLISH "BIG GIFT" COMMITTEE & "CASH DONATION" COMMITTEE. DETERMINE THE 12 MEMBERS OF THE AUCTION COMMITTEE.
- MAY 15 ARRANGE FOR AUCTIONEER. EARLY! JIM FONTENO + HIS ASSISTANTS BEST.
- JUNE 1 ARRANGE FOR TEMPORARY STORAGE SPACE FOR AUCTION ITEMS. ABOUT THE SIZE OF A LARGE SINGLE OFFICE FOR ABOUT 3 WEEKS. SOMEONE MUST BE AVAILABLE TO LOG THE ITEMS IN.
- JUNE 1 ARRANGE FOR A FLAT BED TRAILER FOR AUCTION DAY (SEE DON KIRK)
- JUNE 15 ARRANGE FOR ENTERTAINMENT PRIOR TO THE AUCTION (SEE PETE GIST)
- JUNE 15 ARRANGE WITH CHAMBER OF COMMERCE FOR AN UP-TO-DATE PRINTOUT OF MEMBERS.
- JULY 1 COMPLETE A "PROSPECTIVE DONOR" LIST
- JULY 15 ARRANGE FOR PRINTING NEEDS - 500 ENVELOPES (GENE LINDQUIST), 500 PROSP. DONOR LETTERS (SAMPLE ATTACHED), NCR TAGS (ENOUGH ON HAND), 120 "IT'S YOUR CHOICE" SLIPS, 120 GENERAL INFO. SLIPS + 120 STORAGE INFO. SLIPS -

AUCTION COMMITTEE RECOMMENDED ACTIONS

JULY 22 PASS OUT "IT'S YOUR CHOICE"
SLIPS AT ROTARY.

AUG. 1 USE CURRENT ROSTER OF CLUB.
ASSIGN EACH ROTARIAN HIS OWN
FIRM AND ANY FIRM HE HAS
LISTED ON "IT'S YOUR CHOICE" SLIP.
ASSIGN REMAINDER OF FIRMS SO
THAT EACH ROTARIAN HAS HIS OWN
PLUS ABOUT THREE OTHER FIRMS.
LOCATED IN HIS AREA, IF POSSIBLE.

AUG. 1 HAVE THE PROSPECTIVE DONORS
TYPED UP ON ADDRESS LABELS.
ATTACH LABELS TO ENVELOPES +
STUFF THE LETTERS.

AUG 7 DEVELOP 12 ROTARY SOLICITATION
TEAMS OF ABOUT 10 MEMBERS -
EACH TEAM HEADED BY ONE OF THE
AUCTION COMMITTEE MEMBERS. SEE
SAMPLE ATTACHED.

AUCTION CHAIRMAN WILL NEED 3 COPIES
OF EACH SHEET. HE WILL KEEP ONE
SET - GIVE EACH TEAM CAPTAIN A SET.
THE THIRD SET IS CUT INTO ONE-FOURTH
SECTIONS AND A GENERAL INFO. SHEET
PLUS A STORAGE INFO. SHEET. RW3 THE
CORRECT NUMBER OF NCR TAGS ARE
ATTACHED.

AUCTION COMMITTEE RECOMMENDED ACTIONS

AUG. 15 EACH TEAM CAPTAIN SHOULD GET HIS TEAM SET OF ASSIGNMENTS ALONG WITH THE INDIVIDUAL ASSIGNMENTS ATTACHED TO THE NCR TAGS. THE TEAM CAPTAIN MUST PROMPTLY GET THESE INTO THE HANDS OF EACH AND EVERY MEMBER OF HIS TEAM.

AUG. 22 MAIL THE PROSPECTIVE DONOR LETTERS

AUG. 22
TO
SEPT. 7 FOLLOW-UP WITH TEAM CAPTAINS TO ASSURE SOLICITATION CONTACT.

SEPT. 7 CONTACT EACH AUCTION COMMITTEE MEMBER. ADVISE TO MEET AT STORAGE SITE ON SHRIMPOREE SAT. MORN. AT 9 AM TO TRANSPORT AUCTION ITEMS TO AUCTION SITE. A COUPLE OF PICK-UPS OR VANS PLUS THE AUTOS WILL DO THE JOB.

SEPT. 14 SHRIMPOREE DAY —
TAKE TIME TO INSTRUCT EACH AUCTION COMMITTEE MEMBER IN "HAWKING", "DISPLAYING", ETC.

AUCTION COMMITTEE

EXPERIENCE IS IMPORTANT IN THE AUCTION COMMITTEE. EXCELLENT PEOPLE HAVE BEEN LARRY ROWE, MIKE DU BOIS, JAY WELCH + AL LIBRANI AS HAWKERS; BOB GRAHAM, STEVE AUSTIN, BERT KRAFT + RON ROSENHAGEN AS DISPLAYERS; DON KIRK, JIM HARGROVE, + LAMAR BOWLES ON THE AUCTION PLATFORM. WE WILL NEED 12 TEAM CAPTAINS.

"BIG GIFTS" COMMITTEE IS HIGHLY IMPORTANT TO THE SUCCESS OF THE AUCTION. IMPORTANT DONORS SHOULD BE IDENTIFIED AT LEAST 4 MONTHS PRIOR TO THE SHRIMPOREE AND CONTACTED FOR THEIR PROSPECTIVE DONATION. AL LIBRANI HEADED THIS GROUP IN 1982. WAYNE CLARK + AARON SCHEIN HAL NEELY, MIKE DU BOIS, JIM HARGROVE JERRY LUSKOWICH WERE SUCCESSFUL IN OBTAINING TWO AUTOS PLUS SEVERAL NICE GIFTS.

1982 SHRIMPOREE - DUTY ASSIGNMENTS

EACH GROUP WILL WORK ENTIRE
TIME OF THE AUCTION 1:30 PM. TO 8:00

HAWKERS - w/ COWBELLS OR WHISTLES
LARRY ROWE AL LIGRANI
MIKE DUBOIS BILL SINGLETARY
JAY WELCH FONTENOS 2 ASSTS.

RESPONSIBILITY IS TO IDENTIFY THOSE
BIDDING TO THE AUCTIONEER, AND TO
STIMULATE AND ENCOURAGE THE BIDDING.

DISPLAYERS
RON ROSENHAGEN STEVE AUSTIN
BERT KRAFT BOB GRAHAM
JERRY JUSKOWICH

RESPONSIBILITY IS TO DISPLAY EACH
ARTICLE AS IT IS BEING AUCTIONED,
TO DELIVER THE ITEM TO THE BUYER
AND COLLECT PAYMENT.

AUCTIONEER ASSISTANTS
DON KIRK JIM HARGROVE
LAMAR BOWLES
ASSIST AUCTIONEER ON THE PLATFORM

BOOK KEEPING
HENRI CLARK MACLYN KIRK

TO: ALL AUCTION TEAM CAPTAINS
AND TEAM MEMBERS

GIFTS WHICH HAVE BEEN SOLICITED
FOR THE SHRIMPOREE AUCTION WILL
BE STORED AT BAYBROOK NATL. BANK
UNTIL NEEDED. THE BANK IS LOCATED
AT 1550 WEST BAY AREA BLVD. NEXT
TO BAYBROOK MALL. ASK FOR EVELYN
PRICE. SHE WILL LOG IN THE GIFT
AND SHOW YOU THE STORAGE ROOM
NORMAL HOURS ARE 9:00 A.M. UNTIL
2:00 P.M. MONDAY THRU FRIDAY.

BILL WEBB

1982 SHRIMPOREE

Site Preparation And Cleanup Committee

1. COOKERS - As in years past, Jim Wyatt did an outstanding job in this regard. He delivered, hooked up and cleaned the cookers. There has been some discussion as to who should actually clean the cookers - this committee or the fish cooking committee. I feel it would be a great help if the fish preparation committee would take charge of this permanently as one of their duties to clarify the issue. The shrimp committee does an excellent job of cleaning not only their equipment but also their area in the cook shed. The fish committee should be able to do this also.
2. LIGHTING AND ELECTRICAL - Once again, Billy Weseman and his company took charge and did a fantastic job. In addition Billy assisted our committee in loading and delivering the Rotary chairs stored in his warehouse. At the conclusion of the Shrimporee there was some confusion in returning the chairs since our scouts had to leave before the chairs could be returned but Billy took care of this.
3. BOY SCOUTS - I wonder how we would manage the Shrimporee without the assistance of Chris Christman and his scout troop from the Harris County Youth Village. I don't think one can truly appreciate their efforts without serving on this committee. Hauling tables and chairs, parking cars and picking up trash is not the most enjoyable job at the Shrimporee, but Chris and his scouts are there every year, hot or cold, rain or shine, working their posteriors off for us.
4. LAW ENFORCEMENT - It was suggested that due to various problems with County patrolmen at last year's Shrimporee that we change procedure this year and hire one city policeman and obtain the services of one on-duty policeman for traffic control, thereby having to pay for only one officer. As it turned out, League City requires that any organization or function serving alcoholic beverages hire two off-duty policemen to work from 1:00 pm. to 8:00 pm. These officers did a good job with no problems and I would suggest that we use League City again next year.
5. DUMPSTERS - This was the biggest headache of all for this committee. Last year, the Dispose-All company donated the use of four small dumpsters. Mr. Ed Rosinski, the company president preferred this year to donate one large dumpster. This was to be delivered on Friday afternoon or Saturday morning. At 11:00 am. Saturday the dumpster finally arrived after numerous telephone calls. Shortly thereafter, a second large dumpster arrived and was turned away. The real problem arose when we could not get the dumpster picked up. It sat full of fish, shrimp, roaches, rats, etc. for almost a week, obviously, the parks personnel were less than thrilled with this. I would suggest that we obtain our dumpsters from a different source next year, if at all possible.

6. TABLES AND CHAIRS - In the past, we have had the free use of table and chairs from the Ed White Youth Center in Seabrook. However, it seems that the Center was omitted from our list of beneficiaries following the 1981 Shrimporee and that fact did not please the trustees at the Center. Therefore, they decided to deny us use of their tables and chairs this year. That forced us to rent them which maybe was a blessing in disguise. For the sum of \$360.00 we rented twenty tables and 300 chairs complete with delivery and pick-up from United Rent-All who also supplied us at the last minute, with a platform for the band. I would suggest that we continue to rent table and chairs in the future. This eliminates many manhours of loading and unloading.
7. PA SYSTEM - Again this year, Pete Gist allowed us to use his system.
8. AUCTION FLATBED - As in the past, this item was handled completely by Don Kirk.
9. STAFFING - The manpower assignments were scheduled in two-hour shifts from 8:00 am until 8:00 pm. Each shift consisted of two men whose functions were to supervise the restricted and unconstricted parking areas. At the final meeting of the Shrimporee Committee, Jack Eggleston suggested that we allow free access to the cook shed area until 10:30 at which time all vehicles with special parking permits should be moved to the streets adjacent to the site. Apparently, there was a failure of communication between Jack and myself because I took this to mean that we were eliminating parking control on the morning shifts and cancelled the first three hours of manpower. When 10:30 arrived very few people moved their cars since by that time they were covered in cornmeal, cooking fish, etc. No major problem was cause by the excess number of cars in the area but it was an inconvenience and should be avoided next year.

The general public parking was handled, almost without incident, by Chris Christman, his scout troop and the League City policemen. It should be noted that Jim Wyatt provided us with a rope to cordon off the reserved parking areas.

10. CLEANUP - This is an area that could use more coordination. As mentioned before the Shrimp Committee did an excellent job of cleaning their small portion of the cook shed. The other food preparation committees did a good job of securing their equipment but the shed in general was left in a mess. Once again, thanks to four or five dedicated, hard working Boy Scouts, we were able to wash down and mop up the shed before the Scouts had to leave. Additionally, the entire scout troop patrolled the park area all day picking up loose trash and emptying trash bags in the dumpster.

The logistics committee should have most cleaning supplies for next year such as mops, brooms, sponges, etc. We purchased 300 plastic trash bags and had many left over. I think the extras ended up at the youth village but that is a small price to pay for the manhours we received.

I would suggest in the future that each committee have its own cleanup team that comes in "fresh" about 5:00 pm to start cleaning. If each committee could clean up after itself, the general cleanup committee would have more time to finish securing the site.

11. APPRECIATION - Thank-you letters were sent to Ron Niksich, Director of the Harris County Youth Village and H. T. "Chris" Christman, Scoutmaster.

An additional word of appreciation is in order for some outstanding Rotarians: Jim Wyatt, Billy Weseman, Alan Wylie, Don Kirk, Billy Burt, Jack Fryday, and Bob Driver for their advice and assistance.

A special thanks and acknowledgement is in order for Dave Cisco who coordinated manpower assignments, parking and site preparation. I would recommend Dave as next year's committee chairman.

Respectfully submitted,

Terry W. Hesson
Chairman, Site Preparation
and Cleanup Committee

Logistics Report Outline

I. Task Description	L3
A. Task Members	
B. Task Activities	
II. Timeline of Logistic Tasks	L4
III. Supply Summary (By Committee)	L8
IV. Supply Orders	L24
A. CCISD	L25
B. SYSCO	L26
V. Storage Shed Inventory	L29
VI. Expenses	L32
VII. Recommendations for 1983	
VIII. Key Contacts	

I. Task Description

A. Committee Members

1. Alan Wylie -- Chairman
2. Jim Maas -- Assistant Chairman
3. Billy Burt
4. Joe Shirley
5. Otto Wightman

B. Committee Tasks

1. Inventory supplies on hand
2. Collect and organize logistics inputs from other committees
3. Arrange for obtaining needed supplies from
 - CCISD
 - SYSCO
 - Bill Tuite
 - Other
4. Transport supplies to Shrimporee site and distribute to various committees
5. Collect supplies from committees at end of day and return to appropriate place
6. Perform final inventory in preparation for the next shrimporee.
7. ~~the~~ Prepare final report

II. Timeline of Logistics Tasks

<u>Date</u>	<u>Event</u>
June 22	Prepared task summary for Shrimporee chairman.
June 24	Attended Shrimporee meeting #1
June 28	Held first meeting of logistics committee at weekly Rotary meeting
July 3	Made initial supply inventory at boat shed
July 14	Made initial contact with George Carlisle, sup superintendent of CCISD. Planned second meeting after school starts.
July 27	Contacted Mrs. Baird's thrift shop. Arranged order of 180 loaves at 45¢ per loaf. Order to be in 2 shipments and second shipment will be picked up only if it is necessary. Store hours on Saturday -- 9:30 AM → 5:30 PM.
July 27	Talked with Billy Burt. He promised me the prices from SYSCO by next Monday (Aug 2). Mailed letter to Billy containing current SYSCO order minus inputs of cole slaw & food service committees. Also included tax exempt letter.
August 7	Made second inventory at boat shed (Wylie, Maas + friend). Organized items by committee.

Timeline. - Continued

August 23

Gave Billy final SYSCO order.

Sept 13

Held logistics committee meeting at Rotary meeting to plan activities for day of Shrimfree.

Otto W available 5:30 AM → 8 AM
5:00 PM →

Joe Shirley to pick up firewood from Jack.

Billy to finalize order with SYSCO and arrange meetings to pick up supplies at hospital for Friday AM and Saturday 7 AM.

set up time to meet at park -- 5:30 AM

Called Jim Maas. He will purchase last minute items for us. ~~set~~

Sept 15

Called bread people who informed me price of bread would be 45¢ per loaf.

Arranged to pick up initial order -- 100 loaves -- on Saturday at 10 AM. She agreed to loan us bread racks (which are most convenient for stacking the bread).

Sept 16

Talked to Nita at Clear Creek High School. Made arrangements for pick-up and return of supplies.

Sept 17

Wightman and Wylie picked up supplies from CCISD.

Timeline. - Continued

Saturday
September 18

- 5:20 AM Unloaded CCISD supplies at park.
- 5:45 AM Made trip to boat shed, picked up supplies, and unloaded at park.
- 7:00 AM Picked ~~by~~ up SYSCO supplies at Clear Lake Hospital
- 9:30 AM Picked up bread (Wylie, Maas)
- 10:00 AM Picked up chairs from Billy Weseman's shed (Billy W., Joe S.)
- 10:30 AM Purchased poster board for ticket committee.
- 11:30 AM Purchased lumber for steps for auction committee.
- 3:30 PM Purchased \$20.00 of ice for beverage committee.
- 5:30 PM Returned unopened boxes to Clear Lake Hospital. (SYSCO)
- 6:30-8:30 PM Returned supplies to boat shed
- 7:00-8:00 Collected & loaded CCISD supplies

Timeline. - Concluded

- Sunday 9 AM Returned CCISD items (minus 4 spoons) to League City Elementary
- 9:30 AM Returned other unopened boxes for SYSCO to Clear Lake Hospital
- 10:00 AM Unloaded chairs in Billy W's shed.
- 10:30 AM Met Bob Montgomery at boat shed and placed shrimp cooker inside shed.
- October 13 • Transferred boat shed supplies from Kent Kay's boat shed to Rotary boat shed.

VII ~~IIII~~ Logistics Committee Recommendations
for 1983

A. Purchase Supplies We've Been Borrowing from CCISD

It was recommended by CCISD that we begin purchasing our supplies that we have been borrowing from CCISD each year.

Mrs. Bellar of CCISD obtained the following estimates from SYSCO.

Item	1982 Unit Cost	# Needed	Total Cost
Kaiser Aluminum Throw-Away Pans -- package of 50	45.27	150	135.81
* Cutting Boards	8.28	4	33.12
* Knife Sharpener	10.11	1	10.11
* Mixing Paddles	11.22	2	22.44
* Long Tongs	2.75	1	2.75
* 4" strainers	4.61	2	9.22
* 2 quart dipper	29.83	1	29.83
* Large Strainer for Fish Batter	9.84	1	9.84

Serving Spoons

Charles Hartman purchased 20 spoons in 1982 for reasonable cost.

Knives

?

6

?

Large Racks with trays

Continue borrowing from CCISD

It is recommended that the 1983 chairman consider the purchase of some or all of these items in 1983. To insure that the items labeled with an X meet the needs of the fish frying committee, the chairman of the fish frying committee should be involved in the purchase. The large rocks with trays would require a significant clean-up activity if they were purchased. I believe that the CCISD would be happy to continue loaning us these items if we so desired.

B. Additional Manpower for End-of-Day Logistics Tasks

Our committee was significantly understaffed at the end of the Shrimporee day. It is ~~recommended~~ necessary that the logistics committee have 8 people assigned by the Shrimporee chairman from 4 o'clock on. Tasks to be performed include returning bread racks, collecting and returning unopened items to our supplier, collecting and returning supplies to our storage shed, collecting inventory summaries from the various committees, loading CCISD supplies into a van, loading any lumber supplies, Four to five members should be available when the auction is over and the chairs need to be returned to the storage shed.

1982 ROTARY SHRIMPOREE
SHRIMP PROCUREMENT COMMITTEE REPORT

Jim McNatt - Chairman

The key to "easily" having shrimp available in the quantity we require is making arrangements for it starting no later than April or May for a September shrimporee. I enquoted the word easily because even starting that early for this year's '82 fund raiser almost didn't get us enough shrimp. The nature of the shrimping season is too unpredictable to start any later.

Another thing that saved us this year was actually buying shrimp early and storing it ourselves. It not only guaranteed that we would have the shrimp, but it also got us the most favorable price. This year I dealt with an independent supplier who contracted verbally to buy 3,000 lbs. of shrimp, freeze, and store it. He did this at a fixed price per pound (\$3.50) and guaranteed us 2,300 lbs. of tails. His name is Gene Fisher, and he can be contacted at the Lake Haven Marina through the number at the restaurant, 334-1304. His friend there is Frank Jones.

Since it was such a difficult year to obtain shrimp, I don't know if Gene will want to do this for us again next year or not, or if he does, whether he will want to store them himself. He mentioned our using the Houston terminal warehouse possibly next year for storage, which may be necessary whether we use Gene or one of the fish houses like Emory's or Henry's. I would suggest calling Henry's at 474-2333 to inquire about buying from them again next year as well.

Buying ahead like we did this year also requires borrowing some money. Jim Hargrove at Allied Seabrook supplied the note and worked with our shrimporee treasurer Aaron Schein at Baybrook National to organize this.

Once the shrimp have been brought, frozen, and stored, the next thing to organize is the day of the shrimporee itself, how to get the shrimp there, in what quantities and when.

Even though the shrimp workers like to start cooking thawed shrimp at 9:00 A.M., and will probably continue to want to do it this way, we discovered that a 10:30 or even 11:00 A.M. start is sufficient. 2,400 lbs. of shrimp were supplied in both thawed and frozen states. Since Gene was not very organized about the deliveries, I suggest if we use him again that more attention be paid next year as to exactly when and how much shrimp we want. We may have to be prepared to take care of this part ourselves.

There were no left-over shrimp, either cooked or not, so we did not have to deal with this possibility again this year. Since we already paid for the shrimp, the plan this year was to sell or auction it off, which I think is still a workable solution.

One addition to the serving process which I think was very good this year was the use of larger coolers to drain the shrimp instead of placing them back in the dirty wooden crates that the thawed shrimp were supplied in. The styrofoam containers for the actual food serving were also a great improvement.

To summarize, start early, make contact with the suppliers and bankers, and then organize for the storage and delivery. Also, be prepared to have to change some plans in mid-shrimping season. It has happened to me for the last two years in a row. Therefore, maintain contact with the suppliers throughout the season from the start of the agreements made up to the delivery phase. Then, just hope the shrimp season is a good one.

7

November 23, 1982

To: Mr. Jack Eggleston, General Chairman
1982 Rotary Club Shrimmoree

Re: Final Report - Fish Procurement Committee

This report is being submitted on behalf of Keith Sherman, who served as chairman of the committee for this year.

Fish for the Shrimmoree was again obtained through Magnolia Seafood (224-7505) at a negotiated price of \$2.12 per pound for the Islandic Jumbo Cod Filets, up from \$1.94 per pound in 1981. Magnolia was most cooperative, but was unable to supply any type of refrigerated truck in which to maintain the fish over the weekend of the event. Magnolia did agree to repurchase all of the cartons that remained frozen and unopened.

Since arrangements for the storage of the shrimp would not accommodate the fish, we were fortunate to make arrangements with Camn Manison, Highway 518, for storage from delivery early Friday through pickup of the returned fish on Wednesday. As a back up storage facility, we were offered space at Southwest Biological Storage (482-3309) operated by Mr. Jim Wood, a Pearland Rotarian.

Since it appears that only a few firms in the area are capable of supplying the quantity and quality of fish desired, it is our recommendation that the fish and shrimp procurement committees be combined, which should assist in coordinating the storage of the products which was the major problem faced by our committee. It is also recommended that negotiations for the purchase of the fish be initiated several months before the event to possibly obtain a more favorable price.

Special thanks to Mr. & Mrs. Manison for the use of their storage facilities as well as the time in receiving and monitoring the pick up of the fish, and to Joe Blackshear who stepped in and did an outstanding job of assisting the committee as well as the transfer of the fish and shrimp on the day of the Shrimmoree.

2,200 pounds of fish were ordered, ¹⁵⁰⁰1700 pounds were used and ⁷⁰⁰500 pounds returned for credit. All billings were handed by Magnolia Seafood direct with the club as arranged by Keith Sherman. *June*

Respectfully,

Jim King

1982 SHRIMP COOKING REPORT

Chairman - Bob Montgomery

Vice Chairman - Bob Stephens

Members - Rollin Gardner

Ken Gurry

Charles Schumacher

Viet Hanssen

Pete Gonzales

Herb McElveen

Sam Calani

John Ward

Dean Woodrull (could not work)

Kule Haines (Volunteer)

The committee was assigned equally to three shifts 7:30 A.M. - 11:30 A.M., 11:30 A.M. - 2:30 P.M., and 2:30 P.M. to 6:00 P.M. to cover the days activities. Several members worked all day and others worked beyond their assigned hours. We had no manpower problems at all and I feel that 12 men is a proper size crew.

Supplies Purchased and Remaining Inventory:

Shrimp - 2,395 lbs. delivered, cooked and sold

Onions - 10 lbs dehydrated, bought - 8 1/2 still on hand

Lemmon - 38 lbs. bought and used.

Boil - 2 gallons bought - 3 gallons still on hand

Salt - 25 lbs. bought - 2 gallon jars still on hand

Propane - 50% of 3 tanks used (cost free from Herb McElveen)

Wire Brush - 1 purchased and on hand.

Expenses:

a) Wire brush \$3.33

b) Lemmon \$38.58

c) Salt (25 lbs) \$2.98

d) Boil (2 gal.) \$17.90

e) Chopper onion (10 lb) \$26.50

Equipment Needs and Source:

Cooker

Wood stirring paddle

2 dippers

2 burners

3 propane lines

2 propane pressure regulators

1 drain valve and pipe

1 wire brush

1 left over supplies listed above

1 asbestos sheet for heat shield

} at Kenneth Kays storage

1 - 8 cup measuring bowl	}	Borrowed from committee members
1 - 4 cup measuring bowl		
2 - large pipe wrenches and other tools		
100 ft. garden hose with nozzle		
2 - Fans with extension cords		
1 - can of scouring power		
2 - 5 gallon buckets for lemmon	}	From logistics committee
200 Towels		
12 - Hats and Aprons		

Cooking Recipe:

For years we have had a baseline recipe supplied by Breezy from the Brazoriaport Club when they first got our club started on the Shrimporee. For the last two years we have been running our own experiments to improve on our technique and hopefully the flavor and consistency from batch to batch.

The original recipe from Breezy as handed down through various chairmen is:

4 lbs. lemmon/onion mix/100 lbs of shrimp
3 parts onion to 2 parts lemmon by weight
finely blended (UHCLC blenders)

9 oz. shrimp boil for each 100 lbs of shrimp
3/4 lbs of salt for each 100 lbs of shrimp

During the last two years we have experimented with the ingredients by making small changes and getting a consensus of opinions from willing tasters among the Rotarians. After cooking twenty batches between last year and this year we have arrived at what seems to be a good procedure and recipe. It is based on changing the water and seasoning completely after each 1,000 lbs. of shrimp. That can be stretched to 1,500 lbs. if we were in a schedule bind but preferably we should change out the soup each 1,000 lbs. We have also switched to dehydrated onion flakes and can't tell the difference, but have eliminated the eye watering task of blending raw onions.

The recommended recipe is as follows:

Water - Fill cooker 4" from top - 100 gallons
Onion Flakes - 24 cups
Lemmon - 36 cups
Salt - 16 cups
Boil - 15 cups - 120 oz.

It is not necessary or desirable to add ingrediants between batches. It is okay to add a proportionate amount of ingredients in the event that the ice condition of the shrimp causes a significant amount of water to be drained off - This will not be necessary for 1,000 lbs. at 200 lbs/load if the shrimp has been iced properly and the ice on top can be scraped off.

Operating ProcedureEarly

Assemble committee to a) establish shifts, b) obtain volunteers to bring supply items, c) volunteers to purchase various items, d) get two or three members on lemon blending committee, e) inspect boiler, determine if sandblasting and painting are needed and take appropriate action.

Day Before

In concert with cole slaw committee, prepare the lemons. This activity is coordinated as to time with cole slaw committee so that we only use the UHCLC kitchen equipment during one span of time. This normally will occur about 3:30 p.m. on Friday afternoon before the Shrimporee.

Shrimporee Day

7:30 a.m. - 1 st shift meet at park, clean area and proceed to storage warehouse to pick up equipment and supplies, clean the cooker, hook up propane, fill the cooker and have fire on by about 9:00 a.m.

Cook 200 - 250 lbs. per batch, water boiling before adding shrimp. Limit the ice going in as far as practical.

Remove shrimp quickly when shells loosen (they float) "DON'T DELAY" or they will be overcooked.

Change water every 1,000 lbs. of shrimp, this takes almost an hour to accomplish.

When the Shrimporee General Chairman says we're finished the crew cleans up, loads up, and hauls everything back to storage. An inventory should be made of supplies left over for the use by next years committee.

Problems and Recommendations

Our asbestos heat shield has warped and broken and we should plan to replace it - cost about \$30.00.

Shrimp delivery must be more punctual, we were in a stew because delivery was slow - we can better aid the contractor if necessary with transportation and labor.

Much of the shrimp was delivered in 5 lbs. frozen boxes - "We Must Not Do That" - we must insist that shrimp be delivered in bulk quantities. The cooking quality is hurt by this because the inside and outside of the frozen blocks cook at different rates and the excess of ice causes us to drain off soup from the cooker and therefore changes the recipe. We also don't have a crew big enough to handle the extra work at a reasonable level of effort.

The committee is going to look at the feasibility of moving the shrimp cooking out of the cookshed and away from the smoke. We must solve the cooker drain problem and provide overheat shade. We will, of course, coordinate any such major change with the General Chairman before implementing any changes to our established routine.

9

1982 SHRIMPOREE
BEANS COMMITTEE REPORT
SEPTEMBER 18, 1982

Supplies:

The supplies required are shown in enclosure 1. The beans were procured. The spoons were borrowed from Clear Creek Independent School District. The propane torch and the can opener came from storage. The soft aluminum throwaway pans (new this year) and the hot pads were purchased. The dish towels and aprons were provided by Bill Tuite. All items were supplied by Alan Wylie and his Logistics Committee

Last year 270 cans of beans were purchased and 131 were consumed. Unused beans were returned. This year we again ordered 270 cans, six cans per case. A change in serving procedure to "serve yourself" buffet lines with no refills tended to result in customers loading their plates with fish and shrimp. Therefore, bean consumption was down. This was no loss, however, since we can return unopened cases for a full refund. Thirty cases were returned which means we paid for 15 cases (90 cans). Four cans from an opened case were given to the Boys Home. This year's consumption of 86 cans is down 34% from last year. A recap of consumption, including statistics for prior years, follows:

	Beans Committee Historical Recap		
	Beans Ordered, Cans	Beans Consumed, Cans	Change from Previous Year
1976	*	*	-
1977	225	200	-
1978	204	172	- 14%
1979	237	229	+ 33%
1980	265	191	- 16%
1981	270	130	- 32%
1982	270	86	- 34%

* Made from Scratch

The above figures are also plotted for convenience of interpretation, see enclosure 2.

Procedures:

The work tasks, shifts, and workers are shown in enclosure 3. The preparation procedures were essentially the same as the last several years:

- o Use preseasoned Ranch Style beans.
- o Use the large barbeque pit.
- o Start fires in the pit approximately 2 hours before serving starts.
- o Heat the beans in opened cans in West end of pit.
- o Transfer to trays and send directly to serving areas or maintain heat by placing trays in East end of pit.

Comments:

All but one rotarian assigned to the Beans Committee, see enclosure 3, made it on Shrimporee day and worked hard. The firewood was dry and well seasoned this year and started very easily and quickly. The Club might consider purchasing and donating to Galveston County permanently installed ceiling exhaust fans to carry the smoke out of the cook shed. This would be of great benefit to all workers in the shed, as the smoke gets rather thick at times. However, if the location of the Shrimporee is changed, this suggestion obviously should be ignored.

The use of soft aluminum throwaway pans was initiated this year. As far as the Beans Committee is concerned, this change from hard aluminum reusable pans worked fine. We used a few more pans, approximately 10, due to a weight limitation with the weaker pans. We loaded each pan with two cans of beans versus the four cans we could put in the stronger reusable pans. But, since consumption was down, we still had no trouble with oven space for warming.

We appreciate the help of all the committee members and look forward to an even bigger and more successful Shrimporee next year, with fewer beans.

1982 Beans Committee

Supplies Required:

<u>Quantity</u>	<u>Item</u>
270	#10 Cans, Ranch Style Beans
2	Spoons, Slotted, 18" Long
1	Can Opener, Heavy Duty
8	Dish Towels
6	Pot Holders
12	Serving Pans, 6" Deep by 15"x18"
10	Aprons
Stack	Firewood
1	Work Table
1	Propane Torch (for starting wood fire)

1982 Shrimporee
Beans Committee
Historical Recap

August 30, 1982

TO: Beans Committee Members, '82 Shrimporee
FROM: Committee Chairman
SUBJECT: Work Schedule and Instructions for Shrimporee,
Saturday, September 18, 1982

Listed below are the work schedules and the responsibilities for each shift:

11:00 - 2:15

- * Bob Wren, Bob Soltys and Warren Smith
- * Set up heat facility for beans
- * See that supplies, utensils, etc., are ready
- * Begin heating beans at 11:30 p.m.
- * Start wood fire for keeping beans and other food warm

2:00 - 5:00

- * Bob Driver, Jim Twining and Tres Miller
- * Heat beans as required
- * Maintain fire in warming oven

4:45 - 7:45

- Bob Wren*
- * ~~Ray Hooker~~, Bert Benson and Bill Shaver
- * Heat beans as required
- * Maintain fire in warming oven
- * Clean up utensils and return all items (including pans (12), spoons (2), pot holders (6), and surplus beans) to Alan Wylie (Logistics Committee)

After the Shrimporee, please call me (483-2863 or 996-0909) to forward any comments or suggestions which should be incorporated in the report.

Thanks,

Bob

TO: General Chairman - 1982 Charity Auction (Space Center Rotary)

FROM: Bill Shallberg - Chairman, Cole Slaw Preparation

A. Schedule

1. September 1, 1982

- a. Purchase six 20-gallon plastic barrels to bring the desired total to 20 available. Approximate cost \$90.00.
- b. Purchase 25-30 heavy duty plastic bags (clear plastic, 36" x 54") for barrel liners. Approximate cost \$15.00.
- c. Marinade ingredients ordered and delivered to UH/CLC cafeteria. Approximate cost \$300.00.
- d. Vegetables ordered for slaw by UH/CLC cafeteria manager. Approximate cost \$800.00.
- e. Memo sent to UH/CLC Director of University Police requesting access to loading dock, freight elevator and cafeteria on September 18, 1982.
- f. Memo sent to UH/CLC Cafeteria Manager requesting use of cafeteria and refrigeration facilities on September 17, 1982, 3:30 p.m. to 8:00 p.m.
- g. Fred Joy alerted to have cole slaw barrels (20) in UH/CLC cafeteria on September 17, 1982.
- h. All members of committee to be notified as to duties, schedule, etc.

2. September 17, 1982

- a. Committee members prepare slaw starting at 3:30 p.m. at UH/CLC cafeteria.

3. September 18, 1982

- a. Slaw transported to Shrimporee site and served throughout day.

B. Budget

Approximately \$1,200.00

C. Shift

All members of committee to assist in preparation; five to serve on site.

D. Manpower Requirements

Seven Rotarians; no wives; 2 committee special assistants

E. Supplies

See under schedule A.

F. Proposed Changes to Rain Plan

None

G. Confirmed Committee Members

August 31, 1982

TO: Ms. Nancy Lee, Director
University Police
University of Houston at Clear Lake City

The 1982 Space Center Rotary Shrimporee is again upon us. The University has been most cooperative in the past years and I am again asking for your assistance this year for the following:

In order for the Coleslaw Committee to remove the slaw barrells from the refrigeration unit in the UH/CLC cafeteria, we are requesting access to the loading dock, freight elevator, and cafeteria on Saturday, September 18, 1982 from 10:00 a.m. to 11:30 a.m.

We very much appreciate your cooperation on this matter. If you have any questions you may contact my wife, Mary Ann Shallberg, at UH/CLC ext. 336.

Sincerely,

William L. (Bill) Shallberg
Chairman, Colselaw Committee
Space Center Rotary Club

August 31, 1982

TO: Ms. Peggy Pennington, Manager
P.F.M. Food Service
University of Houston at Clear Lake City

The 1982 Space Center Rotary Shrimporee is again upon us. The University has been most cooperative in the past years and I am again asking for your assistance this year for the following:

- 1) The use of the cafeteria and refrigeration facilities on Friday, September 17, 1982, from 3:30 p.m. to not later than 8:00 p.m. As you recall, we will need the refrigeration overnight until the slaw barrels are removed the morning of September 18, 1982.
- 2) We would like for you to order for availability on September 17, 1982, the following (University Food Service to be reimbursed by Space Center Rotary Club):
 - a) 800 # prepared cabbage in 20 # bags
 - b) 200 # prepared onions, bag size unknown
 - c) 65 # prepared green peppers

Thank you very much for your fine assistance and cooperation. If you have any questions, you can contact my wife, Mary Ann Shallberg, at UH/CLC ext. 336.

Regards,

William L. (Bill) Shallberg

August 31, 1982

Dr. Charles S. Hardwick
16559 Holly Trail Drive
Houston, Texas 77058

Dear Charlie:

As you know, the 1982 Space Center Rotary Shrimporee is rapidly approaching. As a new member of the Coleslaw Committee, you cannot believe the unbridled fun and thrill-packed moments we share in the UH/CLC cafeteria the night before the Shrimporee and on the big day itself, making and serving Rotary Coleslaw!

This year we will meet as usual in the UH/CLC cafeteria on Friday, September 17, 1982 at 3:30 p.m.--or near that time, at your convenience. I assume that you will help serve on Saturday, September 18 also--if everyone puts in a couple of hours I see no problem.

I really appreciate your help and cooperation. If you have any questions please call me at my office (486-7866) or at home (333-3210).

Best regards,

William L. (Bill) Shallberg

Dear Ron:

As you know, the 1982 Space Center Rotary Shrimporee is rapidly approaching. As a new member of the Coleslaw Committee, you cannot believe the unbridled fun and thrill-packed moments we share in the UH/CLC cafeteria the night before the Shrimporee and on the big day itself, making and serving Rotary Coleslaw!

This year we will meet as usual in the UH/CLC cafeteria on Friday, September 17, 1982 at 3:30 p.m.--or near that time, at your convenience. I assume that you will help serve on Saturday, September 18 also--if everyone puts in a couple of hours I see no problem.

I really appreciate your help and cooperation. If you have any questions please call me at my office (486-7866) or at home (333-3210).

Best regards,

William L. (Bill) Shallberg
Coleslaw Committee
Space Center Rotary Club

1979 Shrimporee - Cole Slaw Recipe

One batch - (serves about 300)

a. Cole Slaw

Mix:

Cabbage, shredded	40 pounds
Onions, white, chopped	10 pounds
Peppers, green, chopped	3.3 pounds

b. Marinade

Mix:

White vinegar	1 gallon
Water	$\frac{1}{2}$ gallon
Sugar	5 pounds

Then add:

Mazola oil	$\frac{1}{2}$ gallon
Salt	5 tablespoons
Black Pepper	1 tablespoon

Mix thoroughly and pour marinade over vegetables. Close plastic bag and place in refrigerator.

SHRIMPOREE COLESLAW

PER BARRELL

40 # cabbage

10 # onions

3 1/3 # green peppers

COLESLAW DRESSING

PER BARRELL

7 1/2 # sugar

1 1/3 gal. vinegar

1/2 gal. Mazzola oil

Salt & Pepper to taste

11

1982 Fish Frying Committee
Ron Neighbors, Chairman

The major difference in the 1982 Shrimporee--Fish Frying effort was caused by an adjustment in the serving procedures. While it is not my intent to evaluate the change, it did allow people (customers) to take an abundance of shrimp and "forego" the fish. Now we all know that the fish is the best product that we put out and is superior to the shrimp. However, public appeal for shrimp is greater and given a choice, we know what they will choose. After all it is called a Shrimporee not a Fishoree.

As in prior years, we started frying early to be able to get the fish prepared before the noon rush. This year we over cooked. This is wasteful and also produces an unsatisfactory product. The quality of the fish decreases the minute that we put the fish in the smokers. When the fish stays in the smokers for any length of time, it becomes rubbery and becomes less tasteful.

The necessity to store frozen fish some distance away from the cooking site also poses a problem in that you have to commit very early as to how much fish enters the "no return" process.

Recommendations are as follows:

- 1) If there are to be changes in the serving process that affects the amount of fish required, then we must regulate the fish frying effort.
- 2) We should provide enough fish fryers to support the needs of fried fish on a basis that does not require the use of smokers.
- 3) We should consider any improvement in the frying process--that is the fryers are getting old and either need to be replaced

added to in like kind or some other vat process or better method.

- 4) If a truck were available to store the frozen fish, it would minimize the amount of fish that would be wasted.
- 5) We must provide a clean-up crew to help with the messy clean-up and the loading of equipment. By the end of the day, the Fish Frying Committee members are exhausted.

In summary, we had great support from all other Committees, an improved electrical hook-up system, but we fried too much fish and did not have enough customers.

Attached is a list of equipment and supplies for 1982, and a list of Rotarians on the Committee. There were also numerous volunteers without whose help we would not have made the day.

FISH FRYING EQUIPMENT AND SUPPLIES
NEEDED FOR 1982 SHRIMPOREE

- 2500 Pounds Icelandic Cod in 5 lb boxes
- 2 Large Racks with Trays - to hold battered fish
- 48 Deep Hotel Pans 6" - to hold cut fish and fried fish
- 6 Sharp Heavy Knives - to cut fish
- 1 Diamond Knife Sharpener - to sharpen knives
- 4 Cutting Boards - to cut fish on
- 2 Clean (New) Heavy Duty Plastic Grabage Cans - for batter mix
- 2 Mixing Paddles - for mixing batter
- 1 Pair of Long Tongs - for reaching into hot oil
- 2 4" Strainers - to strain hot oil
- 1 10" Funnel - for putting hot oil in containers
- 1 Large Dipper - for dipping hot oil
- 1 Large Strainer - for straining fish batter
- 30 Aprons
- 8 Dozen Towels - to clean hands, tables, pans and messes
- 5 Pair Cotton Gloves - for fish fryers and handling hot oil
- 4 Rolls Better Quality Paper Towels
- 4 6' Folding Tables - for thawing fish
- 1 Roll of Plastic - to cover tables and put fish on
- 1 Roll Butcher Paper - to cover large tables for cutting and battering
- 1 Staple Gun and Staples - to hold paper down on tables
- 1 Roll 1" Wide Masking Tape - for plastic
- 2 Fans (Large) - for use in thawing fish or cooling helpers
- 2 Extension Cords - for fans
- 12 25 lb Sacks of Yellow Corn Meal - for batter
- 12 25 lb Sacks of Flour - for batter
- 25 Pounds Salt 1 lb Containers - for batter
- 10 Pounds Pepper (Large Boxes) - for batter
- 20 5 Gallon Containers of Peanut Oil - for fish frying - *may not be enough*
- 1 55 Gallon Drum with Metal Lid - for hot oil (A drum of good quality is required, and it must not leak. A lid is very important for SAFETY)
- 6 Electric Deep Fryers - *provided Eight*
- Wood for Smokers - may be provided by request from Bean Committee

Nov. 3, 1982

TO: Jack Eggleston, Chairman, 1982 Shrimporee
FROM: Bev Steadman, Chairman, Condiment Committee
SUBJ: Final Report

The Red Sauce Committee operations for the 1982 Shrimporee went smoothly and without any significant problems. This was primarily due to the following:

1. Establishing and documenting in detail all steps to be taken from previous years' operations.
2. Support provided by the Logistics Committee, Alan Wylie and Jim Haas.
3. Full time support and initiative of George Hall, Co-Chairman of Condiment Committee.
4. Janie Smith serving as lead Rotary Ann to organize and run the serving tables.
5. Volunteer workers solicited by Chuck Jacobson.
6. Serving support by those volunteer workers (see Encl. 1).

We prepared approximately 60 gallons of the red sauce and served 11 gallons of ketchup only. This was slightly more than half of the quantities ordered. Earlier in the year you and I had discussed the number of people to be served and we agreed on 5,000. Based on your estimate of 2,800 through the gate, the amount prepared was about on target. According to our calculations, we prepared 3,760 oz. (60 gallons) of red sauce and served an additional 1,408 oz. (11 gallons) of ketchup. Based on actual costs, we served the red sauce for 7¢ per 2 oz. cup.

Operations Layout

We set up the serving tables as recommended by the 1981 Final Report. The layout was as shown in the diagram on Encl. 2. I strongly recommend that it be used in future Shrimporees because the flow of traffic was very smooth with a minimum of waiting. We could have served twice as many with no strain. Regardless of next year's location for the Shrimporee, the condiment serving tables should be in immediate proximity to the end of the food serving lines. The next year's Condiment Chairman should re-evaluate the situation in close consultation with the Food Committee's final decision as to where the food serving lines are to be stationed.

While the flow of traffic was aided by use of a "Red Sauce" sign in front of the red sauce tables and another sign in front of the bread/napkin/fork table (diagram on Encl. 1), some people seemingly cannot read so everything must be under their noses; hence the need for proximity of both tables to the food serving exit area.

Serving

We were always well staffed at the serving tables and possibly could manage with a total of 3 servers per shift instead of the 4 per shift we had available. If the day is a hot one, I recommend sticking to 4 per shift. The 2 oz. cups were used exclusively and that allowed the server to fill enough cups in advance so that there was never a wait to be served. Servers were given the option to use the ice cream scoops or the 1 quart size pouring flasks; the scoops were preferred over the plastic pouring flasks. A new "Ketchup Only" sign was located at the end of one table and that location proved to be sufficient for all needs.

Although we did not have a planned sale of red sauce, we packed up the remainder (about 15 quarts) and brought it to Rotary Club the following Monday and sold it for \$1.00 per quart. Because of the interest of Rotarians in wanting to buy some, I recommend that next year all remaining ingredients (broken cases of ketchup, chili sauce, horseradish, etc.) be used to make up extra red sauce for sale at Rotary the next Monday. The empty quart horseradish jars are ideal for this purpose. With actual costs at 7¢ per 2 oz., each quart (32 oz.) should be sold for \$1.50.

General Operations

The previous year's report (an extract of the general plan I wrote in 1980) details the plans and operations sufficiently. I am attaching it, modified slightly, as Encl. 3 to this report rather than rewrite it. This enclosure, supplemented by the information in the previous paragraph of this report, provides an adequate planning guide. We had only two Rotarians working (Steadman and Hall); Will Owens had an illness in the family. While 2 would be sufficient, they must be 100% committed to the Condiment Committee routine. Unfortunately, George Hall had been tapped to serve a shift on the food serving line, which placed a real burden on the 1 remaining person. This should be

avoided in 1983. Schedules and assignments are indicated on Encl. 4.

If we stay at Galveston County Park in 1983, I recommend that the cole slaw group be located closer to the serving window and condiments be positioned closer to the door. We were reversed from that this year and were constantly crossing each other's operation.

Expenditures

The Logistics Committee procured all consumables. I have already been reimbursed for lumber, poster board, miscellaneous hardware, etc. that I used in making the new signs.

Returned to Storage

The following items and amounts of non-perishables were returned to Alan Wylie and inventoried for next year's operation:

2 oz. paper cups	6,100
Large napkins	15,000
Large plastic forks	4,000
Salt & pepper packets	1,000 ea.
Silver conduit tape	1/2 roll
7' standard with sign on base "Red Sauce"	1
7' standard with sign on base "Forks, break, napkins"	1
3' standard with sign on base "Ketchup"	1

The above reserve of non-perishables should be taken into consideration in ordering for 1983.

Equipment Retained

The only equipment that I retained that belongs to Rotary is detailed below. When next year's Condiment Chairman has been selected, I will turn these over to him:

- 1 Super Duper mixer (stainless steel, 1 1/2" shaft with blades attached.
- 4 Plastic buckets, 3 gallon capacity. (These are in poor shape and should be replaced.)
- 5 Ice cream scoops for pouring sauce into the 2 oz. cups.

1 Heavy duty can opener

4 quart-size plastic pouring flasks with spouts for filling the 2 oz. cups.

Recommendations

1. That George Hall be the Condiment Committee Chairman for 1983.
2. That the red sauce operations layout for 1982, as shown on the diagram, be used in future Shrimporees.
3. That the quantities of raw materials ordered be significantly reduced.
For a 1982-type crowd, I recommend the following quantities:

Ketchup: 10 cases of 6 1-gallon cans	60 Gal.
Chili Sauce: 2 cases of 6 1-gallon cans	12 Gal.
Horseradish: 2 cases of 12 1-quart jars	6 Gal.
Worcestershire Sauce: 2 1-gallon jugs	2 Gal.
Lemon Concentrate: 2 1-gallon jugs	2 Gal.
Tabasco: 3 boxes of 24 2-oz. bottles	
Bread: 90 loaves	
2 oz. Paper Cups 6,000	
Napkins: 10,000	
Forks: 6,000	

4. The Condiment Chairman and the General Chairman should agree on the best estimate of servings to be made and supplies should be ordered according to that number.

B. E. Steadman
Chairman, Condiment Committee

OPERATING INSTRUCTIONS
EXERCISED FROM

SHRIMPOREE 1980
FINAL
REPORT

FOR
1982 FINAL REPORT

CONDIMENT COMMITTEE

3. General Checklist of Items ^{Chairman & Deputy} ~~(Steadman and Cheatham)~~

a. Clean and sterilize scoops and large and small plastic buckets stored from last year. (currently in Steadman keeping). ~~Need to~~ Buy 4 more serving buckets

^{as required}
(Steadman to do).
(Chairman)

b. Items to Bring

✓ • Scoops

✓ • 4 2-gal. serving buckets, spare 6-gal. serving buckets with lids.

~~✓ • 2 large foil broiler size pans for forks (1 for each table)~~

✓ • Pan for the red sauce in food building for the workers to dip red sauce, need lid

✓ • Pair of pliers

✓ • Large size hand-operated can opener (backup to the electric can opener to be provided by Logistics.

✓ • Hatchet in event neither can opener works (to open gallon cans)

○ • Bring extra Handiwipes for serving tables

✓ • Electric hand drill and chuck key

✓ • Working extension cord, at least 12 feet long

✓ • Super Duper sauce mixer

✓ • Hammer and nails

○ • Strong, effective kitchen scrubber

○ • Spare roll of 4-mil vinyl for covering tables (Logistics supposed to provide, but bring a spare. Will need for rain plan possibility).

○ • Roll of air-conduit tape for holding down vinyl cover

✓ • Copies of:

- Table locating diagram

- Supplies ordered for us by Logistics

- Formula sheet

- Serving table layouts and instructions

- Rain plan

○ - optional

- Serving ladle, kitchen size
- Spatula or long blade scraper
- ~~• Plastic bags~~
- ~~• Large size rubber bands~~
- Large measuring cup (4-cup size)
- ~~• Ice chests, large and medium size, for storing and refrigerating horseradish)~~
- Band-aids (handling cans will result in cuts)
- Clean shirt
- Camera, film and flash bulbs
- Other TBD

c. Immediately on arriving, check that all supplies ordered are on hand. Report any shortages immediately to Logistics.

d. Set aside sufficient aprons for serving ladies and our guys.

e. Set aside for our exclusive use at the preparation table at least 12 towels from the main supply. *Servers at Condiment Table need some too.*

4. Setup Functions *(Chairman & Deputy)* ~~(Steadman and Cheatham)~~

a. Tables (see diagram)

- ~~3 parallel under the trees~~ *AS DIAGRAMED*
- 1 against the food building for supplies and storage
- 1 in food preparation building

b. Cover and tape vinyl to both food serving tables and the red sauce preparation table

c. In food preparation building, assemble cases of ketchup and chili sauce, horseradish, and other condiments under or as close as possible to the red sauce preparation table.

d. Stack all other supplies on, under, or near the support table.

e. Build up each serving table as indicated on the table diagram:

- Use empty bean/ketchup boxes for container for napkins, 1 per table
- Use *CARD BOARD BOXES* ~~the large foil pans~~ to hold forks, 1 per table. (Empty bean box makes a good substitute).

- f. Pepper and salt packets. Last year there were some small compartmented boxes that would hold pepper and salt packets. If not available, use the box the Tabasco comes in. If neither available, use the foil pans.
- g. Bread. Set up the maximum number of unopened loaves on each table per the diagram. Stack as many racks of bread under each table as possible.
Remaining racks are stored at the supply table.
- h. Store under each serving table the maximum number of reserve napkins, salt and pepper, forks, 2-oz. serving cups. Use these first, then go to reserve stores table.
- i. Once the go-ahead has been given by ~~John~~ ^{GENERAL CHAIRMAN}, prepare 4 batches of red sauce. Try to maintain this level at all times until the pace has slowed down as the day tapers off.
- j. Signs. There should be 2 signs left over from last year saying: TO THE CONDIMENT TABLES. ~~Steadman is to verify their availability or order 2 more.~~ Nail to trees for easy notice. ~~We need RED SAUCE FOR SALE signs. Steadman is to order. One is to be used at the dessert shed and the other(s) displayed near serving tables.~~ TWO MORE SIGNS AS DESCRIBED IN THE REPORT.
- k. Keep a bowl of red sauce available to food workers in the food building. We need a simple cover which Steadman will bring.
- l. Keep gallon cans of clean water on each serving table for use by the servers. Be sure the rims of these cans are crimped smooth to avoid cuts.

5. General Instructions for Preparation of Red Sauce (Steadman and Cheatham)

- a. Follow the formula sheet. Each batch (4 units) makes 376 2-oz. servings. The servers will ~~either put the red sauce directly on the plate or~~ in the 2-oz. cup ~~depending on the whim of the hungry client.~~ ^{agreed number of}
- b. The 4-unit batch. ~~We ordered enough supplies to make 24 mixes or slightly over~~ ^{at approx 6 gallons per mix} ~~120 gallons.~~ Add ingredients in this order:

4 gal.	Ketchup
1 gal.	Chili sauce
1/2 gal.	Horseradish
2-3/4 cups	Worcestershire
2 cups	Lemon concentrate
3 (2 oz.) bottles	Tabasco

Mix until all is blended. NOTE: Always put the ketchup and chili sauce in first. The mixer is designed to force the other ingredients down through the heavy red stuff.

- c. Fill serving buckets in food building (~~we have 9~~). The outside men will transport them to the serving tables and return empties.
- d. Clean serving buckets before refill and returning to tables. (*we did not clean buckets each time*)
- e. Remember, start with 4 full batches and try to keep that level until the pace definitely is slowing down.
- f. Remember, we will keep an open gallon can of ketchup at each table for those who do not want red sauce. Be certain each rim is smooth before releasing to tables.
- g. *optional report 82 report* ~~The 16-oz. plastic containers with tops are for the sale of red sauce at dessert shed for \$2.00 each. If someone wants to buy from you at the preparati table, accommodate them but at \$2.00 each. If sales are going well at the dessert shed, keep the dessert committee supplied.~~
- h. Save the Tabasco bottles as we use the number of empties to help count the number of batches made.

6. General Operations

Basically, these instructions apply to the outside team, ~~f.e., Chuoke, Owen, and Benson~~ *Carham ever* with backup by ~~Cheatham or Steadman~~ *Prinham or Deputy*. The main requirement is to see that supplies of all categories on the serving tables are replenished on a timely basis. This means that the outside man of the schedule is there at all times. Use suppli stashed under the serving tables first and then go to the reserve stores. Red sauce is made up in the food building.

- Red Sauce. Per the diagram, 2 serving buckets are at each table. Backup serving buckets are on the ground at the serving positions ready for changeover.
- Bring empty buckets to food shed for cleanup and refill and return immediately to tables.
- Ketchup at tables. Open cans, replace as required.
- Bread. Loaves on table as per diagram. Open loaves for easy access. When down to heels or a few slices, people will not take them. Keep these cleared, discard to trash cans. Save good slices and add to loaves opened up.
- Knapkins, forks, salt and pepper. Replace from stores as required.
- Miscellaneous. Be responsive to serving ladies' needs at all times. Fill in on serving line as required.

7. Shutting Down and Closing Up

- Return unused supplies to food building. *Develop accurate inventory for Logistics*
- Remove table covers and clean tables. Fold and stack tables.
- Food preparation table. Same as above.
- Unused/unopened supplies to be assembled at collection point for return to suppliers by the Logistics Committee.
- Remainder of open cases of unused supplies (ketchup, chili sauce, horseradish, etc.) return to Joe Skelly for his distribution and disposition.
- Remaining unused red sauce:
 - Sell it!
 - Give it away!
 - Throw it away!

8. Rain Plan

No formal decision as yet on this year's Rain Plan. We will probably follow the one developed for last year. Until we hear to the contrary, see our Rain Plan for last year, copy attached.

- 9. The Unspoken Command - Hope for another beautiful day!
- 10. SLEEP WELL!

October 14, 1982

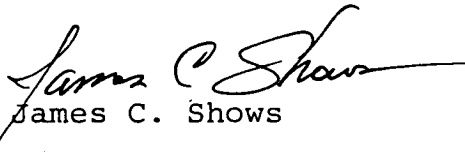

Memorandum

To: Mr. Jack Eggleston
Chairman
1982 Rotary Shrimporee Committee

From: James C. Shows
Chairman
Beverage Committee

Attached is the committee report for the Beverage Committee. I have attempted to organize the report so as to facilitate the planning by next year's committee chairman.

The report is subdivided into three sections for clarity. These sections are: Section 1 - Beer; Section 2 - Soft Drinks; and Section 3 - Wine Coolers.

James C. Shows

Enc

/slw

1982 BEVERAGE COMMITTEE REPORT

GENERAL. I would like to take the opportunity at the beginning of this report to recognize and thank those fellow committeemen who contributed invaluable guidance and hard work. Alphabetically they are: Pete Gist, Al Jowid, Carlos Villagomez and Walt Wicker. In addition, a list of all those that worked on the committee, both Rotarian and volunteer, is attached.

SECTION I - BEER

CHAIRMAN: CARLOS VILLAGOMEZ

PROCUREMENT. Bids for the beer concession were requested from Del Papa Distributor (Budweiser), Coors and Schlitz. The representatives were Budweiser (Galveston), Mr. Brad Wolfe, telephone number: Office 1-740-3505; Coors (Houston), Mr. Randy Boston, telephone number: Office 1-799-9910, Home 669-1544; and Schlitz (Galveston), Mr. Hal Gregory, telephone number 762-9619.

The concession was awarded to Budweiser based on lowest bid, \$26 per keg for Budweiser and \$21 per keg for Budweiser Light for 20 mixed kegs and over. The Coors price was a fixed \$31 per keg. Schlitz did not respond to the beer request but did propose the wine coolers (See Section 3).

Five individual Rotarians contributed a keg of beer (all Budweiser to standardize the prices) for the working Rotarians. A special beer chiller/dispenser was set up in the cooking building to control "freebees." This seemed to work well. The beer was sold in one size only (14 oz.) in plastic cups donated by Budweiser. The ice for beer, soft drinks, iced tea, and wine coolers was also donated by Budweiser.

ACTIVITY. The Budweiser team arrived at the park around 10 a.m. Saturday and set up the beer booth and beer chiller. The team consisted of Mr. Brad Wolfe, Mr. Bill Falkenhagen, and Mr. Brett Brannen. The team remained all day, insuring a continuous supply of cold beer. At approximately 8:00 p.m. the team closed the booth, removed all equipment and left the facility in a nice, clean condition. Rotarians and volunteers had only to sell the beer.

RESULTS. A total of 25 kegs (140 cups/keg) of beer were sold (20 kegs to the public and 5 to the Rotarians).

SECTION 2 - SOFT DRINKS

CHAIRMAN: WALT WICKER

PROCUREMENT. The soft drink concession was provided by Coca Cola of Galveston, Mr. Ron Berry, telephone number, Office - 488-8987; Home - 938-8627. Coca Cola was awarded the concession without competition. The prices were \$10 per tank with a minimum of 5 tanks. Each tank provided approximately 100 12 oz. drinks with ice and sold for 50¢ each. The cups were also purchased. As stated earlier, Budweiser donated most of the ice. Three trailers were requested to dispense 15 Coke, 7 Tab, and 7 Sprite containers.

ACTIVITY. On Friday afternoon I met the Coca Cola trailer team to park the trailer overnight in a reasonably secure parking area (lighter area in front of the park manager's house). One trailer was delivered. Extensive conversation with the Coke representative after delivery did not change the situation.

On Saturday the trailer was moved into position in the eating area and set up by extensive effort by Rotarians and volunteers. The single trailer was totally inadequate, but by a super effort by Walt Wicker, the single trailer made do.

Problems were encountered with leaking tank valves. Walt did a complete clean-up of the Coke stand Saturday evening and the trailer was moved to the storage area by Rotarians. The Coca Cola Company only delivered the trailer Friday evening and picked it up the following Monday; "Nothing Else."

RESULTS. All Coke, Sprite and Tab was sold by late afternoon (except one Tab, valve failure). In addition, Chuck Jacobson made two trips to a League City supermarket to purchase approximately \$130 of additional soft drinks.

SECTION 3 - WINE COOLERS

CHAIRMAN: AL JOWID

PROCUREMENT. Schlitz did not bid on the beer concession, but proposed to provide a wine cooler supplies and services. Following approval of the Shrimporee chairman for a new beverage this year, Schlitz, Mr. Hal Gregory was given the go-ahead. Ten casts of wine (18 liter/cast), 6 white (Chablis) and 4 pink (Rose'), were delivered Saturday morning at the cost of \$23.95 per cast. A wine cooler consists of 1/2 part wine and 1/2 part soda (Chablis/club soda - Rose'/sweet soda) over ice. Each cast will supply approximately 100 - 12 oz. drinks, sold at \$1 each. Rotary Ann's were the primary volunteers for the wine coolers.

RESULTS. Almost four casts were sold at the Shrimporee (more advertisement - sign needed) and four casts were sold to Rotarians the following Monday. Two casts were returned to Schlitz. The club soda and Sprite were purchased from a super market for the introduction of the wine cooler. This worked okay, but could possibly be improved for larger sales volume.

SECTION 4 - OTHER DATA

LICENSE - The liquor license was obtained and donated by Larry Rowe. Note: Locating the wine cooler booth on one end of the beer concession required only a single liquor license for both.

\$ CURRENCY - The change projected for each of the three concessions was estimated and provided by the Shrimporee Treasurer Saturday and worked out well. The change aprons (nail pouches) were provided by Alan Wylie. These are being laundered and placed in the Rotary store house.

SPECIAL ITEM - Both Carlos Villagomez and Al Jowid delivered beer and wine coolers to the Auction crowd. This was a great idea because the drinks sold immediately (no one wanted to leave the auction to get a drink). Better trays and more members on the beverage committee to serve drinks is recommended.

FINANCIAL RESULTS - The expenses and income from the Beverage Committee is reported in the treasurer's report.

M EMORANDUM

TO: Jack Eggleston, General Chairman

FROM: June Rosenhagen, Dessert Chairman

Below are answers to your seven questions.

- a. We sold ice tea for fifty cents a glass plus all the refills they wanted. We sold around \$150. worth of iced tea. We also marked down the cut desserts at 5:00 o'clock, but not the whole cakes, pies, etc. until the last minute.
- b. Put a rope at each end of our booth to keep people out, plus we don't need an extra table at the end of the booth. The desserts should be set on the busy side of the dessert booth to avoid the sun melting the frostings, etc.
- c. I started off by dividing the overall list into groups of 6 names per group and choose 19 people I knew to do the calling of six people, what they would bake and if they could help in the booth and what time. (Marge Jacobson is working on a revised list of womens names.) The women called anywhere from 2 - 3 weeks ahead of time. From these lists I compiled the major list knowing who was bringing what and what time they would be helping in the booth. Next year I would recommend only having 6 women working in the booth per hour to avoid the crowding of each other, but to have a few people handy in case we need more people at the last minute.

I talked with Alan Wylie (Logistics) to see what we had stored and what would have to be ordered, he bought what we needed.

The article for the August Blastoff had to be run off at Kwik Kopy (charged to the Shrimporee, dessert committee), then taken to Walt Wickers office at U of HCLC.

In checking with Aaron Schein (treasurer) I asked for \$200. worth of change to start off with. I would recommend only \$100. , fifty ones, and fifty in quarters.

- d. We sold iced tea for 50¢ a glass, coffee 25¢ a cup, whole cakes and pies from \$4. to \$7. each. Cut desserts from 25¢ to 50¢ea.

- e. The only expenses I had was the Kwik Kopy bill for running off the article for the Blastoff in August. Other than that Alan Wylie bought coffee, tea, and cups for tea. Incidentally the bill from Kwik Kopy was \$12.20.
- f. I don't have anyone to list here.
- g. I started about nine o'clock and had two helpers by 10:00. The boy scouts set up two tables inside our booth and one at the end for dropping off desserts. We covered the serving area with green cloths furnished by Bill Twite, and plastic cloths on the two center tables where the desserts are cut. Two signs were made one for inside the other for outside the booth for all to see the prices of everything sold. Later a third sign was made stating that iced tea was 50¢ a glass with refills and that sign did the trick as we sold a lot of ice tea after that. We set out our knives, spatulas, etc for cutting cakes & pies and had a large jar of water for cleaning utensils. We found at least 2 cloths handy for clean up. We made coffee right away for the Shrimporee helpers. The tea was made in an Igloo plus ice was kept in another Igloo. (we used 1 large bag of ice and 4 small bags. We were ready to take any desserts that were dropped off from 9:00 on, plus take the persons name and what they brought. We had 61 people to donate desserts this year.

Just before closing we marked the remaining items very reasonable. We had several left and gave to the boy scouts who had been helping with set up and clean up duty. The items to be returned to storage were boxed up and placed in a designated area for Alan Wylie. The money was turned over to Aaron Schein. June Rosenhagen has the Mr. Coffee and 7 money aprons at her house ready for next year. Also an opened coffee, creamer and instant tea.

Jack I hope I have given the information you were wanting. If there is anything else which I left out please let me know.

I enjoyed working with the women in this project. It's a great way to meet the women and hope to get to know them better. Thank you for asking me to be the chairman, I thoroughly enjoyed it.

Sincerely,

June Rosenhagen

MEMORANDUM

TO: Mr. Jack Eggleston, Chairman
1982 Space Center Rotary Club Shrimporee
and Auction

5 November 1982

FROM: Pete Gist

SUBJECT: Final Report, Entertainment Committee

The only entertainment provided for the Shrimporee this year was country and western music for about one and a half hours preceding the start of the auction. The music was provided by the Town & Country Express Band at a cost of \$200.00.

The objective of having music prior to the auction was to draw the crowd to the auction area so that when the auction was ready to start, the crowd would be preassembled. This objective was attained very well.

It is my opinion that entertainment other than pre-auction music accomplishes little or nothing, and is an unnecessary expense.

Pete Gist
Chairman
Entertainment Committee

CEG:psc

TO: Jack Eggleston, Chairman, 1982 Shrimporee

SUBJECT: Food Serving Committee Report

CHAIRMAN: Charles Hartman

Co-Chairmen: Dick Chandler and John Watson

The method of food serving, for the 1982 Shrimporee was changed from serving windows to buffet style self service. This change in the method of food serving seemed to work very well, however, it did require some changes in planning and action. See attached layout.

1. There is not adequate space for self service lines inside the cook shed, so it was decided to set up table outside at the north end of the shed.
 - a. A canopy frame was built and covered on top with heavy gauge plastic. Size of the canopy frame was approximately 20' wide X 30' long and 10 ft. high.
 - b. Beneath the canopy, 4 tables, each 3' X 8' were set up with one serving line per table planned. However, 2 lines per table could be used in the event of a large turnout.
2. Inside the cook shack only 2 serving windows were used with 3' X 8' table (corner) for storage of supplies and a 3' X 8' table (between windows) to hold food trays.
3. Food serving, as in past years was divided into 3 - 2 hour shifts. The chairman and 2 co-chairmen were each responsible for 1 shift. Each shift consisted of a chairman and 12 people as indicated on attached schedule.
4. Clean-up crew is not a part of food serving committee as in the past. However, 4 people should be assigned to dismantle the canopy frame and prepare it for storage.

SUMMARY OF 1982

- * Total meals served - 2514 (ticket count)
child - 337 adult 2177
- * Self service went very smoothly.
- * No refill policy presented no major problems. Few complaints and a few filled plates to overflowing, but these incidents were minimal.
- * Approximately 42 Rotarians and volunteers worked on Food Serving Committee. This is less than 50% of needs in past years.
- * Two hour shifts did not seem to present any problems.
- * In addition to scheduled servers, 2 Boy Scouts were assigned to end of serving line to clean up any spilled plates or trays.
- * Disposable aluminum serving trays work well.
- * Disposable styrofoam ice chests were used as serving trays for shrimp.

SUGGESTIONS FOR 1983

- * Continue self service lines
- * Use disposable serving trays
- * Design canopy frame to use lumber with maximum length of 8' for easier assembly, dismanteling and storage.
- * Assign one additional person to work in shrimp boil area to fill serving containers with shrimp.
- * Assign one additional person to work inside cook shack at the serving windows to pass trays to food monitors outside.
- * Use only 10½" plates.
- * 1982 layouts and schedules attached.

TICKET TAKERS

TO STAND AT THE HEAD OF EACH SERVING TABLE AND COLLECT TICKETS AND ISSUE ONE (1) PLATE FOR EACH TICKET COLLECTED. THIS YEAR, THERE WILL BE NO FREE REFILLS, ONLY ONE SERVING PER TICKET. AS THE TICKETS ARE COLLECTED THEY SHOULD BE DROPPED INTO THE TICKET BOX AT THE HEAD OF EACH TABLE.

LINE MONITORS

TO CIRCULATE AND DIRECT PEOPLE TO THE SHORTEST OR FASTEST MOVING SERVING LINE. EXPLAIN TO PEOPLE THAT THEY MUST HAVE A TICKET TO BE SERVED.
NO FREE REFILLS.

FOOD MONITORS

TO REMAIN IN THE AREA OF THE SERVING TABLES AND REPLACE THE VARIOUS FOOD TRAYS AS THEY BECOME EMPTY.
AS THE SUPPLY BECOMES LOW, THE MONITOR SHOULD CALL FOR A FULL TRAY OF THE ITEM NEEDED.
THE FULL TRAY MAY BE PICKED UP AT THE SERVING WINDOWS OF THE COOK SHACK ADJACENT TO THE SERVING TABLES.

COOK SHACK RUNNERS

TO REMAIN IN THE COOK SHACK AND ASSURE THAT FULL TRAYS OF EACH FOOD ITEM IS AVAILABLE, AT ALL TIMES, TO BE PASSED THROUGH THE SERVING WINDOWS AT THE NORTH END OF THE BUILDING TO THE FOOD MONITORS.
ALSO RETURN EMPTY TRAYS TO THE VARIOUS AREAS WHERE FOOD IS BEING PREPARED.

BACK UP PEOPLE

TO REMAIN AVAILABLE FOR RELIEF OF OTHER SERVERS OR TO ASSIST IN WHATEVER SERVING FUNCTION THAT MIGHT NEED ADDITIONAL HELP.

M E M O R A N D U M

TO: Jack Eggleston
FROM: H. Don Kirk
SUBJECT: Shrimporee Cash Contributions

DATE: January 11, 1983

In an effort to personalize our efforts for 1982 I asked the following to write letters to their fellow professionals:

Dave King - Accountants
Jim McNatt - Dentists
Bill Powell - Physicians
Jerry Pennington - Realtors

I had these letters reproduced and mailed to everyone listed in the yellow pages of the telephone book.

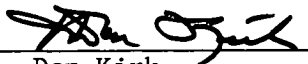

<u>Profession</u>	<u>No. of Letters</u>
Accountants	16
Dentists	37
Physicians	53
Realtors	41
Total	<u>147</u>

Copies of these letters are attached.

It was a good idea but it was not really effective because there was no follow up. It is, however, tough to ask a guy like Bill Powell to follow up on 53 doctors.

Another mistake was that the letters used the club's post office box and no doubt some of the money was not recorded as cash contributions. In the future the money should be mailed to the Committee Chairman so that adequate records can be maintained.

The bottom line showed that we collected \$920.00 in cash contributions which is not near it's potential.

H. Don Kirk

August 23, 1982

Dear Fellow Colleagues,

Like yourselves I have received numerous solicitations for various good causes. They have involved organizations all the way from National to State and even the City of Houston level. My personal interest in them has never been more than lukewarm and as a result unresponsive. Sound familiar? Unfortunately when a really good local Clear Lake Area need arises it falls on this same unresponsive attitude. I would like to change this pattern with local issues as much as possible and need all the help and support I can get. My writing this letter alone should tell those of you who know me that this is a first and really deserves some attention.

This year the Space Center Rotary Club Shrimporee-Auction's primary beneficiary is the Bay Area Meals-On-Wheels for the handicapped and the elderly. It is one of the finest local groups I've seen with a very dedicated list of volunteers. Other beneficiaries all local, include Youth Scholarships, Boy Scouts of America, Crime Stoppers of the Bay Area, and several Drug Abuse Programs.

We have a chance to give some great support to these people who serve our own community. What I am asking for is a personally responsible yet comfortable donation to support this year's Rotary event for these causes. You can send your contributions directly to the Space Center Rotary Club, P.O. Box 58862, Houston, Texas 77258. Please note on your checks that they are for the Shrimporee-Auction Benefit.

By the way, the Shrimporee date is Saturday afternoon September 18th. Shrimp, fish, and beer start early with some great items up for bid later. Come on out and enjoy some good fun, fellowship and community support with friends. I'll be there.

I want to thank you in advance for any help you can give.

Fraternally,

Jim McNatt

R. David King, PC
Certified Public Accountant

August 23, 1982

Dear CPA,

Summer has flown, and Saturday, September 18th, is approaching rapidly. The Space Center Rotary Club's Shrimp Boil and Benefit Auction soon will be attracting our local citizens to Galveston County Park. From this annual community event, proceeds support several local causes, the principal 1982 one being the "Bay Area Meals on Wheels."

Lunch delivery of regular and special diets to house bound people living within the Clear Creek Independent School District started in March, and already the Bay Area Meals on Wheels is credited with saving three lives. Not only do the volunteers deliver hot lunches but they also check on the well being of the meal recipients. The Bay Area Meals on Wheels is made up of all volunteers. They receive neither federal nor local government funds. Meal recipients pay whatever they can afford, and donations make up the difference. The regular and special diets all are prepared and packaged by St. John's Hospital in Nassau Bay at cost, \$2.25 per meal, the major expense at a bargain price. CPAs will appreciate how the dollar expenses are kept down as well as the tax exempt status. The Space Center Rotary Club is pleased to be sponsoring such a worthy group.

Every year local merchants donate items for the Rotary Club's Benefit Auction. Since we CPAs provide services involving special relationships with clients, it may be difficult for CPAs to donate services. Therefore, the Rotarians are asking CPAs in the Bay Area to contribute money to help our community.

In addition to the "Clear Lake Meals on Wheels," proceeds from this festive community event support the following projects: Clear Lake Bay Area YMCA, Senior Citizens' Organizations, Clear Lake High Scholarships, Bay Area Committee on Drug Abuse, American Field Service, Boy Scouts of America, Freeman Memorial Library, Clear Lake Emergency Medical Corps, Crime Stoppers of the Bay Area, Palmer Drug Abuse Program and Boys and Girls State.

We welcome your financial support of the Space Center Rotary Club's Shrimp Boil and Benefit Auction. Make your check payable to the Rotary Club, and please send your community contribution to the following address:

Space Center Rotary Club
P. O. Box 58862
Houston, Texas 77058

Sincerely,

R. David King

P.S. It is tax deductible, too. Ha - Ha.

RDK/jk

SPACE CENTER ROTARY CLUB

POST OFFICE BOX 58862
HOUSTON, TEXAS 77058

August 23, 1982

Dear Colleague:

I wish to intrude in your charitable thoughts to ask for a contribution and purchase of tickets to this year's Space City Rotary Club's annual Fish Fry and Auction, September 18, 1982.

Local merchants are asked to contribute items to the auction while professional and service oriented organizations are asked to help support the fry with cash donations.

One hundred percent of your dollar has gone to the following organizations: Clear Lake Emergency Medical Corps to top out one of their ambulances and to procure a CRP dummy; Palmer Drug Abuse Program; Bay area Council on Drugs and Alcohol; YMCA; Crime Stoppers; Meals on Wheels for elderly and handicapped; Scholarships to students at UHCLC, CCHS, CLHS; Boy and Girl Scouts; Harris County Youth Village; Ed White Youth Center; International projects to procure a refrigerator for a blood bank in a small Mexico city; and many others.

Your contribution can be sent to:

Space Center Rotary Club
P.O. Box 58862
Houston, Texas 77528

The tickets can be purchased through me or any Rotarian or at many of the local banks:

InterFirst Bank Nassau Bay
Bay Area Bank & Trust
Baybrook National Bank
First City of Clear Lake
Allied Bank of Seabrook

They cost the same as last year. Seven dollars for adults and four dollars for children before the gate; one dollar each more at the gate.

I thank you in advance for your cash contribution and purchase of tickets.

Sincerely,

GYN & OB ASSOCIATES

FINAL REPORT

Shrimporee Cash Donations Committee

/980

Chairman: Bob Foster

Members: Billy Burt
Jerry Connors
Ray Hooker
Lrik Vohtz

The goal of \$2500 was not achieved - we fell \$195 short. The attachment is a complete listing of businesses and individuals that were solicited for a donation and an indication of whether they contributed. Also attached is a proposed note I will send to all those we contacted that did not contribute, if you agree and sign the note. I have sent thank you letters to all who contributed.

I suggest a completely new committee for next year. I received no money from any committee member, although I am sure Billy Burt spent time and energy attempting to collect from the Savings and Loan firms and the Title companies. Jerry Connors did sign a letter, also attached, that I wrote and Xeroxed and he mailed it to 100 physicians and dentists after my secretary addressed the envelopes. The follow-up calls to these 100 was done by another of my employees.

New blood is a definite must!

Bob

1981 SPACE CENTER ROTARY CLUB
ANNUAL SHRIMPOREE & BENEFIT AUCTION

This seventh annual Clear Lake Area event was part of a continuing program to raise funds to support local area activities, charities, and youth programs. This year's event was held at Galveston County Park, Highway 3, League City on Sunday, October 19, 1980 from 1:00 to 7:00 p.m..

Each year a principal beneficiary is designated by our club. This year's beneficiary was the Bay Area YMCA. Past years have seen monies given to Palmer Drug Abuse Program, Ed White Memorial Youth Center, and Clear Lake Emergency Medical Corps. In addition we also continue to offer financial support for Clear Creek School District Scholarships, Harris County Youth Village, Bay Area Boy Scouts, Freeman Memorial Library, NASA Little League, and Senior Citizen Programs.

Area merchants contribute handsomely in the form of auction items. However, since merchandise is inappropriate for some business and professional categories in the community, I'm writing to ask that you consider us in your budget for next year.

This is a sound investment in our community. There are no administrative expenses to diminish the value of your contribution. All contributors shall be recognized in local newspaper ads before and after next year's event and in full page kick-off ads prior to the following year's event.

We seek your support in making next year one of our finest.

Sincerely,

17150 El Camino Real

Clear Lake City

1980 SPACE CENTER ROTARY CLUB
ANNUAL SHRIMPOREE & BENEFIT AUCTION

This seventh annual Clear Lake Area event is part of a continuing program to raise funds to support local area activities, charities, and youth programs. This year's event will be held at Galveston County Park, Highway 3, League City on Saturday, September 27, 1980 from 1:00 to 7:00 p.m..

Each year a principal beneficiary is designated by our club. This year's beneficiary will be the Bay Area YMCA. Past years have seen monies given to Palmer Drug Abuse Program, Ed White Memorial Youth Center, and Clear Lake Emergency Medical Corps. In addition we also continue to offer financial support for Clear Creek School District Scholarships, Harris County Youth Village, Bay Area Boy Scouts, Freeman Memorial Library, NASA Little League, and Senior Citizen Programs.

Area merchants contribute handsomely in the form of auction items. However, since merchandise is inappropriate for the medical community, I'm writing to solicit your financial help in like manner. This is especially important this year as the price for our shrimp has risen so drastically. Please make your tax deductible cheque out to:

Mr. Bob Foster
Computer Sciences Corporation
1300 Bay Area Blvd.
Houston, Texas 77058

This is a sound investment in our community. There are no administrative expenses to diminish the value of your contribution. All contributors shall be recognized in local newspaper ads after this year's event. Also, tickets to a great shrimp boil are available at all local area banks and through Rotary members: \$6.00 adult; \$4.00 children advance purchase with \$1.00 additional each at the gate.

We seek your support in making this one of our finest years.

Sincerely,

Gerald D. Connors, D.D.S.

Grand total receipts and commitments \$2,435.55

Chuck, I have today contacted Dick Brown to turn over the funds to him, and if any new contributions are received I will note that on my records and forward the funds to him. Further, I am directing a letter to the industrial plants to get in line for a 1980 contribution. I feel we should do the same with the NASA contributors, but there may be someone more appropriate than I. Give that some thought and let me know.

I am delighted to have contributed to your most successful Shrimporee, and look forward to 1980.

JAMES W. McNATT, D.D.S., INC.

August 23, 1982

Dear Fellow Colleagues,

Like yourselves I have received numerous solicitations for various good causes. They have involved organizations all the way from National to State and even the City of Houston level. My personal interest in them has never been more than lukewarm and as a result unresponsive. Sound familiar? Unfortunately when a really good local Clear Lake Area need arises it falls on this same unresponsive attitude. I would like to change this pattern with local issues as much as possible and need all the help and support I can get. My writing this letter alone should tell those of you who know me that this is a first and really deserves some attention.

This year the Space Center Rotary Club Shrimporee-Auction's primary beneficiary is the Bay Area Meals-On-Wheels for the handicapped and the elderly. It is one of the finest local groups I've seen with a very dedicated list of volunteers. Other beneficiaries all local, include Youth Scholarships, Boy Scouts of America, Crime Stoppers of the Bay Area, and several Drug Abuse Programs.

We have a chance to give some great support to these people who serve our own community. What I am asking for is a personally responsible yet comfortable donation to support this year's Rotary event for these causes. You can send your contributions directly to the Space Center Rotary Club, P.O. Box 58862, Houston, Texas 77258. Please note on your checks that they are for the Shrimporee-Auction Benefit.

By the way, the Shrimporee date is Saturday afternoon September 18th. Shrimp, fish, and beer start early with some great items up for bid later. Come on out and enjoy some good fun, fellowship and community support with friends. I'll be there.

I want to thank you in advance for any help you can give.

Fraternally,

Jim McNatt

Dear Colleague:

I wish to intrude in your charitable thoughts to ask a contribution and purchase of tickets to this year's Space City Rotary Club's annual Fish Fry and Auction, September 18, 1982.

Local merchants are asked to contribute items to the auction while professional and service oriented organizations are asked to help support the fry with cash donations.

^{Sp} 100% of your dollar ~~has gone to~~ ^{has gone to} ~~or in the past has gone to~~ the following organizations: Clear Lake Emergency Medical Corps to top out one of their ambulances and to procure a CRP dummy; Palmer Drug Abuse Program; Bay area Council on Drugs and Alcohol; YMCA; Crime Stoppers; Meals on Wheels for elderly and handicapped; Scholarships to students at UHCLC, CCHS, CLHS; Boy and Girl Scouts; Harris County Youth Village; Ed White Youth Center; International projects to procure a refrigerator for a blood bank in a small Mexico city; and many others.

Your contribution can be sent to:

Space Center Rotary Club

P. O. Box 58862

Houston, Texas 77528

The tickets can be purchased through me or any Rotarian or at many of the local banks:

Interfirst of Nassay Bay

Bay Area Bank & Trust

Baybrook National Bank

First City of Clear Lake

Allied Bank of Seabrook

They cost the same as last year. ^{Sp} \$7.00 adults and \$4.00 children before the gate; one dollar each more at the gate.

I thank you in advance for your Cash Contributions &
Purchase of tickets

Sincerely yours,

William E. Powell

William E. Powell, M.D.

Dear CPA,

Summer has flown, and Saturday, September 18th, is approaching rapidly. The Space Center Rotary Club's Shrimp Boil and Benefit Auction soon will be attracting our local citizens to Galveston County Park. From this annual community event, proceeds support several local causes, the principal 1982 one being the "Bay Area Meals on Wheels."

Lunch delivery of regular and special diets to house bound people living within the Clear Creek Independent School District started in March, and already the Bay Area Meals on Wheels is credited with saving three lives. Not only do the volunteers deliver hot lunches but they also check on the well being of the meal recipients. The Bay Area Meals on Wheels is made up of all volunteers. They receive neither federal nor local government funds. Meal recipients pay whatever they can afford, and donations make up the difference. The regular and special diets all are prepared and packaged by St. John's Hospital in Nassau Bay at cost, \$2.25 per meal, the major expense at a bargain price. CPAs will appreciate how the dollar expenses are kept down as well as the tax exempt status. The Space Center Rotary Club is pleased to be sponsoring such a worthy group.

Every year local merchants donate items for the Rotary Club's Benefit Auction. Since we CPAs provide services involving special relationships with clients, it may be difficult for CPAs to donate services. Therefore, the Rotarians are asking CPAs in the Bay Area to contribute money to help our community.

In addition to the "Clear Lake Meals on Wheels," proceeds from this festive community event support the following projects: Clear Lake Bay Area YMCA, Senior Citizens' Organizations, Clear Lake High Scholarships, Bay Area Committee on Drug Abuse, American Field Service, Boy Scouts of America, Freeman Memorial Library, Clear Lake Emergency Medical Corps, Crime Stoppers of the Bay Area, Palmer Drug Abuse Program and Boys and Girls State.

We welcome your financial support of the Space Center Rotary Club's Shrimp Boil and Benefit Auction. Make your check payable to the Rotary Club, and please send your community contribution to the following address:

Space Center Rotary Club
P. O. Box 58862
Houston, Texas 77058

Sincerely,

R. David King

P.S. It is tax deductible, too. Ha - Ha.

The Space Center Rotary Club's Shrimp Boil and Benefit Auction soon will be attracting our local citizens to Galveston County Park. From this annual community event, proceeds support several local causes, the principal 1982 one being the "Bay Area Meals on Wheels."

Lunch delivery of regular and special diets to house bound people living within the Clear Creek Independent School District started in March, and already the Bay Area Meals on Wheels is credited with saving three lives. Not only do the volunteers deliver hot lunches but they also check on the well being of the meal recipients. The Bay Area Meals on Wheels is made up of all volunteers. They receive neither federal nor local government funds. Meal recipients pay whatever they can afford, and donations make up the difference. The regular and special diets all are prepared and packaged by St. John's Hospital in Nassau Bay at cost, \$2.25 per meal, the major expense at a bargain price. CPAs will appreciate how the dollar expenses are kept down as well as the tax exempt status. The Space Center Rotary Club is pleased to be sponsoring such a worthy group.

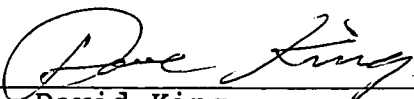

Every year local merchants donate items for the Rotary Club's Benefit Auction. Since we CPAs provide services involving special relationships with clients, it may be difficult for CPAs to donate services. Therefore, the Rotarians are asking CPAs in the Bay Area to contribute money to help our community.

In addition to the "Clear Lake Meals on Wheels," proceeds from this festive community event support the following projects: Clear Lake Bay Area YMCA, Senior Citizens' Organizations, Clear Lake High Scholarships, Bay Area Committee on Drug Abuse, American Field Service, Boy Scouts of America, Freeman Memorial Library, Clear Lake Emergency Medical Corps, Crime Stoppers of the Bay Area, Palmer Drug Abuse Program and Boys and Girls State.

We welcome your financial support of the Space Center Rotary Club's Shrimp Boil and Benefit Auction. Make your check payable to the Rotary Club, and please send your community contribution to the following address:

Space Center Rotary Club
P. O. Box 58862
Houston, Texas 77058

Sincerely,

R. David King

P.S. It is tax deductible, too. Ha - Ha.

Dear Colleague:

I wish to intrude in your charitable thoughts to ask a contribution and purchase of tickets to this year's Space City Rotary Club's annual Fish Fry and Auction, September 18, 1982.

Local merchants are asked to contribute items to the auction while professional and service oriented organizations are asked to help support the fry with cash donations.

100% of your dollar goes to, or in the past has gone to, the following organizations: Clear Lake Emergency Medical Corps to top out one of their ambulances and to procure a CRP dummy; Palmer Drug Abuse Program; Bay area Council on Drugs and Alcohol; YMCA; Crime Stoppers; Meals on Wheels for elderly and handicapped; Scholarships to students at UHCLC, CCHS, CLHS; Boy and Girl Scouts; Harris County Youth Village; Ed White Youth Center; International projects to procure a refrigerator for a blood bank in a small Mexico city; and many others.

Your contribution can be sent to:

Space Center Rotary Club

P. O. Box 58862

Houston, Texas 77528

The tickets can be purchased through me or any Rotarian or at many of the local banks:

Interfirst of Nassay Bay

Bay Area Bank & Trust

Baybrook National Bank

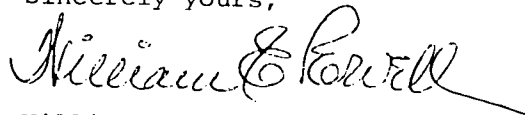

First City of Clear Lake

Allied Bank of Seabrook

They cost the same as last year. \$7.00 adults and \$4.00 children before the gate; one dollar each more at the gate.

I thank you in advance.

Sincerely yours,

A handwritten signature in cursive script, reading "William E. Powell". The signature is fluid and elegant, with a long horizontal flourish extending from the end of the name.

William E. Powell, M.D.

From:

Jack Eggleston, General Chairman

Subject:

RECOMMENDATIONS TO THE BOARD OF DIRECTORS,
SPACE CENTER ROTARY ON POLICY FOR THE
1982 SHRIMPOREE

I have asked you to serve on this committee because of our mutual concern with some trends we have observed over the past few years:

- a) -- An apparent apathy by Rotary members evidenced by fewer tickets sold, more absentees on Shrimporee Saturday, and a continued heavy dependence on volunteers.
- b) An apparent apathy by the public evidenced by the lower pre-Shrimporee sale of tickets.
- c) A trend toward "anyone who works gets free food and drink" (i.e., freeloading).
- d) A trend toward new expenses.
- e) A trend toward forgetting that we are doing this for charity -- i.e., service above self.

These perceived attitudes and actions are so far affecting the profit from food service. However, if they continue, the auction will also be affected.

Please make some recommendations which you believe will benefit our ability to raise money for local benefits. Please limit yourself to the 1982 Shrimporee. To assist you, I have asked some direct questions. You are not, however, limited to these questions.

1. What price should we set on food, beer, and soda in 1982?
 2. What dates should we reserve for the prime and rain-out dates?
 3. In an effort to motivate members to sell more tickets, should we "assess" every member ten or fifteen adult tickets to sell, donate or use?
 4. The "prize" for most tickets sold isn't working. Should we drop it or modify it?
 5. In an effort to cut down on "hidden expenses" (i.e., freeloading), should we try to cut down on ticketless beer and ticketless food?
 6. For example, (#5), should we (a) establish a policy of no food and no drinks without a ticket, and (b) establish a donated pool of food and drink tickets for certain workers, as we do now for the Boy Scouts from HCYV. This would in effect eliminate the beer keg in the kitchen.
 7. Should we try to eliminate the need for most of the non-Rotary* help? (*Anyone other than members, wives, girl friends and children).
 8. For example, (#7) can we and should we go to a self-service food line in the food cooking pavillion? (They do in Freeport.) This would eliminate the need for a large group of volunteers and some Rotary members in the kitchen.
 9. Should we contract early for frozen fish and shrimp? When and with whom?
 10. Each year we seem to incur "new expenses" from
 - a) items we didn't need last year, but we do this year;
 - b) items we got free last year, but this year we have to pay for them;
 - c) product improvements (real or presumed).
- Will you recommend some potential cost reductions?
11. What is the best way to handle Rotary members who are absent on Shrimptoree Saturday? How do we a) encourage them to be there; b) penalize them if they are not?
 12. In view of the above answers, should we eliminate a) children food tickets in 1982; b) refills?

4-7
8-8

1. What price should we set on food, beer, and soda in 1982?

\$5-6 Range - Buffet Style

2. What dates should we reserve for the prime and rain-out dates?

9-25-81 Need to be earlier

3. In an effort to motivate members to sell more tickets, should we "assess" every member ten or fifteen adult tickets to sell, donate or use?

4. The "prize" for most tickets sold isn't working. Should we drop it or modify it?

What about teams named after football teams w/ winning team some reward key others

5. In an effort to cut down on "hidden expenses" (i.e., freeloading), should we try to cut down on ticketless beer and ticketless food?

*at least 1/2 munch**yes - everybody pays -*

6. For example, (#5), should we (a) establish a policy of no food and no drinks without a ticket, and (b) establish a donated pool of food and drink tickets for certain workers, as we do now for the Boy Scouts from HCYV. This would in effect eliminate the beer keg in the kitchen.

7. Should we try to eliminate the need for most of the non-Rotary* help? (*Anyone other than members, wives, girl friends and children).

yes - to much free food

8. For example, (#7) can we and should we go to a self-service food line in the food cooking pavillion? (They do in Freeport.) This would eliminate the need for a large group of volunteers and some Rotary members in the kitchen.

9. Should we contract early for frozen fish and shrimp?

When and with whom? buy & get best price when down & when - tell them

10. Each year we seem to incur "new expenses" from

- a) items we didn't need last year, but we do this year;
- b) items we got free last year, but this year we have to pay for them;
- c) product improvements (real or presumed).

RECOMMENDATIONS FOR 1982 CHARITY AUCTION

(RE: SHRIMPOREE).

- 1 THE OBJECTIVE OF THE SHRIMPOREE IS TO RAISE MONEY FOR LOCAL CAUSES. FUN, COMPANIONSHIP, SATISFACTION, ETC., ARE ~~SECONDARY~~
- 2 SET UP AND MAINTAIN A SELF SERVICE FOOD LINE IN THE FOOD SERVICE BUILDING.
- 3 SINGLE SERVINGS. ONE TICKET = ONE PLATE, NO REFILLS.
- 4 NO TICKET = NO FOOD (NO EXCEPTIONS).
- 5 NO PRICE INCREASE FROM 1981.
ADULTS: \$7.00 CHILDREN: \$4.00
- 6 ASSESS EACH AND EVERY MEMBER \$200 FOR "CHARITY".
GIVE THEM: 30 ADULT TICKETS @ \$7.00 = \$210.00
10 CHILDREN TICKETS @ 4.00 = \$ 40.00
\$250.00
THEY GET A \$50.00 DISCOUNT TO PASS ON TO BUYERS, GIVE TO CHARITY OR USE AS THEY SEE FIT.
- 7 TICKETS WILL NOT BE NUMBERED.
- 8 NO ONE ALLOWED IN KITCHEN EXCEPT ROTARY KITCHEN STAFF.
- 9 A DONATED KEG OF BEER WILL BE ALLOWED FOR KITCHEN STAFF ONLY.
- 10 VOLUNTEER HELP WILL BE REDUCED TO A MINIMUM. NONE WILL BE ASSIGNED TO KITCHEN.
- 11 NO FREE TICKETS. ALL TICKETS FOR VOLUNTEERS MUST BE PAID FOR AND DONATED FOR THAT PURPOSE.
- 12 MORE EMPHASIS ON "CHARITY AUCTION", LESS EMPHASIS ON FOOD.

INTER OFFICE CORRESPONDENCE

To: Distribution

Office:

From: Jack Eggleston

Date: October 6, 1982

Subject: Fish Frying and Fish Fryers

Going "A - la Carte" instead of "food service" need not preclude some fish frying. We could sell fish "by-the-serving" provided:

- a) We cook small amounts (less quantity)
- b) at the rate of consumption (with no backlog)

If a fryer or two fail on us, it's no big deal. If we get behind (production less than consumption), it doesn't stop the show - come back in a few minutes and we'll have a hot batch. If we run out of fish at 4:00 pm, it's not a calamity. No ticket refunds required.

Even if we stay in the fish frying business - at a reduced level - I recommend we uncouple our ties with the Brazosport Rotary. We give to them their fryers and we keep ours. The fryers are old, worn out, and undependable. Every year HL & P (Jim Wyatt) repairs them, we store them all year and Brazosport borrows them for 2 weeks. To my knowledge, they contribute nothing to the partnership. When we get them back we never know if they are working or not.

I have suggested to Chuck Jacobson that he arrange a meeting with representatives of the Brazosport Rotary and we negotiate an equitable divorce, hopefully without malice or rancor.

The original agreement is recorded in the attached memo written in 1978.

Cover only one subject on each memorandum.

Fish Fryers

A. Recommended Ownership:

Space Center

Toastmaster	Model 1414B	\$149
Wells	Model F68	219
GE	Model CK20	166
Switch Panel		---
Total		<u>\$534</u>

Brazosport

Toastmaster	Model 14C2	\$162
Wells	Model F101	182
GE	Model CK20	166
Switch Panel		---
Total		<u>\$510</u>

We paid \$594
 Brazosport paid \$450
 \$1044

Therefore, they owe us $\$510 - \$450 = \$60$

One unit needs repair - Jim Wyatt and Billy Weseman volunteered to check it and repair it. The cost of parts would be shared by the two clubs.

Brazosport should store, handle and clean their units.

We would want to reserve their units at least one week in advance of our Shrimporee and we would hold ours for their Shrimporee.

B. Recommended Policy on Other Users of our Fryers

- (1) We would limit borrower to other Service Clubs.
- (2) The borrower would be responsible for installation (using our switch panel). Each unit requires 240 volts/50 amps.
- (3) The borrower would be responsible for cleaning.
- (4) We would require a \$50 deposit on each unit, out of which any repair costs would be taken.
- (5) They should be returned within one week of their event.
- (6) The Shrimporee Chairman would be responsible to administer this policy.
