

AL BUSSE
Governor District 589
1987-88

Jim McNatt - Space Center

According to the July
Attendance report just given
me, your Club figures
were 76.4%. Seems a
shame that nearly 25%
of your membership
would miss out on the
fellowship and excellent
programs offered weekly.
If you agree, hope
you'll give emphasis
to promoting an improved
attendance. Best, Al
