Mr Victor Marai  
President Rotary Club

Dear Mr. Marai:

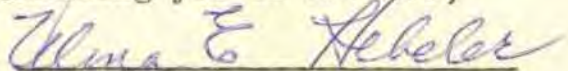

On behalf of our Senior Club "The Mainstreamers," I wish to thank the Rotary Club for their interest and participation through the years, in helping the Seniors in this area.

Last year we were recruited to sell chances on a car and we helped. When we sold the tickets, and bought the tickets, we sold them saying the profits would go toward the Community Building.

We have not heard the results of this endeavor. We would like to know the outcome, and if the winnings will go toward the Community Building. Time has gone by and everyone keeps asking about the results. We know of the lucky winner of the car, but not the profits.

We look forward to hearing from you about this combined effort.

Thanking you in advance,

Velma Hebler, Rep.

Mainstreamers

822 Buoy Road

Houston, Texas 77062.
