4. The Beginning of Space Center Rotary
5. Membership and Growth
6. Special Awards
7. The Shrimporee
8. Club Operations and Projects
9. What to save in the Club Archives in the future.

Memorial Committee

Constantly updating our Space Center Rotary deceased members list, honoring them by carving their names on our beautiful Marble Memorial Headstone located at Capt.. Landolt Park.

Constitution/By Laws

We are up to date with our by-laws and there are no revisions to date.

Club Endowment Committee

Director: Johnny Gibson

The Club Endowment is the Floyd Boze Endowment.

The primary focus of our Endowment Committee is currently the sale of raffle tickets. A goal has been established for all members of the Club to be actively involved in the sale of tickets. We are also strongly encouraging purchase of the tickets by members themselves as a means of establishing a sustaining Paul Harris Fellow. We are attempting to accomplish this goal using various promotions in our weekly meetings.

Tickets may be obtained from
Space Center Rotarians
or at the door.
