

Da Hat!

A new fixture at this year's Space Center Rotary luncheons is Da Hat, which brings in money for charity and spices up our meetings. By dropping a donation into Da Hat, a member or guest can make an announcement, tell his or her latest good or bad news, even a funny story. Da Hat brings in about \$10 per meeting or \$500 plus per year, which goes to different worthwhile charities. This year, the fund will go to the literacy campaign.
