

The Space Center Rotary's 27th Annual "Shrimporee and Auction" held on Saturday, September 23, was a wonderful success thanks to the support from the Bay Area community. The live auction raised between \$55,000 and \$60,000. Pictured from left to right are Space Center Rotary's Shrimporee Chairman, Mike Brown; Super Gold Shrimporee Sponsor Nick Hill, President and Managing Partner of Honda, Volvo, and Mazda of Clear Lake; Auctioneer Judge Louie Ditta; the President of the Space Center Rotary, Dave Baldwin, and Auctioneer Port of Houston Commissioner Steve Phelps.

Proceeds will go to Bay Area Turning Point, Second Chance Pets and Clear Creek Education Foundation.

Space Center Rotary sets date for 27th Shrimporee

Space Center Rotary Club will hold its 27th annual Shrimporee on Sept. 23 at the Cap Landolt Pavilion on NASA Road 1 from 11:30 a.m. until 6 p.m.

The Rotary Shrimporee is a fundraising event for Space Center Rotary Club, which has selected three major community organizations to support this year — the Bay Area Turning Point, Clear Creek Education Foundation, and Second Chance Pets as beneficiaries this year.

Space Center Rotary also supports many other community organizations during the year. The goal this year is to raise \$50,000.

Tickets are \$15, which includes shrimp, fish, beans and slaw; live and silent auctions, entertainment, fun and games for the kids, and deserts.

Rotary will also be hosting a private wine tasting and auction on Sept. 15.

The Bay Area Turning Point is a non-profit organization community based social service agency providing a variety of assistance services, including shelter to families in need and community education/crime prevention activities in the Greater Bay Area and surrounding areas.

Clients are men, women and children of any age who experience victimization relating to domestic violence and sexual assault/abuse.

BATP helps victims of domestic violence and sexual assault by providing advocacy, shelter, and self-reliance training. About 99 percent of those served are women and their children.

Rotary Shrimporee funds raised will help BATP with the replacement of broken and/or worn out items in the agency's shelter facility, the purchase of washers and dryers, building an

exterior staircase, and flooring in the children's play area.

The Rotary Shrimporee funds will also support the Clear Creek Education Foundation, which is embarking on its most ambitious program yet, the installation of Career Investigation and Technology Exploration Labs in all of the Clear Creek intermediate schools (sixth through eighth grade levels).

Over the next several years the foundation needs to raise \$1.2 million to install labs in six intermediate schools. Completion of these labs will provide every eighth grade student in the district with state of the art resources to complete self-assessment inventories and to research major career paths that line up with their unique personality.

In the Technology Exploration Labs, students get hands-

See **SHRIMPOREE**, page 13

SHRIMPOREE

Continued from page 12

on experience with many different fields of science and technology to expand their knowledge of career opportunities in the real world.

The end result is for each child will be more informed and for targeted high school course selection, more purposeful high school study, and as studies have shown, positive impacts to retention, attendance and behavior.

The goals and objectives are to fully implement the project for every future eighth grade student in CCISD.

Career Investigation Lab allows students to perform interest, aptitude, and ability self-assessments and apply this knowledge to their individual high school course selection and long-range goals.

Technology Exploration Lab enables students to develop problem solving and team building skills, while working on tasks that are based on "real world" business scenarios.

Funds raised will impact all future eighth grade students in CCISD.

Second Chance Pets (SCP) is a non-profit animal organization dedicated to providing stray and unwanted pets a second chance in life through foster care and pet adoption.

SCP continuously takes in stray and unwanted pets that are then spayed or neutered, given all their shots, and given a well check-up.

Many times the "well check-up" can be the most expensive. Even though SCP only pays for supplies, not veterinarian costs, medicine for heartworms can run between \$300 - \$500 per dog; an upper respiratory infection can run \$100 per cat, de-

pending on the severity.

Funds raised will help many animals to be fostered, cared for, and hopefully adopted.

Space Center Rotary has approximately 160 members who meet weekly at the Nassau Bay Hilton Hotel and recognize and present awards to teachers, law enforcement officers, students, and outstanding business people throughout the year.

Space Center is also well known for the Rotary National Award for Space Achievement (RNASA), the Stellar awards, Endowment Foundation, exchange students, Polio Plus eradication, and community support.

Sponsors this year to date are Apropos Distinctive Interiors, Barrios Technology, JSC Federal Credit Union, League City Bank & Trust, South Shore Montessori School, Space Center Tire and Auto, The Citizen and Exchange News.

The Rotary Shrimporee chairman is Mike Brown, members of the Rotary

Shrimporee committee members are: Tamara Anderson, Space Center Rotary President Dave Baldwin, Lamar Bowles, John Christner, Sherry Christner, Dennis Dillon, J.B. Fox, Bill Geissler, Chris Gregg, Dick Gregg III, Susie Haddad;

Charles Hartman, Mike Hernandez, Mark Humphrey, Al Ligrani, Jack Lister, Bill Lowes, Vic Maria, Earl Mauldlin, Bob Montgomery, Marilyn Musial;

Mike Porterfield, Jim Saxe, Marc Schnieder, Sheila Self, Billy Smith, Bill Taylor, Claire Taylor, Alan Wylie, George Zwicker, and the Space Center Women of Rotary.

For Shrimporee tickets, contact Brown at 281-480-7070 or Sheila Self at 281-280-1911.

Space Center Rotary's 27th Annual 'Shrimporee and Auction' set for Sept.

The Space Center Rotary's 27th Annual "Shrimporee and Auction," held on Saturday, Sept. 23, from 11:30 a.m. to 6 p.m. at the C.D. "Cap" Landolt Pavilion in Clear Lake Park on NASA Road One, is a fun family event everyone will enjoy.

The "Shrimporee and Auction" is a fundraising event for Space Center Rotary Club, which selected three major community organizations as beneficiaries this year: the Bay Area Turning Point, Clear Creek Education Foundation, and Second Chance Pets. The Citizen

Serving the Bay Area For 33 Years

Rotary Shrimporee Saturday

By MARY ALYS CHERRY
Citizen Staff

One of the Bay Area's most popular events of the year is coming up Saturday — the 27th annual Rotary Shrimporee and Auction.

Sponsored by Space Center Rotary in Clear Lake, the benefit fish fry and shrimp boil draws hundreds from all over the Bay

Area who sit and munch on seafood while watching the live auction conducted by Judge Louie Ditta and Port Commissioner Steve Phelps.

It will be held in Clear Lake Park's Landolt Pavilion on NASA Road 1.

This year, proceeds will benefit Bay Area Turning Point, Clear Creek Education Foundation and Second Chance Pets.

Tickets are \$15 each and includes a heaping plate of boiled shrimp, fried fish, beans and slaw.

Activities begin at 11:30 a.m. and continue until 6 p.m., according to Chairman Mike Brown.

Tickets will be on sale at the gate but may be purchased in advance from Rotary members or by calling President Dave Baldwin at 281-316-3240.

BUY YOUR TICKETS TODAY FOR THE SPACE CENTER ROTARY SHRIMPOREE

Buy your tickets today for the Space Center Rotary's 27th Annual "Shrimporee and Auction," held on Saturday, September 23, from 11:30 A.M. to 6:00 P.M. at the C. D. "Cap" Landolt Pavilion in Clear Lake Park on NASA Road One. The Shrimporee is a great family event with entertainment, and fun and games for the kids. The best part of the "Shrimporee and Auction" is that the money raised will benefit three outstanding organizations: The Bay Area Turning Point, Clear Creek Education Foundation, and Second Chance Pets. Space Center Rotary also supports many other

community organizations throughout the year.

For only \$15.00, you receive shrimp, fish, beans and slaw. There will be delicious, mouth watering desserts made by the Space Center Women of Rotary.
