Dear Rotarians:

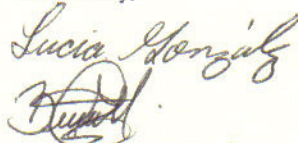

Thank you very much for all of your support and assistance throughout the ongoing reconstructive surgery that Blanca is undergoing.

We really appreciate all of the emotional support that your organization has provided to us in addition to the financial support, including the generosity of Houstonians, who have provided us with room and board during the periods we have spent in the United States.

There is no way for us to express our appreciation properly for everything that your organization has done to assist us, and our family, during these trying times.

Once again, thank you for all of your help. It is deeply appreciated, even when the language barrier prevents us from properly expressing our gratitude.

Sincerely,

A handwritten signature in cursive script that reads "Lucia González". The signature is written in dark ink and is positioned above the typed name.

Sra. Lucia González
