

Dear Jerrold DeWease,

I just want to be sure you know how fantastic your club really is!! We had an urgent request for a Random Act of Kindness on Thursday, and we delivered the money less than 24 hours later at Whitcomb Elementary to a family in dire need. Please see the below email string and picture.

Thank you for being the greatest club!!

See us Go And Do Likewise.

Scott

Marilyn,

We just were able to give the mom the gift from the rotary. I had not told her how much you were giving her, I just told her it would be enough for the tickets. When Ralph told her the amount she burst into tears and talked about how much this would help. Thank you from the bottom of my heart for helping out this family so quickly. I am so thankful for the rotary and all that it has brought to Whitcomb, you truly are making a difference in everyone's lives especially here. Thank you again!

Also - I am attaching the picture, I have the back of the mom, but you can still somewhat see her features.

Thank you again!!

Kristina Digman
Counselor
G.H. Whitcomb Elementary
