Subject: Shrimporee Promo on NBTV

John,

Check it out here:

<http://www.nassaubaytv.com/Shrimp.mov>

On this web streaming version, it's a little bitmapped, but the large NBTV version will look fine.

There as a little over 15 minute of raw video, and the final piece is a little over 6 minutes.

Please check it out and pass it on to everyone else to approve (if you wish), and then pass it on to people in your address book ... and encourage them to pass it on to people in their address book. This will really help get the word out.

I have a lot of good stuff for a blooper reel.
