

To: Jerrold DeWease, Rotary Club of Space Center

Ann Beaty wrote:

"We have great news today. They took him off the ventilator today and also pulled the ng tube, so he is much more comfortable. He is still in ICU for awhile. God has given us a miracle. He's sitting up and watching golf. Thanks,Ann"

Sitting up and watching golf, is classic Floyd Boze.

Please continue to say prayers for brother Floyd as he makes his recovery
