

David & My Space Center "Family"

Thanks so much for  
the collective thoughts  
& Prayers from so many.

Makes me feel so honored  
to be a member of such  
a magical group.

We are trying to work  
our way through the  
toughest trials we have  
even experienced.

Hope you know  
how much  
your thoughtfulness  
is appreciated.

Thanks So Much  
God Bless Each  
of you  
Jon & Katy
