

## *A Good Game, A Good Time, A Good Cause*

From Terry R. Ziegler  
District 5890 Polio Plus Sub Committee Chair

Congratulations to each of you who made Thursday's night such an inspiring END POLIO NOW Night with the Houston Astros! Thanks to Tommie & Charlie Buscemi & the Interactors who with the help of a few Rotarian leaders distributed 10,000 END POLIO NOW tee-shirts to the fans. Also to our AGs who promoted the event, to those of you who bought tickets, and to the Rotarians and clubs who purchased last minute tickets for some of the Interactors and got us over the 1,000 ticket mark-several of whom purchased their own tickets and for Interactors.

Look who was at the ball game?

The Rotary Club of Space Center had many members, family, and friends including Interactors and International Youth Exchange students.
