Dear Friends:

On behalf of Shriners Hospitals for Children® - Houston and myself, we are proud to accept your donation made in the amount of \$500.00 in memory of Ty McKinnie. This contribution will be entered into our Gold Book.

We are pleased you have chosen to share your resources so generously with us. Contributions such as yours help carry out one of the primary goals of the Shriners Hospitals of giving our young patients brighter, more self-reliant lives through quality pediatric orthopedic treatment and care.

As required by the Omnibus Budget Reconciliation Act of 1993 (OBRA), we must report the following disclosure: "Goods or Services were not given to the above donor in exchange for his or her contribution."

An acknowledgment of your gift has been sent to the family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Becky Brown Williams".
